

The Weekly Advanced Forecast Report for

Joe Doe

This report was generated from parsing your Advanced Forecast Report (by Ronco, Jawer, and Hajjar) in order to find the aspects of influence for the following time period. The information is grouped in four sections: Influences within the week, influences that start during the week, influences that end during the week and influences that span more than the week. Aspects that have a peak influence during the week are highlighted. Basic sorting is by aspect start date.

Sunday August 12 to Saturday August 18, 2018.

Influences contained within the week

August 12 to August 16, 2018 (4 days) peaking Monday

Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

August 14 to August 16, 2018 (2 days) peaking Wednesday

Ven Trine MC

Your friendly concern for others and your willingness to meet people half way benefits your career, reputation, or public image at this time. This is a favorable time to socialize with people you have professional ties with since the positive feelings you generate now are likely to be an aid to you in the future. Beautifying the place where you meet the public and an increased concern about your own physical appearance are also brought out now.

August 15 to August 17, 2018 (2 days) peaking Thursday

Ven Trine Merc

This is a good time to schedule social activities or even business meetings where tact and friendliness would be a plus. You act as a diplomat and harmonizer between people with differing viewpoints. Also, attending cultural events such as an art show or a play is favored. Thoughts of love, an appreciation for beauty, and an aesthetic enjoyment of your surroundings are brought to the fore. A short pleasure trip would also be beneficial now.

August 16 to August 18, 2018 (2 days) peaking Friday

Ven Sqr Jup

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

Influences starting this week

August 14 to August 31, 2018 (17 days) strengthening

Jup Trine Moon

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging

Mahala's Astrology Report Service

around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just fall in your lap. Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

August 17 to August 19, 2018 (2 days) peaking Saturday

Sun Sqr Asc

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

August 17 to August 19, 2018 (2 days) peaking Saturday

Sun Conj Sat

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

August 18 to August 21, 2018 (3 days) strengthening

Sun Conj Mars

You feel energetic, confident, and assertive now, and are less inclined to be patient with others' needs and demands. You may become angry if your will is blocked or if you have to adjust your vigorous pace to others' slower tempo.

This is an excellent time to take the initiative or to begin a project that you have been considering. ACTION is the theme for today. If you tend to be hot-tempered, this is aggravated now, and you can be quite pugnacious. If you are a more relaxed, easy-going person, you will simply feel more energy and drive than usual.

Influences spanning the entire week

July 31 to August 31, 2018 (31 days) weakening

Sun 4th H

Your domestic affairs, family relationships, and most intimate personal life are the focus of your attention now. This is a time to do what you can to build trust in your family life and a strong foundation within yourself, so that regardless of what you meet in the outside world, you have a secure place to return to. If you are of a contemplative nature, now is an ideal time to meditate and reflect. Your home is very important to you now also, and this is a good time to give it extra attention.

July 16 to August 22, 2018 (37 days) weakening

Ven 5th H

You are feeling inspired creatively and romantically and you express your loving feelings quite openly now. Creative self-expression of any kind is favored at this time. You will also thoroughly enjoy artistic, musical, or cultural events and activities, especially in the company of a loved one.

Mahala's Astrology Report Service

April 5 to September 7, 2018 (155 days) weakening

Nep Trine Moon

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up golden oldies that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.
