October 9 to October 14, 2018 (5 days) peaking Friday

Mars Qucnx Jup

You seesaw between optimism and impatience, between faith that everything is working out and a restless desire to take immediate action. Philosophical discussions are apt to become heated. Avoid pompousness, arrogance, and intolerance. You will neither win freedom nor influence people that way! Proselytizing or self promotion can lead to estrangement now. A lack of caution and overenthusiasm are pitfalls for you at present.

October 12 to October 18, 2018 (6 days) strengthening

Ven Sqr MC

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

October 12 to October 21, 2018 (9 days) strengthening

Jup Oppos Asc

You come into contact with a wider circle of people at this time. You may become friends or develop an association with an influential person or someone that can help you a great deal. This is an excellent time for advertising, promotion of a product or event, and mass media communications. This is the time to get out and meet people. You should accept most invitations to attend social events of any kind because you may be surprised to find that you form important, mutually beneficial relationships.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

October 12 to October 22, 2018 (10 days) strengthening

Jup Sqr Sat

Significant changes and opportunities face you at this time but making the correct decision about what to do is not easy. This is a period of critical decisions and transition. A major change in your life can occur now (new job, relocating, ending a long-term relationship or beginning a new one, etc.). In fact, it is not unusual for several important changes of this nature to be occurring. Unfortunately, you find it difficult to decide whether to go along with the new opportunities or even push harder to make changes occur, or whether to try to maintain the old, familiar life style, routines, and surroundings.

One side of you is impatient to make some major changes. You are tired of the same old routine and life style. You want to break free and get things really moving. You feel there is much more to life, and you are not growing and living as fully as you ought to be. The other side of you is wary of the changes; they may just be pipe dreams and simply lead to considerable stress and disappointment. Underlying all this is the nagging question of what you really value and whether the new opportunities are more worthwhile than your current involvements. Unfortunately, no one can make the decisions for you, and you have to sort things out for yourself.

Clearly, YOU MUST MAKE SOME CHANGES. Letting things remain as they are will lead to stagnation. On

the other hand, you must be careful that the changes you make will bring the **THINGS THAT YOU REALLY WANT**. For example, if you accept a new job only because it brings more money, but you must sacrifice other benefits of your current life style, then you may find afterward that the increase in income was not worth the sacrifices. If you are not honest with yourself or if you place too much value on things that are really of secondary importance, then you will make the wrong decision.

Another problem for you now is how to meet all of your obligations while having time to do the things you want. Your responsibilities are probably similar to those of most people: to family members, to pay the bills, etc. At this critical time you can find new ways to meet these obligations while allowing yourself more time to do the things you want to do. At the least, you will find that you can rearrange your life and make some significant changes in your daily routine, which are big steps towards leading a more fulfilling life. You may also decide that a more radical change in life style is warranted (new job, relocation, etc.). It is up to you to decide what is really important and how to best balance all aspects of your life. If you are creative, honest with yourself, and willing to go through some adjustments, you will come out much better when this astrological influence is over.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

October 12 to February 27, 2019 (138 days) strengthening

Jup 7th H

Harmony and increased satisfaction in your marriage and in your personal interactions in general are very likely, perhaps because you are more tolerant, generous, and unpossessive than usual. However, you are also feeling a strong need not to be restricted or possessed by others either, for you sense that many people have something of value to offer you and you do not want to limit your world to just a few. Expanding your social involvement and meeting new people appeal to you more than ever.

October 13 to October 15, 2018 (2 days) strengthening

Sun Sqr Ven

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Influences ending this week

October 6 to October 7, 2018 (1 days) peaking Sunday

Merc Qucnx Asc

This is a time when short trips, excursions, errands, etc. are interfered with. You will have to adjust your plans or appointments to accommodate an inconvenience. You may also have to re-examine some matter you believed to have already been concluded and resolved. Negotiations are apt to be strained and awkward, although direct confrontation is unlikely.

October 6 to October 8, 2018 (2 days) peaking Sunday

Merc Sxtil Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

October 6 to October 8, 2018 (2 days) peaking Sunday

Sun Conj Plu

Something which has been lost or hidden may come to light now. Secrets, long-buried feelings and desires, or skeletons in the closet could be revealed. This is also a time when you can easily go to extremes. You become deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now.

October 5 to October 10, 2018 (5 days) peaking Monday

Mars Conj MC

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first or to be on top is quite possible, but you won't take it lying down. You are ready to fight if necessary in order to forge ahead!

Influences spanning the entire week

October 6 to October 15, 2018 (9 days) peaking Friday

Ven Qucnx Merc

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.

September 27 to October 13, 2018 (16 days) weakening

Ven Trine Jup

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

September 29 to October 27, 2018 (28 days) weakening

Merc 6th H

Thinking, reading, and learning about how to improve your work, or some aspect of it, is on the agenda now. You may learn a new technique. Discussions with co-workers, employers, and employees are likely to be fruitful, and minor but beneficial changes are likely to result.

Talking about any health concerns you may have, (with someone knowledgeable) is also helpful at this time.

October 5 to November 28, 2018 (54 days) peaking Monday

Mars 10th H

You are strongly motivated to achieve your professional goals and get personal recognition for your efforts, and competitive energies run high. Ego conflicts, especially with those in authority or who have some bearing on your career life, may arise. Try to control or temper your ambition with consideration for others.

Your urge to act and to do is so strong that you are prone to rush and to try to force your will in situations where waiting may be more appropriate.

September 11 to February 2, 2019 (144 days) strengthening

Nep Qucnx Plu

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
