Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2000 (June 15, 2000 to July 15, 2000)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached. An influence may last for as little as a few days to as long as half a year or so.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

Nep Trine Moon

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up "golden oldies" that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.

May 27, 2018 (May 19, 2018 to June 6, 2018)

Jup Trine Moon

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just "fall in your lap". Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

June 12, 2018 (Jan 28, 2018 to July 25, 2018)

Plu Oppos Ven

Romance and sexuality are the key issues now. Your sexual drive is particularly strong now, and you are driven by a strong need to achieve a deeper level of fulfillment in your love relationships. At times during this time period you are not able to constrain your compulsive feelings, and you are prone to dispense with reason, logic, rational judgment, ethics, and taboos.

If you are not married or deeply involved with someone, it is likely that a love relationship will begin now. However, because your romantic and sexual drives are so strong, you may allow yourself to become involved with someone that you find attractive but are not compatible with on an intellectual level and with whom you share few interests and tastes. Try not to settle for this kind of compromise in your love relationships because you will later be faced with the predicament of unraveling the bonds you have formed, which is likely to be more difficult than you would imagine now.

If you are married or deeply involved with someone, then your relationship will undergo some changes now. There may be many changes, but typically, one of the following changes occurs in either or both of you: more

demanding and less easily satisfied with the other person, more romantic, more flirtatious, less conventional, and more possessive. Issues of jealousy and possessiveness are likely to arise. The nature of the issues and changes that arise now depends on the changes needed in the relationship. Underlying all of these changes is the need for greater closeness and greater romantic and sexual fulfillment. The emotions and drives that arise now usually arise without any apparent reason. This is a time of compulsive and irrational emotional drives! Avoid the tendency to be secretive. You may try to hide your feelings, repress your feelings, or develop extramarital affairs without your spouse's knowledge. Lying and hiding things from others only builds another layer of complexity onto the complex feelings that you are dealing with, and you will eventually regret your lack of honesty and openness.

June 18, 2018 (May 20, 2018 to July 19, 2018)

nep sqr sun

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings. Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation, engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

June 18, 2018 (May 4, 2018 to Aug 5, 2018)

nep sqr nep

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

June 19, 2018 (June 12, 2018 to July 11, 2018)

Mars Conj MC

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first or to be on top is quite possible, but you won't take it lying down. You are ready to fight if necessary in order to forge ahead!

June 26, 2018 (June 18, 2018 to July 4, 2018)

mars trine merc

You speak very clearly, convincingly, and forcefully now, so that there is no mistaking what your views and opinions are. You can argue a good case, make a very persuasive presentation, or successfully challenge someone whose ideas do not agree with your own. Your mind is sharp and your responses quick. This is a very good time to take a test or to do any kind of intellectual or mental work.

This astrological influence (Mars Conj MC) also occurred on June 19, 2018 (peak date). Please refer to this date.

July 10, 2018 (June 18, 2018 to Aug 1, 2018)

jup conj ura

This is an exciting, wonderfully liberating time for you! You feel youthful, exuberant, creative, adventurous, and genuinely excited and enthusiastic about what you are doing. Fresh ideas and opportunities abound. This is the time to break out of a rut and get involved with lively, creative people and activities.

You are more concerned with doing creative, exciting things than with mundane chores and responsibilities at this time.

There is an excellent chance that you will receive a gift or offer that enables you to have the freedom to live a richer, more fulfilling life. Even if a tangible, concrete gift does not arrive on your doorstep, this is still a time of good fortune for you as you become involved with activities that are enriching and inspiring.

This astrological influence (Nep Trine Moon) also occurred on May 11, 2018 (peak date). Please refer to this date.

Sep 1, 2018 (Aug 24, 2018 to Sep 8, 2018)

Jup Qucnx Sun

Carefully assess the cost of your actions and decisions at this time, as you are prone to be overconfident, inflated, or foolishly optimistic. Investments, sales, or financial decisions are best postponed for a more favorable time. You can be wasteful or overlook crucial details that will come as a sobering surprise later on.

Weight gain and/or sluggishness due to overindulgence also need to be guarded against.

Sep 23, 2018 (Sep 17, 2018 to Sep 29, 2018)

Jup Trine Ven

This is a very pleasant time for you. You have a need to escape the hustle and bustle of daily life, relax, and collect yourself. Taking a stroll through the woods or visiting a beautiful lake, mountain retreat, or beach appeals to you now. You also enjoy casual activities like strolling through art galleries and markets, buying some art work, or visiting friends.

You are very relaxed, not very aggressive or ambitious and perhaps downright lazy now. If you find yourself struggling at work to maintain your concentration on tasks at hand, then you really should consider taking a few days of vacation time to do the kinds of things mentioned above.

Relationships with loved ones and friends are especially good now. You are able to share openly with others and experience mutual appreciation and respect. The love and good will you share with others may also lead to a pleasant gift or other unexpected benefit.

Beware of a tendency to be too lazy to take advantage of some of the enjoyable and beneficial occasions that are available at this time. It is good to relax and enjoy yourself, but becoming a "couch potato" may not be the best way of doing this!

This astrological influence (Mars Conj MC) also occurred on July 4, 2018 (peak date). Please refer to this date.

Oct 12, 2018 (Oct 9, 2018 to Oct 14, 2018)

Mars Qucnx Jup

You seesaw between optimism and impatience, between faith that everything is working out and a restless desire to take immediate action. Philosophical discussions are apt to become heated. Avoid pompousness, arrogance, and intolerance. You will neither win freedom nor influence people that way! Proselytizing or self promotion can lead to estrangement now. A lack of caution and overenthusiasm are pitfalls for you at present.

Oct 16, 2018 (Oct 14, 2018 to Oct 18, 2018)

Mars Sqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Oct 17, 2018 (Oct 12, 2018 to Oct 21, 2018)

Jup Oppos Asc

You come into contact with a wider circle of people at this time. You may become friends or develop an association with an influential person or someone that can help you a great deal. This is an excellent time for advertising, promotion of a product or event, and mass media communications. This is the time to get out and meet people. You should accept most invitations to attend social events of any kind because you may be surprised to find that you form important, mutually beneficial relationships.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Oct 17, 2018 (Oct 12, 2018 to Oct 22, 2018)

Jup Sqr Sat

Significant changes and opportunities face you at this time but making the correct decision about what to do is not easy. This is a period of critical decisions and transition. A major change in your life can occur now (new job, relocating, ending a long-term relationship or beginning a new one, etc.). In fact, it is not unusual for several important changes of this nature to be occurring. Unfortunately, you find it difficult to decide whether to go along with the new opportunities or even push harder to make changes occur, or whether to try to maintain the old, familiar life style, routines, and surroundings.

One side of you is impatient to make some major changes. You are tired of the same old routine and life style. You want to break free and get things really moving. You feel there is much more to life, and you are not growing and living as fully as you ought to be. The other side of you is wary of the changes; they may just be pipe dreams and simply lead to considerable stress and disappointment. Underlying all this is the nagging question of what you really value and whether the new opportunities are more worthwhile than your current involvements. Unfortunately, no one can make the decisions for you, and you have to sort things out for yourself.

Clearly, YOU MUST MAKE SOME CHANGES. Letting things remain as they are will lead to stagnation. On the other hand, you must be careful that the changes you make will bring the THINGS THAT YOU REALLY

WANT. For example, if you accept a new job only because it brings more money, but you must sacrifice other benefits of your current life style, then you may find afterward that the increase in income was not worth the sacrifices. If you are not honest with yourself or if you place too much value on things that are really of secondary importance, then you will make the wrong decision.

Another problem for you now is how to meet all of your obligations while having time to do the things you want. Your responsibilities are probably similar to those of most people: to family members, to pay the bills, etc. At this critical time you can find new ways to meet these obligations while allowing yourself more time to do the things you want to do. At the least, you will find that you can rearrange your life and make some significant changes in your daily routine, which are big steps towards leading a more fulfilling life. You may also decide that a more radical change in life style is warranted (new job, relocation, etc.). It is up to you to decide what is really important and how to best balance all aspects of your life. If you are creative, honest with yourself, and willing to go through some adjustments, you will come out much better when this astrological influence is over.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

Oct 18, 2018 (Oct 16, 2018 to Oct 20, 2018)

Mars Trine Plu

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Oct 22, 2018 (Oct 20, 2018 to Oct 24, 2018)

Mars Qucnx Moon

Domestic disputes caused by interference from outside agents are indicated. For example, you may be bringing work home with you and then unconsciously venting your hidden resentments and frustrations on innocent people.

You are subject to fevers or infections now, fueled in part by emotional irritability. Letting off steam in whatever nondestructive ways you know would be very beneficial.

Oct 24, 2018 (Oct 22, 2018 to Oct 26, 2018)

Mars Sxtil Nep

This is not a period when you feel like pushing your own interests or one in which you are especially energetic. Other people's concerns and needs receive more attention from you now, and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

Oct 24, 2018 (Sep 11, 2018 to Feb 2, 2019)

Nep Qucnx Plu

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.

Oct 24, 2018 (Oct 23, 2018 to Oct 26, 2018)

Mars Trine Sun

Your vitality and self-confidence are high, and you can achieve your goals with much more ease than usual. You enjoy vigorous physical activities, competitive work or sports, and meeting challenges. You are inclined to strike out on your own and to assert your own will, but not in a way that creates resistance in others.

Oct 25, 2018 (Oct 20, 2018 to Oct 29, 2018)

Jup Sqr Mars

You are bold, daring, and enterprising during this time. You feel hemmed in by present circumstances and feel an uncontrollable urge to enlarge your vistas. Your restless need to accomplish more and break free of present limitations may inspire you to seek a new job, look at new places to live that offer more opportunities, increase advertising of products that you market, or peruse business opportunities in your local area.

Because you feel restless and impatient, you may make an important decision too hastily, only to regret it afterward. You should not dampen your enthusiasm or restrain your search for new vistas, but do make sure you slow down enough to investigate the details in a sober and realistic manner before committing yourself to a new venture.

Physical energy is very high now, and you enjoy vigorous activities at this time. However, be careful not to go overboard, particularly if you have a health problem or your body is not in good enough shape to handle the exertion.

Oct 31, 2018 (Oct 29, 2018 to Nov 1, 2018)

Mars Qucnx Ven

Ambivalence or disagreeableness in a close relationship arises now. An old friend or lover who is rather disturbing to your peace of mind may contact you, or you may feel uncertain about where you are going in a particular relationship.

You may aggravate or pick at a friend or loved one in the misguided belief that you can change things. At this point, however, it is unlikely that your words or actions will create happiness or the desired outcome. Try to be good natured about any differences that are apparent to you now, and let it pass.

Nov 8, 2018 (Nov 6, 2018 to Nov 9, 2018)

Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

Nov 8, 2018 (Nov 6, 2018 to Nov 9, 2018)

Mars Oppos Sat

A sense of failure, self-doubt, or inability to effectively compete and assert your own will may typify this time period. Stifled anger and resentment over the frustrations and obstacles you confront now may further complicate matters. This is not a good time to begin a new venture, ask for a promotion, or try to expand your activities in any way. Patience and perseverance are required of you now. Be willing to wait. Your problems and inadequacies seem more real and insurmountable than they actually are, so try not to become too discouraged.

Nov 10, 2018 (Nov 9, 2018 to Nov 12, 2018)

Mars Oppos Mars

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

Nov 25, 2018 (Oct 19, 2018 to Dec 30, 2018)

nep trine ura

Your idealism, creative imagination, and sense of awe and wonder about life are stirred now. The child in you is strong. You are likely to encounter fascinating information on the latest scientific technologies and progressive social movements in the world that stir your imagination and idealism. This is a positive time for you, when your heart and mind are open to imaginative solutions to old problems. You may become active in some form of political activism. Your ideas are imaginative and idealistic, although perhaps a little too simplistic. You are motivated now by a desire to awaken a higher level of aspiration and idealism in yourself and others, and not so much in analyzing the technical details of problems.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. This is also an excellent time for any imaginative and original creative work in the arts or music.

Dec 1, 2018 (Nov 29, 2018 to Dec 3, 2018)

Mars Sqr Merc

Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Dec 2, 2018 (Dec 1, 2018 to Dec 4, 2018)

Mars Trine Jup

At this time you will want to branch out; you have the energy to do more and take on more challenges. This is a very good time to begin implementing the plans and promises that you have made to yourself, as any new endeavor is likely to succeed. A new health regimen, actions taken to advance professionally, or anything you do to move toward achieving a cherished goal or ideal goes well now.

Dec 6, 2018 (Dec 5, 2018 to Dec 8, 2018)

Mars Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Dec 7, 2018 (Dec 6, 2018 to Dec 9, 2018)

Mars Quconx Plu

You are willfully resistant to any outside pressure, manipulation, or authority at this time. A fateful encounter with an adversary, one that can neither be avoided nor ignored, is indicated. You seesaw between taking forthright, direct action and using more covert, subtle methods. A desire to break down, destroy, or overthrow existing conditions is also a part of the picture. Be careful with sharp instruments or glass.

Dec 11, 2018 (Dec 9, 2018 to Dec 12, 2018)

Mars Trine Moon

Your feelings run hot now, and you are more likely to act on instinct, emotion, and impulse rather than reason. Your responses to life are passionate and also more natural, childlike, and direct. High-spirited physical play, lovemaking, or any activity that really involves you emotionally, such as a rock concert or a rousing football game, will be very gratifying to you now.

Dec 12, 2018 (Dec 10, 2018 to Dec 13, 2018)

Mars Sqr Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Dec 12, 2018 (Dec 11, 2018 to Dec 14, 2018)

Mars Sqr Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during

this period.

Dec 18, 2018 (Dec 16, 2018 to Dec 19, 2018)

Mars Trine Ven

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Dec 18, 2018 (Dec 14, 2018 to Dec 23, 2018)

Jup Sxtil MC

Cooperation and assistance in business relationships is high now and, consequently, significant growth and progress in your career is likely at this time. Communications and contacts in business and professional circles open up, with opportunities to expand your services and professional involvements. Take advantage of these opportunities because they will prove to be very beneficial. There is no need to take risks so avoid wild speculation; a very positive avenue for growth is available to you now. This growth and progress in career is very personally fulfilling and rewarding because the work is meaningful to you, not just a means of making money. Consequently you feel good about yourself and this spills over into a happy attitude towards your family. Improvements in your domestic life are also likely. Do not sit back and watch this influence pass you by; you may feel so comfortable that you do little to take full advantage of the opportunities.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Dec 18, 2018 (Dec 10, 2018 to Dec 27, 2018)

Sat Qucnx Merc

Interrupted, delayed, or frustrated communication will make this a trying time. You may experience lost or misdirected mail, messages which are forgotten or not relayed until it is too late, or breakdowns in cars or other forms of transportation. There are numerous minor fiascos and adjustments which have to be made.

Written agreements or verbal promises go awry, negotiations are painstaking or broken off altogether, and in general it would be better to postpone such matters. Your own reflexes or mental acuity may be slowed down now too.

Dec 22, 2018 (Dec 18, 2018 to Dec 27, 2018)

Jup Oppos Merc

You are talkative, optimistic, and philosophical during this period. You see things from a broader perspective, and you come into contact with people that you learn a great deal from. This is an excellent time for traveling, attending seminars, and exploring cultural and business functions that you usually overlook.

This is also an excellent time for public speaking and advertising. Your ideas come across well, and others respond enthusiastically. Business contracts or agreements, especially ones involving large-scale distribution or communications, are also successful.

There are some caveats however. Enthusiasm and optimism are high but you are also inclined to be a little unrealistic. Underestimating the time and effort required to implement one's plans is a common mistake under this astrological influence.

Dec 24, 2018 (Dec 23, 2018 to Dec 26, 2018)

Mars Sxtil Asc

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

Dec 25, 2018 (Dec 23, 2018 to Dec 26, 2018)

Mars Qucnx Sat

You seesaw between caution and impatience, which generates a great deal of stress and inner anguish. You may blame your feelings of oppression and barely contained hostility on an unjust situation, a corrupt society, or your childhood conditioning (any or all of which may be valid) but it is your choices and your own internal struggles which are the real issue at present. If you are feeling drained and discouraged at the end of the day, see how you can readjust your attitude. Right now, trying to do battle with the outside world will be like banging your head against a brick wall!

Sat Oppos Jup

At this point in your life you come to an impasse. A dead end blocks you from reaching some of your highest goals and ideals. Although this is very frustrating, you fortunately are likely to react with a degree of detachment and mental objectivity that allows you to consider alternative solutions to the problem in a logical way.

Typical things that may happen now are receiving a letter that notifies you that you were not accepted for a new job that you were extremely hopeful of getting or having an application for entrance to a college rejected. These rejections come about simply because your qualifications are not high enough. It may be true that others with similar qualifications are sometimes accepted, but at this time you will achieve only that for which you are solidly prepared. You may also encounter increased family responsibilities or financial obligations that make it impossible for you to follow the dreams you have been harboring.

You may encounter a person that is domineering or very critical of you at this time. Because you are a little unsure of yourself and not as confident as usual, domineering individuals see you as an easy "victim". Another negative possibility is that you will react to the problem by turning the tables and being bossy and domineering with others.

These obstacles, although frustrating, also help you discover a path that is appropriate for you. There is an excellent chance of discovering alternatives that are very suitable for you and actually offer a more direct route

to your goals. Ingenuity and resourcefulness are needed now to turn the situation around and make these discoveries. This is a difficult time and you can easily become discouraged, less motivated, and unwilling to bounce back. This is a sobering time when your limits are shown, but you must muster the strength to accept the situation and formulate a modification of your original plans.

Dec 26, 2018 (Dec 22, 2018 to Dec 31, 2018)

Jup Qucnx Jup

Challenges in the ethical, moral, or professional spheres lead you to reassess where you are investing your confidence, trust, time, and attention.

Fluctuating conditions make it difficult to feel secure. Your sense of what is worthy or true is shifting and you will have to make adjustments to accommodate a changing environment.

At this time, you cope with sudden increases and expansion, a vastly extended territory, and the demands of success in some arena of your life. You may find the transition from being "a big fish in a little pond" to "a little fish in a big pond" very trying. This can be a rewarding period if you avoid being overly optimistic or impractical and stay true to your moral standards.

Dec 27, 2018 (Dec 25, 2018 to Dec 28, 2018)

Mars Qucnx Mars

A sudden accident, trauma, violent outburst, or fever are possibilities now. If you have been withholding any animosity, not taking what you need for yourself, or been in any sort of ongoing battle with another, the stress is likely to become unbearable. You also tend to force yourself unmercifully now, which will backfire. You might sustain injuries in a competitive situation or "burn out".

Jan 4, 2019 (Dec 3, 2018 to Feb 3, 2019)

Plu Oppos Ven

Romance and sexuality are the key issues now. Your sexual drive is particularly strong now, and you are driven by a strong need to achieve a deeper level of fulfillment in your love relationships. At times during this time period you are not able to constrain your compulsive feelings, and you are prone to dispense with reason, logic, rational judgment, ethics, and taboos.

If you are not married or deeply involved with someone, it is likely that a love relationship will begin now. However, because your romantic and sexual drives are so strong, you may allow yourself to become involved with someone that you find attractive but are not compatible with on an intellectual level and with whom you share few interests and tastes. Try not to settle for this kind of compromise in your love relationships because you will later be faced with the predicament of unraveling the bonds you have formed, which is likely to be more difficult than you would imagine now.

If you are married or deeply involved with someone, then your relationship will undergo some changes now. There may be many changes, but typically, one of the following changes occurs in either or both of you: more demanding and less easily satisfied with the other person, more romantic, more flirtatious, less conventional, and more possessive. Issues of jealousy and possessiveness are likely to arise. The nature of the issues and changes that arise now depends on the changes needed in the relationship. Underlying all of these changes is the need for greater closeness and greater romantic and sexual fulfillment. The emotions and drives that arise now usually

arise without any apparent reason. This is a time of compulsive and irrational emotional drives! Avoid the tendency to be secretive. You may try to hide your feelings, repress your feelings, or develop extramarital affairs without your spouse's knowledge. Lying and hiding things from others only builds another layer of complexity onto the complex feelings that you are dealing with, and you will eventually regret your lack of honesty and openness.

Jan 11, 2019 (Jan 6, 2019 to Jan 16, 2019)

Jup Sxtil Plu

Cooperation with businesses, government agencies, organizations, and influential individuals is highlighted now. You will find that you can gain cooperation and support from authorities and bureaucracies that previously ignored your requests or advice. Organizations and influential people are also more willing to assist you in your personal plans and interests.

You may be called upon to be a representative of an organization or to assume a leadership role at this time. If so, you will perform this function very successfully.

Jan 14, 2019 (Jan 12, 2019 to Jan 15, 2019)

Mars Sxtil MC

Working energetically with a clear objective in mind, advancing your own professional goals, and enlisting others' support for your projects by acting as a leader are key issues now. Your superiors and others in authority respond favorably to your confidence and your willingness to take a risk or attack a problem in a new way.

Jan 15, 2019 (Jan 6, 2019 to Jan 23, 2019)

Sat Sxtil Ura

This is a positive time when your finest creative ideas or works find a positive outlet. Any creative or original suggestions that you make to employers, government agencies, or people in authority are met with interest and support. You have a particularly good ability at this time for introducing something original into an established setting in a pleasant, harmonious way that attracts success.

Peace can be brought about between conservative and liberal factions at this time. Parents and children experiencing a generation gap find that they can better understand and appreciate each other now. This is a good time to improve relations with any person or group that views you as either too wild and uncontrolled or as too rigid and conservative.

Your creative abilities are also highlighted, and you will find that some of your best creative work can be done now. Whether the pursuit is art, music, writing, scientific exploration, or any other creative endeavor, you will find that you are highly productive and imaginative now. Areas that require dexterity and good technique such as playing a musical instrument or painting are ones in which your performance is unusually skillful.

Jan 15, 2019 (Jan 14, 2019 to Jan 17, 2019)

Mars Sxtil Merc

You have a lot of mental energy and are eager to "attack" intellectual or conceptual problems. You are likely to come up with a clever solution or a very workable plan, especially if you brainstorm with others. You also tend to make up your mind very quickly and decisively now and to translate your ideas into action.

Jan 16, 2019 (Jan 15, 2019 to Jan 18, 2019)

Mars Sqr Jup

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

Jan 20, 2019 (Jan 18, 2019 to Jan 21, 2019)

Mars Qucnx Ura

You act very impulsively and may do something spontaneously that really upsets the status quo in your life. Daring and reckless, you act with fierce independence. All manner of accidents could result from this rash foolishness. You are apt to feel tense, "wired", cross, or out of control. You might wish to avoid traveling at this time.

Jan 21, 2019 (Jan 20, 2019 to Jan 23, 2019)

Mars Oppos Plu

Your personal ambitions and drive to assert yourself and make an impact on the world meet with considerable opposition now. Other people or external forces over which you have no control seem to subtly undermine your efforts - or try to overpower you altogether. You need to stand up for yourself, perhaps in a David-and-Goliath type of situation. If you have been unscrupulous or overly egotistical and selfish in your pursuits, you are likely to get your comeuppance now.

Jan 22, 2019 (Jan 17, 2019 to Jan 28, 2019)

Jup Qucnx Moon

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

Jan 23, 2019 (Jan 14, 2019 to Feb 1, 2019)

Sat Sqr Plu

Your personal aims, ambitions, and interests meet with unexpected obstacles at this time. Doors that you have been hoping would open are closing instead. The frustrations and obstacles can be deep enough to make you consider abandoning a pursuit or at least make very critical changes in your approach. Finances are tight now and others express little interest and enthusiasm for your ideas, so you have to be very resourceful.

You may reach a kind of identity crisis as you question the value of your deepest ambitions. You may decide that you cannot get what you want out of life, but you would be foolish to give up completely on the things that you love! There are lessons to be learned and changes that are needed, but abandoning what you love due to obstacles alone is not a good enough reason. You must find more effective ways to reach your goals, cut out waste and excess, and more sincerely express your interests. Success in things of importance requires dedication and belief in oneself even when the going gets rough.

You might find yourself getting into power struggles with others. You may try to force your will on others in an attempt to claim what you perceive as rightfully yours. Others may try to dominate and control you. If these problems occur, you need to take some time out from activities in order to think more deeply about your situation and gain a better grip on what is really important to you, and to better evaluate the situation.

Jan 24, 2019 (Jan 23, 2019 to Jan 26, 2019)

Mars Sqr Moon

At this time you are prone to irritability, temper tantrums, and flying off the handle for slim reasons. You are also impatient and inclined to rush unnecessarily, which can cause accidents or bruised feelings on the part of the people you live with or work closely with. You are in a fighting mood and stand up for your rights more readily than usual, but beware of the tendency to be abrasive and insensitive.

Jan 26, 2019 (Jan 24, 2019 to Jan 27, 2019)

Mars Trine Nep

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

Jan 26, 2019 (Jan 25, 2019 to Jan 28, 2019)

Mars Sxtil Sun

Your physical drive and energy level are high now, and you can accomplish a great deal fairly easily. You are inclined to take the initiative or to strike out on your own, and you are likely to be successful at what you attempt at this time. Because you assert yourself in a positive manner, a leadership role or an opportunity to do something you have wanted to do on your own is likely to be offered to you.

Jan 27, 2019 (Jan 21, 2019 to Feb 1, 2019)

Jup Conj Nep

Your mind wanders to faraway places, and your imagination is kindled with thoughts of the exotic, mystical, and fantastic. You feel restless and bored by your daily routine. You are unable to concentrate on mundane matters and you may find yourself daydreaming. This is a good time to vacation and travel.

A new surge of religious or spiritual aspiration is also evident. You feel a need to be more in touch with spiritual forces, and this is a good time for attending religious and spiritual functions, reading inspirational literature, etc. This is the time to open your mind and imagination to a grander vision and to inspire your highest aspirations. Allow yourself the time to pursue these interests.

Jan 29, 2019 (Jan 23, 2019 to Feb 3, 2019)

Jup Oppos Sun

During this time period, you feel like it is time to "go for the gold". You want to hit the jackpot, and you may find yourself walking with a little extra spring and bounce and whistling zippity-doo-dah! This is, indeed, a time of opportunity and good times. However, you also tend to harbor unrealistic hopes, exaggerate the possibilities, and lack a sense of realism.

Your need for fulfillment and success is strong, and you may splurge, run up a very high bill on your credit card, or take on a new monthly payment in order to obtain the possessions that you want. However, do not let material acquisitions be a substitute for the fulfillment derived from personal achievement and success. If you allow this to happen, you will regret your purchases and become inclined to feel depressed and empty after your buying spree.

You may also find your moods swinging from very high points of enthusiasm and optimism to low points of discontent and restlessness. This results from the increased need for success and fulfillment that you feel at this time. If you feel like you are not successful and you see no new doors opening for you, then you begin to feel emotionally depressed. However, the pep and zest of the astrological influence at work now will not keep you down for long, and you bounce back again.

This is a time to go after your dreams. Try not to feel disappointed if you do not find a pot of gold at the end of each rainbow. But keep looking because you certainly do have a little extra good luck on your side during this time period.

Jan 31, 2019 (Jan 30, 2019 to Feb 2, 2019)

Mars Sqr Ven

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

Feb 7, 2019 (Feb 6, 2019 to Feb 8, 2019)

Mars Trine Sat

Your concentration is excellent now and you are serious about your work. You want to focus on real accomplishment and avoid frivolity and distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time but, fortunately, they yield positive results in the long run.

Feb 9, 2019 (Feb 8, 2019 to Feb 11, 2019)

Mars Trine Mars

Self-confidence, physical energy, and courage run high, so this is a fine time to undertake any project or challenge that confronts you, especially if it involves competition or asserting yourself vigorously. You are inclined to take charge or assume a leadership role at this time.

Feb 11, 2019 (Feb 2, 2019 to Feb 21, 2019)

Sat Oppos Moon

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

Feb 19, 2019 (Feb 12, 2019 to Feb 27, 2019)

Jup Qucnx Ven

Overly generous gifts, profuse sentimentality, cravings for beauty, luxury, or sensual delights, giving in to the temptation to overindulge, or a lack of moderation in romantic or financial affairs are all definitely indicated now. There will be tension within you over these issues, and you are apt to seesaw between immediate gratification and more long lasting benefits.

Social events and festivities may be the scene of some embarrassment or awkwardness, also.

Feb 23, 2019 (Feb 13, 2019 to Mar 7, 2019)

Sat Qucnx Sun

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

Feb 27, 2019 (Feb 26, 2019 to Mar 1, 2019)

Mars Sqr MC

At this time your efforts to get ahead and advance your own interests are likely to be met with resistance or animosity. You seem overeager, pushy, inconsiderate, or too narrowly focused on your own objectives, so that you alienate the people who could help you. Try to do as much as you can on your own without trying to force others to agree with you or join you.

Mar 2, 2019 (Feb 28, 2019 to Mar 3, 2019)

Mars Sxtil Jup

Doors open and new opportunities for personal and professional growth present themselves. Any initiative or action you feel inclined to take at this time is likely to lead to a positive outcome for you. Partnerships or joining with others for mutual benefit is favored. Your energy level is high; this is a good time for athletics, especially team sports.

Mar 5, 2019 (Feb 5, 2019 to Mar 31, 2019)

Nep Trine Moon

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up "golden oldies" that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.

Mar 5, 2019 (Mar 4, 2019 to Mar 7, 2019)

Mars Oppos Ura

You are very bold and adventurous right now and you cannot tolerate delays, restrictions, or any form of authority that prevents you from behaving exactly as you please. Your drive for personal freedom and insistence on your rights is pressing, and a confrontation in which you have to stand up for yourself is likely. Rashness, sudden acts of anger or violence, and a tendency to try to do too much too fast are tendencies you need to carefully monitor at this time.

Mar 7, 2019 (Mar 5, 2019 to Mar 8, 2019)

Mars Qucnx Plu

You are willfully resistant to any outside pressure, manipulation, or authority at this time. A fateful encounter with an adversary, one that can neither be avoided nor ignored, is indicated. You seesaw between taking forthright, direct action and using more covert, subtle methods. A desire to break down, destroy, or overthrow existing conditions is also a part of the picture. Be careful with sharp instruments or glass.

Mar 10, 2019 (Mar 8, 2019 to Mar 11, 2019)

Mars Sxtil Moon

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

Mar 11, 2019 (Mar 10, 2019 to Mar 13, 2019)

Mars Qucnx Nep

You seesaw between decisive, forceful action and passive surrender. This ambivalence makes you much less effective than you would be at other times. Emotions and dreams are apt to be rather turbulent, filled with strange restlessness or discontent. Try not to demand too much of yourself at this time. You are prone to infection and, on an emotional level, to getting discouraged.

Mar 17, 2019 (Mar 15, 2019 to Mar 18, 2019)

Mars Sxtil Ven

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. It's not enough for you to simply feel loving toward another; at this time you really want to express it and show it physically. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

Mar 24, 2019 (Mar 22, 2019 to Mar 25, 2019)

Mars Conj Asc

You come across assertively, competitively, and energetically now, so much so that you may arouse others' animosity. You don't want to slow down or accommodate other people's needs and resent it hotly if your own desires have to take a back seat to others' will and wishes.

This is a time for positive, decisive action on your part, forging ahead, taking the initiative. Try not to do so in a completely insensitive, arrogant manner as this will almost certainly work against you.

Mar 24, 2019 (Mar 22, 2019 to Mar 25, 2019)

Mars Sqr Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't

demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Mar 26, 2019 (Mar 25, 2019 to Mar 28, 2019)

Mars Sqr Mars

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

Mar 27, 2019 (Mar 1, 2019 to Apr 27, 2019)

Nep Sqr Nep

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

Apr 5, 2019 (Mar 9, 2019 to May 10, 2019)

Nep Sqr Sun

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings. Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation, engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

Apr 10, 2019 (Apr 4, 2019 to Apr 16, 2019)

jup trine sat

You feel the desire to make several minor, but significant, adjustments in your work. For example, if you are engaged in a business activity, you may discontinue some advertising, use new sources for various services that you use, assign new tasks to employees, change advertising to appeal to a new market, make changes in the product line, etc. The worst mistake you can make at this time is to procrastinate and not act on your ideas! At this time you have an excellent sense of balance and proportion and how to efficiently meet goals and objectives, and you should utilize this sensitivity to improve upon existing situations.

These qualities are evident in your personal life as well. You are likely to clean out your closets, reorganize, and also discover new opportunities for growth and enrichment. You may find a business or agency that is interested in a hobby of yours, or a group of people may express interest in an area that you have a lot of experience with. Do not let opportunities pass you by. This is a harmonious and pleasant time for you and one which can also bring some especially nice opportunities to you.

You may decide to further your education or receive additional training at this time. This training will prove to be a valuable asset for you so take advantage of this opportunity.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

Unexpected increases or overexpansion creates inconvenience and stress at this time. Too many opportunities for social, professional, or community involvements can leave you feeling overwhelmed and stretched to the breaking point. This need not be troublesome if you are willing to decline some of the invitations and potential for growth which are offered now. Undue restlessness, insatiability, or a desire for something out of your present grasp is also likely.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Apr 13, 2019 (Apr 12, 2019 to Apr 15, 2019)

Mars Trine MC

You can make your influence felt at this time and any efforts you make to advance your career or other important long-range goals will be very effective. Independent action, self-reliance, or taking on more of a leadership position are favored now. You have the green light!

Apr 15, 2019 (Apr 13, 2019 to Apr 16, 2019)

Mars Conj Merc

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are even inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to "attack" intellectual or mental work.

Apr 20, 2019 (Apr 18, 2019 to Apr 21, 2019)

Mars Qucnx Ura

You act very impulsively and may do something spontaneously that really upsets the status quo in your life. Daring and reckless, you act with fierce independence. All manner of accidents could result from this rash foolishness. You are apt to feel tense, "wired", cross, or out of control. You might wish to avoid traveling at this time.

Apr 21, 2019 (Apr 19, 2019 to Apr 23, 2019)

Mars Trine Plu

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Mars Oppos Nep

At this time your interactions with others and with the outside world in general can be confusing, devitalizing, and discouraging. It seems that whatever you try to do goes nowhere or gets lost in a haze of misunderstanding. This is not a good time to try to toot your own horn or attempt to get personal recognition for your efforts. Taking time off, working quietly, or doing something primarily for the benefit of others without concern for personal gain is favored at this time.

Apr 26, 2019 (Apr 24, 2019 to Apr 28, 2019)

Mars Conj Sun

You experience a burst of energy and are more vigorous, bold, assertive, and impatient at this time. You feel ambitious and capable of doing a lot and meeting challenges successfully. However, if your will is blocked, you become quite angry now. You are less willing to accommodate others and meet people halfway. Your ego-drive and competitiveness are very strong.

A difficult time in love relationships is virtually unavoidable at this time. Areas which you have neglected in your relationship come back to haunt you now. For example, if you have been inconsiderate, domineering, or forgetful of the other person's needs, you may find that your mate is now completely tired of trying to coerce you into cooperating, and a feeling of distance develops in the relationship. You are likely to find that you now need

to devote more time to helping the other person and giving more to the other person, rather than simply enjoying his/her company and taking him/her for granted.

During this time period you attempt to "restructure" your love relationship. Traits in the other person that previously were minor annoyances now seem like major obstacles. You become very picky about the other person, and you see him/her as too demanding or too independent, too domineering or too passive, lacking in romance and style, or else too mushy and corny. You are very difficult to please now because you've decided what you want in your relationship and you want it now. Your mate may be pressuring you in a similar way to act differently. You must come to grips with what you really want in a relationship and whether the relationship you are in is right for you. If you become sufficiently frustrated, a separation will occur or you will become increasingly lonely, feeling distant from others and unfulfilled in your love needs. On the other hand, if the two of you feel like you have found what you are looking for, then the relationship will become even stronger and the commitment to support and help each other even greater.

Self-discipline, training, persevering through a dry or slow period, and working quietly or in meager circumstances are themes in this time period. You have the ability and stamina to concentrate, to work carefully and thoroughly, and to accomplish something modest, yet of real practical value and substance now.

Mars Qucnx MC

Disputes over work, career, professional reputation, and long-range personal goals are indicated. Premature action, showing your cards too soon, or inability to rely on co-workers or suppliers can cause much aggravation. You may somehow threaten your superiors or others who are influential in helping you gain your objectives. Biding your time would be better in the long run, though right now it may rile you.

May 31, 2019 (May 23, 2019 to June 8, 2019)

Jup Qucnx Ven

Overly generous gifts, profuse sentimentality, cravings for beauty, luxury, or sensual delights, giving in to the temptation to overindulge, or a lack of moderation in romantic or financial affairs are all definitely indicated now. There will be tension within you over these issues, and you are apt to seesaw between immediate gratification and more long lasting benefits.

Social events and festivities may be the scene of some embarrassment or awkwardness, also.
