All about Your Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Nine of Diamonds Person

The Card of Universal Values and The Giver's Card

Nine of Diamonds people are here to 'let go' and complete a major chapter in the evolution of their soul and personality. This entails a lot of giving to others and being willing to release both people and material things from their life when the time comes. If they have not heeded the call to give and let go of others, money, relationships, and love, their life can be filled with disappointment and remorse. Those on the positive side are philanthropic and generous, happy and productive. All have the opportunity to experience first hand, the heightened consciousness that comes from living a 'universal' life.

Despite losses from time to time, these people can do very well in business, especially when it involves selling or other creative enterprises. They are great at promoting things they believe in. They are great talkers and communicators. Many become counselors, if not professionally, then at least with their friends and family. If they keep their values in proper perspective, they may even attain affluence. A disregard for the higher laws will inevitably result in misfortune and misery. They should be careful while driving and when taking any kind of risks and chances. They can be reckless or accident prone.

They also have great minds and many are attracted to some professional work that allows them to use their intellectual abilities.

One of the challenges of the Nine of Diamonds is to develop and use their charm and power to do some good work. Many of them are destined to make great contributions to the world, often by leading others to a higher form of knowledge or understanding.

Some of the Nine of Diamonds Issues Concerning Relationships

Nine of Diamonds like to have someone to talk to and prefer relationships with those who are witty and smart. Most of them have at least one challenging marriage of a karmic nature and there are usually responsibilities associated with family, spouse or children. Marriage is usually karmic, or destined, and often long lasting. The men should always beware of female Club cards, except the Jack of Clubs, who might make a good marriage partner. They tend to have traditional values about marriage and are very giving people and easy to get along with.

All about Your Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Seven of Spades as Your Planetary Ruler

This ruling card adds strength to your personality and gives you a certain amount of good fortune, especially in the areas of home and family. You may feel that you have a blessed marriage or relationship, or that many good things have come from your parents. Health concerns may play a major role in your life and you may be accident-prone. The Seven of Spades encourages us to have faith in life, in spite of whatever circumstances we may find ourselves in. In this regard, you may find yourself tested many times. You are probably attracted to those of intelligence and wit and with a bit of luck, you could marry one of them. Financial security is something that will only come through hard work.

These influences have become a part of your mental state of mind. They influence your thinking and your communications to a great extent. Its importance cannot be overstated. Sometimes these cards describe an important influence in our life. The presence of any of the face cards, for example, would signal an individual who had a profound influence us during our formative years.

Your 13-Year
Mercury Card

Your Thirteen-Year Seven of Spades Period

This period of your life is a highly spiritual period. Spiritual periods can be tough on the mundane level and highly successful on the spiritual level. Actually we have success in both areas but we must take a spiritual approach in order to do so. The challenges presented to you during this time will usually be related to health, work and the way you live your life. It is the things you do each day that will be called into question. Because this card sits in the Jupiter column of the Grand Solar Spread, there are definite blessings to be had. One must have faith to proceed into work that benefits others in order to access these blessings most. This is a very powerful time of your life when the lessons you learn will shape the rest of your life permanently.

On one hand you could find a mission for your life that you want to fulfill on behalf of humanity. You have the power now to accomplish this. But on the other hand you may be apparently forced to deal with health, work or lifestyle challenges that consume most of your time and energy. For those who are already on the spiritual path, this can be a period of great power and success. All it takes is gratitude and faith.

The underlying King of Diamonds may represent someone who will play an important role in your life at this time. Whoever they are, they will be powerful and most likely, successful in business and finance. You may even find yourself as a business owner and this card guarantees a certain amount of success.

Jupiter's blessings are upon you now but you cannot have fears or negative lifestyle expressions. If you are ready to move into the New Age of enlightenment, now is the time!

The Cards In Your Venus 13-Year Period

Some General Information About the Venus 13-Year Period Cards

Your 13-Year
Venus Period is from
6/8/1991 till 6/8/2004

The Venus Period of life begins at Age 13. It is during this period of life that we learn about love and romance. We are still connected to our family at the beginning of this period but most of us will have departed our family before it is over. Many will be married before this period ends as well.

The events during our Venus period of life often set a pattern for our relationships for the rest of our life. We discover, in this period, what sorts of mates we are attracted to, what our personal approach to relationship is, and what sort of partner we ourselves make. Our Venus Card describes these traits to a large extent.

And, it is in this period that our personal relationship karma makes it debut. We can experience great love and heartbreak, along with many other things as we explore the area of love.

Some even begin developing their own family at this time. And the Venus cards can describe just how our family life will be.

The cards below govern your Venus period of life and tell the story of you and your relationship patterns, as well as describe the events that will occur at this time.

Your Thirteen-Year Two of Clubs Period

Your 13-Year
Venus Card

The Two of Clubs means conversation, communication, sharing ideas and cooperation on a communication level. However, it is also known as the card of fear and arguing. When it is present you may feel compelled to talk to others and to establish lines of communication. And this is the card that is governing this 13-year period of your life.

Relationships will take on a great deal of importance in your life. And the value of conversation with those of like mind will be something that you both experience and enjoy on a deep level. You could even marry someone with whom you share these qualities. You are also likely to enjoy a very fine level of intelligence and may receive honors for things you do with your mind. Perhaps you will write a book or accomplish other mental tasks in which you are honored.

However, there is another hidden influence of great importance during this period of your life. It is that of the Ace of Spades. This is the card of personal transformation and sometimes, of death. This does not indicate your passing away during this period. However, the idea of death may be something that you find yourself confronted with again and again. For example, there could be deaths in your family from time to time, or of someone that is close to you.

At the very least you may find yourself more preoccupied with the notion of death and you yourself may have some fears about this very things. The Two of Clubs has often been called the 'fear card'. Events during this period could cause you to have more fear than you thought you had. Keep in mind that this fear, whatever it is, is rooted in the basic fear of death, which is really the fear of change. Look deeper into yourself and you may discover an inner sense of vulnerability. This could lead to some profound inner discoveries as the Ace of Spades is also the card of the 'inner secrets'. The potential for spiritual discovery is great.

The Cards In Your Mars 13-Year Period

Your 13-Year
Mars Period is from
6/8/2004 till 6/8/2017

Some General Information About the Mars 13-Year Period Cards

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

Your 13-Year
Mars Card

Your Thirteen-Year King of Clubs Period

During this period you may likely become an authority in some area of information or knowledge. People often become an author or the head of some organization when this card is present. At the same time, there is going to be a person who plays an important role in your life, someone signified by the King of Clubs. This person is most likely a male who is intelligent and powerful, but kind. But for you, this person will be one of the more important influences of this time of your life.

If you are a Club yourself it is highly likely that you will rise up to some level of recognition and accomplishment. Knowing this ahead of time you could really reach for the stars with assurance of your ultimate success.

But for anyone with this card a certain amount of success is indicated, but especially in the areas of communications, knowledge, teaching, publishing or an area where specialized knowledge is applied for the good of others, such as a lawyer or doctor.

The underlying Two of Spades says that friendships and working partnerships will also play an important role in your life now. You may even enter into a significant working partnership, or at the least, a lifestyle friend, during this time.

Overall, you can expect your intelligence to be high and 'right on' now. High intuition and high reasoning ability make an unbeatable pair. Use them to achieve as much as you desire.

Your 13-Year
Jupiter Period is from
6/8/2017 till 6/8/2030

Some General Information About the Jupiter 13-Year Period Cards

The Jupiter period of life begins at age 39 and extends until we turn 52 years of age. This period is largely associated with financial and other blessings. It is usually during our Jupiter period of life that we begin making the most money. It is sort of like the harvest season of our life. Your Jupiter cards may indicate what to expect during this period but they also may point to the means by which you will be most financially prosperous.

Finances in the Jupiter period should flow easily if we are in tune with a profession that is truly connected to what we love. If you are struggling during this period, it can only be because you are not doing work that you really enjoy. You might want to keep this in mind as you progress through it.

It is during this period that we experience our important 'cycle of reflection' which includes the Prebirth and Rebirth years of our life. The Rebirth year, or age 45, is considered one of the most important and fortunate years of our life. Seven years after it, we end our Jupiter cycle with the age 52, 'Critical Year' and begin our Saturn cycle. It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.

With this in mind, study your Jupiter Cards and see if they can help you access the bounty to which you are entitled.

Your Thirteen-Year Jack of Diamonds Period

Your 13-Year
Jupiter Card

This period will be more or less overshadowed by one or more young, Diamond males, or by someone whose Birth or Planetary Ruling Card is the Jack of Diamonds. It will also be a time of variety and creativity with your work and perhaps uncertainty with your health.

There will be some Jack of Diamonds characters in your life and these will usually be men who are creative, fun-loving but perhaps also dishonest or of low morality. Their influence on you will be quite strong now. This could be a good thing or a bad thing depending upon many factors such as your age. They could be love interests to women and for men, these cards could indicate work as a salesman or promoter. This is not a bad card by any means. On the contrary, it bestows a great measure of creativity. The only question is how will this creativity be used by others and by you.

If you are a person whose Birth or Planetary Ruling Card is a Diamond, this card can indicate your playing a Jack role for most of this period. That role would be creative, romantic, or in sales and promotions.

The underlying Three of Spades could cause your involvement in artistic expression or work. But it can also represent stress or health matters that are challenging and difficult to diagnose. Drugs and alcohol are things that will bring more harm than good at this time. If you are older when you enter this period, this could definitely represent health challenges. At the very least this influence could cause you to be doing so many different things at the same time that you feel overwhelmed and stressed. Some people may even find that they are living two lives at the same time.

To get the most of this period, express all the creative energies of these two cards in a positive fashion, such as through art, music or salesmanship. You could be very successful and content in doing so.

The Cards In Your Saturn 13-Year Period

Your 13-Year
Saturn Period is from
6/8/2030 till 6/8/2043

Some General Information About the Saturn 13-Year Period Cards

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. The Saturn period is usually considered to be the last really active period of life. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Though some may encounter them earlier, most everyone will be reminded that we do not live forever during this cycle of our lives. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

Your Saturn cards described here will tell the story of your Saturn period of life. Remember that even difficult cards can signify good things in Saturn when we have heeded his lessons throughout our lives.

Your Thirteen-Year Four of Hearts Period

Your 13-Year
Saturn Card

The main influence for this 13-year period is the Four of Hearts. This is probably the strongest influence in the entire deck of cards for settling down and enjoying the rewards of family life and close friendships. The Four of Hearts is a sign of protection in love, marriage and family. It can represent one's marriage and the foundation of love upon which a family and life can be built. The Four of Hearts is usually considered a good influence, especially for a happy family and social life. But this period could also just represent a time when you have a circle of close friends that you enjoy. It is definitely a settled period of your life. You would not normally expect a lot of changes or moves with this card present.

Its underlying card, the 4 of Spades, even strengthens this notion. With 'double-fours' presiding over you for 13 years, you can expect contentment and security. The only other factor that could be present is that you must work a lot, as the Four of Spades can be a workaholic kind of influence. Depending upon your age when you enter this period, the above qualities will manifest themselves appropriately.

The Cards In Your Uranus 13-Year Period

Your 13-Year
Uranus Period is from
6/8/2043 till 6/8/2056

Some General Information About the Uranus 13-Year Period Cards

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. But, in general, these are the periods where we retire from actively working and pursue other interests. Some will pursue spiritual goals exclusively, especially in the Neptune period. But some will mover towards political and social goals in the Uranus period as well as spritual pursuits.

The Uranus period is usually about connecting with our spiritual family. It is usually in this period that we choose a religion, if we haven't already. We become more active in our chosen groups during both these cycles as we prepare a place for ourselves in the life hereafter. Your particular group may not be a spiritual group per se, but it will be one to which you feel that you belong on a deep level.

These periods should provide us with the freedom to explore the deeper meanings of life. And many of us will have profound spiritual experiences and revelatons during these periods. As a result of the wisdom we have gained, we are able to lead a happy life with minimal effort and strain. We become like a gentle breeze flowing through the trees. And life can be quite delightful as we grow closer to God. Many will hear Him and feel more attuned to Him and His creation during these cycles of life.

Your 13-Year
Uranus Card

Your Thirteen-Year Four of Diamonds Period

This period of your life will most likely be marked by hard work and stable finances. However, for some this will seem like a time of struggle. In reality there is protection at this time, especially financially. But the tendency to struggle is inherent in your personality to some extent and you will be challenged to work and be productive without making it so hard. This does not mean that being lazy or trying to avoid working for what you get. The Four of Diamonds promises rewards through hard work. Therefore, a willingness to do what is necessary is a requirement for success.

Your sense of values and knowing what you want from life should be very clear at this time. This, in turn, will attract to you all that you desire. And you may feel very stable and grounded in the work you do and the lifestyle you have created. But there is also a sense of restlessness going on at a deeper level, as represented by the Five of Spades. And this may cause you to do much traveling or to move your residence more often than you would expect. Changes are definitely to be expected. In addition, for some there will be health matters that have to be dealt with, regardless of their age during this period.

Its Underlying Card

Finally, ideals about love and relationship will be tested by actual experiences. Some will find disappointment at the end of the rainbow while others will gain more clarity about their romantic dreams. For all this will be an important period of defining yourself in terms of what you want from life. And you will gain much clarity about these values as you progress through this period.

Your 13-Year
Neptune Card

Your Thirteen-Year Two of Spades Period

This is a period of your life when friendships and working partnerships will become a major focus of your attention. You will find yourself gravitating towards these and possibly having a very important working partnership for some or all of this time. But friendships will also be important now and not just friendships of conversation. You will want to actually spend time with your friends and engage in activities in a cooperative way. Relationships in general will assume more importance in your life.

The Two of Spades means a union or partnership in work or friendship. Since this is a spade, the partnerships that it may foretell will be ones where you and the other person actually spend time doing things together, whether it be work or things such as hiking, exercising, camping, biking or other sports.

Its Underlying Card

This period also has the hidden influence of the Six of Spades. For this reason, your health could be an issue. To avert any problems in this area you are advised to take a proactive position in regards to good health. Eat good food and exercise regularly. As long as you are moderate in your living habits things should be fine. However, abuse of your body will not be tolerated under such a heavy 'health karma' influence. The other aspect of the Six of Spades is that you could find your true purpose and get on a path to do something great in this world, something that would serve mankind. Of course, with the Two of Spades also present, this is more likely to be something done in concert with one other special person in your life.

Auspicious Events Occuring from Ages 40 to 50

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

About Your Auspicious Events Report

For each of us, there are certain years of our life in which significant events can be predicted and explained using the Science of the Cards. These are events that occur for everyone, but at different times for each. This report will check for and tell you about any Auspicious Events that will be occurring during a range of years specified by the person creating this report.

There will be years in which there are no Auspicious Events. You should be aware of this or you may feel that there are pages missing in your report. Not every year has a significant life event transpiring in it.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. Others occur a different ages for each card and some of these are extremely significant and powerful. Some bring blessings and gifts while others are reason for caution and care as negative experiences are highly likely. Some bring fame and fortune, others, endings or changes. Knowing ahead of time which influences are present for you allows you to take fuller advantage of them. It is akin to driving at night with your lights on - you can see what is coming and make corrections in your path in order to make your journey more successful. Use this report to take full advantage of the influences coming for you.

THE LIFE SPREAD

Auspicious Events Occuring at Age 40

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You will get a Wish Fulfilled This Year

Your Birth Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

You Have Good Career Influences This Year

Because of the position of your Birth Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Birth Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will begin to pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to

Auspicious Events Occuring at Age 40 (continued...)

know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important

Your Birth Card falls in a position this year that is governed by the Planet Jupiter. Because of this you will have a certain amount of good fortune and you will see at least one of your important wishes fulfilled at the same time. This does not mean that every problem in your life will disappear or that everything will be easier. But it does mean that some things will come easier to you and that something you want will manifest itself. This is, for the most part, going to be a year of prosperity and abundance. Though you may have challenges in other areas, there will be much to be grateful for. Magnify this prosperity by receiving it and giving thanks.

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

THE LIFE SPREAD

Auspicious Events Occuring at Age 41 (continued...)

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.

Auspicious Events Occuring at Age 42

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. There are also special events determined by our age and by certain cards that fall into prominent positions in our Yearly Spreads. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You have no Auspicious Events Occuring this Year

There are years of life in which no auspicious events take place. This is one of those years for you. It does not mean anything special because there are still many influences and every year is an important year. Always regard your Long Range, Pluto, Result, Environment and Displacement cards as the most important indicators for each year of your life.

THE LIFE SPREAD

Auspicious Events Occuring at Age 44 (continued...)

Because of the position of your Planetary Ruling Card this year, there are opportunities for you to achieve a larger measure of recognition in your work. Of course, if you are not career or business minded, this influence will have little effect on you. But for those who are trying to get more recognition or wish to become better known, this is a year when some of those dreams will come true.

The cards in your Planetary Ruling Card's Yearly Spread will rise up to the 'Crown Line' sometime this year and because of this, people will pay more attention to what you are doing. You could achieve some sort of award or merely become more recognized in your field. Many people receive promotions during years such as these. Just how it will manifest will depend upon the nature of your work or aspirations. Knowing, however, that these influences are present, it would be advantageous to put more effort into becoming recognized.

This is Your Rebirth Year

At Age 45, each of us experiences what we call the Rebirth Year. For most people, this means they return to their original location in the Grand Solar Spread, the same place we they were during the first year of life. We also have the same cards in this Yearly Spread that we did during the first year of our life. For all of us, this year is very significant and yields a special opportunity for advanced spiritual development.

During the Rebirth Year, we experience the very same cards that we were born with in our Life Path. However, now, we have grown in our understanding of our life and so we have the opportunity to remake our life on a higher level by accessing the higher sides of each card.

This year is, in many respects, the pattern-setter or tone-setter for the second half of your life. It is the microcosm that projects into the macrocosm that is the rest of your natural life. Thus, it is more important what you do this year than most other years of your life. Fill this year with all the healthy, loving, inspirational and life-expanding activities and relationships that you want to have as a routine part of your life. By doing so, you gain a measure of conscious control over how the rest of your life will turn out.

Every card in our Yearly Spread has a higher form of expression and a lower form. Read the cards in this year's spread very carefully and see if you can discern the difference between these higher and lower expressions. You can consciously choose to access the higher sides of each of these cards. Using your will and conscious intent, you are now able to not only influence what happens to you this year, but also what will happen to you for the remainder of your life. You will face the patterns that you were born with (since these are the same cards you were born with) and also have a second chance to set new patterns for each of the cards in your Life Spread. Good luck in this special year of opportunity and challenge.
