April 5 to September 7, 2018 (155 days) weakening

Nep Trine Moon

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up golden oldies that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.
