Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value.

***Ven Oppos Asc***

This is a very positive time in your marriage or closest one-to-one relationships. Your need to be together and to share loving feelings is very strong. *January 2 to January 4, 2019 (2 days) peaking Thursday*

*January 3 to January 5, 2019 (2 days) peaking Friday*

***Sun Sqr Plu***

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

*January 3 to January 5, 2019 (2 days) peaking Friday*

***Ven Sqr Mars***

Tangles in romantic relationships are likely now. Your sexual drive is quite strong, and you may be more concerned with satisfying your own desires than in being sensitive to your partner. All interactions with people of the opposite sex are inclined to be tense right now.

### **Influences starting this week**

*January 1 to January 27, 2019 (26 days) peaking Wednesday*

***Sun 9th H***

This is a time to lift yourself out of your usual mundane concerns in order to get a larger perspective on your life. A teacher or mentor may be particularly important to you now.

*January 5 to January 7, 2019 (2 days) peaking Sunday*

***Sun Oppos Moon***

Your feelings, emotional needs, and desires for closeness and a sense of belonging come to the fore now. You give your home, personal relationships, and inner life more attention. Problems you may have been avoiding

in these areas are brought into focus.

*January 6 to January 8, 2019 (2 days) strengthening*

***Sun Qucnx Sun***

At this time you may feel out of your element or out of sync with yourself or your surroundings. Interference from others requires adjustment and perhaps sacrifice on your part. What you have to offer or want to do doesn't mesh well with what seems to be necessary. While not a full blown crisis, it is a time of strain and tension, which can be somewhat debilitating to your health. A partial retreat in order not to deplete yourself and your strength is beneficial right now. You may be upstaged by other people or events which occur now.

*January 6 to January 16, 2019 (10 days) strengthening*

***Jup Sxtil Plu***

You may be called upon to be a representative of an organization or to assume a leadership role at this time. If so, you will perform this function very successfully.

*January 6 to January 23, 2019 (17 days) strengthening*

***Sat Sxtil Ura***

This is a positive time when your finest creative ideas or works find a positive outlet. Any creative or original suggestions that you make to employers, government agencies, or people in authority are met with interest and support. You have a particularly good ability at this time for introducing something original into an established setting in a pleasant, harmonious way that attracts success.

Peace can be brought about between conservative and liberal factions at this time. Parents and children experiencing a generation gap find that they can better understand and appreciate each other now. This is a good time to improve relations with any person or group that views you as either too wild and uncontrolled or as too rigid and conservative.

Your creative abilities are also highlighted, and you will find that some of your best creative work can be done now. Whether the pursuit is art, music, writing, scientific exploration, or any other creative endeavor, you will find that you are highly productive and imaginative now. Areas that require dexterity and good technique such as playing a musical instrument or painting are ones in which your performance is unusually skillful.

### **Influences ending this week**

*December 30 to January 1, 2019 (2 days) peaking Monday*

***Sun Qucnx Merc***

Communications are delayed or interfered with now. Somehow, the message you intended and the one that was received or perceived are not quite the same. There is quite a bit of static on the line, metaphorically and quite possibly literally as well. You also find that the way others talk or try to convey their ideas is grating and just goes against your grain. Try not to let their minor irritations get blown out of proportion. Most likely it is style rather than substantive disagreements which cause tension now.

*December 22 to December 31, 2018 (9 days) weakening*

***Jup Qucnx Jup***

## Mahala's Astrology Report Service

Challenges in the ethical, moral, or professional spheres lead you to reassess where you are investing your confidence, trust, time, and attention.

Fluctuating conditions make it difficult to feel secure. Your sense of what is worthy or true is shifting and you will have to make adjustments to accommodate a changing environment.

At this time, you cope with sudden increases and expansion, a vastly extended territory, and the demands of success in some arena of your life. You may find the transition from being a big fish in a little pond to a little fish in a big pond very trying. This can be a rewarding period if you avoid being overly optimistic or impractical and stay true to your moral standards.

*December 17 to January 3, 2019 (17 days) weakening*

**Sat Oppos Jup**

At this point in your life you come to an impasse. A dead end blocks you from reaching some of your highest goals and ideals. Although this is very frustrating, you fortunately are likely to react with a degree of detachment and mental objectivity that allows you to consider alternative solutions to the problem in a logical way.

Typical things that may happen now are receiving a letter that notifies you that you were not accepted for a new job that you were extremely hopeful of getting or having an application for entrance to a college rejected. These rejections come about simply because your qualifications are not high enough. It may be true that others with similar qualifications are sometimes accepted, but at this time you will achieve only that for which you are solidly prepared. You may also encounter increased family responsibilities or financial obligations that make it impossible for you to follow the dreams you have been harboring.

You may encounter a person that is domineering or very critical of you at this time. Because you are a little unsure of yourself and not as confident as usual, domineering individuals see you as an easy victim. Another negative possibility is that you will react to the problem by turning the tables and being bossy and domineering with others.

These obstacles, although frustrating, also help you discover a path that is appropriate for you. There is an excellent chance of discovering alternatives that are very suitable for you and actually offer a more direct route to your goals. Ingenuity and resourcefulness are needed now to turn the situation around and make these discoveries. This is a difficult time and you can easily become discouraged, less motivated, and unwilling to bounce back. This is a sobering time when your limits are shown, but you must muster the strength to accept the situation and formulate a modification of your original plans.

*December 12 to January 5, 2019 (24 days) weakening*

**Sun 8th H**

Joint financial affairs and investments are likely to be an issue at this time, and it is a good time to clarify each party's expectations and to take care of legal business, insurance, wills, and so on.

On a personal level, there is a desire to intensify the level of intimacy and honesty in your closest relationships and to clear away anything which is impeding the deeper union you seek.

### **Influences spanning the entire week**

*December 29 to January 14, 2019 (16 days) weakening*

**Merc 8th H**

## Mahala's Astrology Report Service

Communication and negotiations regarding joint finances, shared assets and investments, and property or anything else you own in common with another person, are likely now. It is a good time to get such affairs in order. Discussions about death are also likely to arise, both over legalities (wills, inheritances, and so on), and the more emotional, personal aspects of it.

*December 3 to February 3, 2019 (62 days) peaking Friday*

*Plu Oppos Ven*

*September 11 to February 2, 2019 (144 days) weakening*

*Nep Qucnx Plu*

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
