Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

may, however, not feel like working very intensively. A pleasant break from routine, even a short vacation, would be appropriate now.

*August 23 to August 26, 2018 (3 days) peaking Saturday*

***Merc Sxtil Plu***

You are fascinated by the mysterious now. Unsolved or puzzling problems and the hidden or behind the scenes aspects of a situation interest you most, and you delve and probe until you discover the truth. An interest in psychology or other peoples' secrets comes to the fore. You enjoy spy, mystery, and supernatural stories.

*August 24 to September 8, 2018 (15 days) strengthening*

***Jup Qucnx Sun***

Carefully assess the cost of your actions and decisions at this time, as you are prone to be overconfident, inflated, or foolishly optimistic. Investments, sales, or financial decisions are best postponed for a more favorable time. You can be wasteful or overlook crucial details that will come as a sobering surprise later on.

Weight gain and/or sluggishness due to overindulgence also need to be guarded against.

### **Influences ending this week**

*August 17 to August 19, 2018 (2 days) weakening*

***Sun Sqr Asc***

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

*August 17 to August 19, 2018 (2 days) weakening*

***Sun Conj Sat***

You are serious and disinclined to frivolous or inconsequential activity. It's a time best spent working alone, structuring and organizing your life in some way, and focusing on whatever tasks (however distasteful or tedious) that you really need to do. You feel like withdrawing from people and find social situations unfulfilling or wasteful. Your vitality and your spirits are somewhat dampened.

*August 18 to August 21, 2018 (3 days) peaking Sunday*

***Sun Conj Mars***

You feel energetic, confident, and assertive now, and are less inclined to be patient with others' needs and demands. You may become angry if your will is blocked or if you have to adjust your vigorous pace to others' slower tempo.

This is an excellent time to take the initiative or to begin a project that you have been considering. ACTION is the theme for today. If you tend to be hot-tempered, this is aggravated now, and you can be quite pugnacious. If you are a more relaxed, easy-going person, you will simply feel more energy and drive than usual.

### **Influences spanning the entire week**

*August 14 to August 31, 2018 (17 days) peaking Thursday*

***Jup Trine Moon***

Your mood is easygoing, agreeable, and tolerant at this time. In fact, you may feel downright lazy! Lounging around at home and relaxing or perhaps unwinding at the beach or lake appeals to you. If you are normally very high-strung, then take advantage of this time to recuperate, relax, and rejuvenate. If you normally tend to be lethargic, then try to maintain at least a modest activity level by going for walks or bicycling, for example, during this time period.

At the least, this will be a pleasant time for you. Harmonious, pleasant relationships and surroundings seem to just fall in your lap. Otherwise, the astrological influence at work here does not promise to make this a particularly eventful time (unless, of course, other astrological influences augment this one).

*July 31 to August 31, 2018 (31 days) weakening*

***Sun 4th H***

Your domestic affairs, family relationships, and most intimate personal life are the focus of your attention now. This is a time to do what you can to build trust in your family life and a strong foundation within yourself, so that regardless of what you meet in the outside world, you have a secure place to return to. If you are of a contemplative nature, now is an ideal time to meditate and reflect. Your home is very important to you now also, and this is a good time to give it extra attention.

*April 5 to September 7, 2018 (155 days) weakening*

***Nep Trine Moon***

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up golden oldies that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.
