Sunday October 14 to Saturday October 20, 2018.

**Influences contained within the week**

*October 14 to October 18, 2018 (4 days) peaking Tuesday*

***Mars Sqr Ura***

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

*October 15 to October 16, 2018 (1 days) peaking Monday*

***Merc Sqr MC***

This is a time for you to speak out about your thoughts or concerns regarding your work or professional matters. Communication with your superiors or with people in authority who are in a position to consider and act on your ideas comes to the fore now.

*October 16 to October 18, 2018 (2 days) peaking Wednesday*

***Merc Trine Jup***

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

*October 16 to October 20, 2018 (4 days) peaking Thursday*

***Mars Trine Plu***

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

*October 17 to October 19, 2018 (2 days) peaking Thursday*

***Sun Qucnx Asc***

At this time, you may need to acquiesce, accommodate, or make adjustments for other people for the sake of expediency. That is, it will be less strain to step aside than to tangle with the opposition. You may be humbled now, see the flaws in your course of action or your attitude towards a situation, and remedy some of your

errors. If you are unwilling to do this, a general sense of static or dissonance both within and without is likely.

*October 17 to October 19, 2018 (2 days) peaking Thursday*

***Sun Sxtil Sat***

Your ability to concentrate and focus on your work is very good now. This is a time to attend to details, take care of practical business, and to make your life more stable and secure. It would be beneficial to consult advisors on investments and long-range plans and to put your affairs in order. Eliminating waste and inefficiency is important to you now.

*October 18 to October 19, 2018 (1 days) peaking Thursday*

***Merc Conj Ura***

Your mental processes are speeded up now. You grasp new concepts very easily, but you tend to be impatient with slower minds or the usual, predictable routine. Nervous restlessness, impulsive or erratic behavior or speech, rushing, or coming to a conclusion too quickly are likely at this time.

### **Influences starting this week**

*October 19 to October 21, 2018 (2 days) peaking Saturday*

***Sun Sxtil Mars***

Your vitality and courage are strong now and you are eager to meet challenges. You can accomplish a great deal of work, especially if it involves physical effort. If you are active in sports, you will be especially competitive and vigorous now. Self-confidence is high.

*October 20 to October 21, 2018 (1 days) peaking Saturday*

***Merc Trine Moon***

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

*October 20 to October 22, 2018 (2 days) strengthening*

***Merc Qucnx Sun***

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

*October 20 to October 24, 2018 (4 days) strengthening*

***Mars Qucnx Moon***

Domestic disputes caused by interference from outside agents are indicated. For example, you may be bringing work home with you and then unconsciously venting your hidden resentments and frustrations on innocent people.

You are subject to fevers or infections now, fueled in part by emotional irritability. Letting off steam in whatever nondestructive ways you know would be very beneficial.

*October 20 to October 29, 2018 (9 days) strengthening*

***Jup Sqr Mars***

## Mahala's Astrology Report Service

You are bold, daring, and enterprising during this time. You feel hemmed in by present circumstances and feel an uncontrollable urge to enlarge your vistas. Your restless need to accomplish more and break free of present limitations may inspire you to seek a new job, look at new places to live that offer more opportunities, increase advertising of products that you market, or peruse business opportunities in your local area.

Because you feel restless and impatient, you may make an important decision too hastily, only to regret it afterward. You should not dampen your enthusiasm or restrain your search for new vistas, but do make sure you slow down enough to investigate the details in a sober and realistic manner before committing yourself to a new venture.

Physical energy is very high now, and you enjoy vigorous activities at this time. However, be careful not to go overboard, particularly if you have a health problem or your body is not in good enough shape to handle the exertion.

### Influences ending this week

*October 13 to October 15, 2018 (2 days) peaking Sunday*

***Sun Sqr Ven***

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

*October 9 to October 14, 2018 (5 days) weakening*

***Mars Qucnx Jup***

You seesaw between optimism and impatience, between faith that everything is working out and a restless desire to take immediate action. Philosophical discussions are apt to become heated. Avoid pompousness, arrogance, and intolerance. You will neither win freedom nor influence people that way! Proselytizing or self promotion can lead to estrangement now. A lack of caution and overenthusiasm are pitfalls for you at present.

*October 12 to October 18, 2018 (6 days) peaking Monday*

***Ven Sqr MC***

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

*October 6 to October 15, 2018 (9 days) weakening*

***Ven Qucnx Merc***

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.

### Influences spanning the entire week

*October 12 to October 21, 2018 (9 days) peaking Wednesday*

***Jup Oppos Asc***

You come into contact with a wider circle of people at this time. You may become friends or develop an association with an influential person or someone that can help you a great deal. This is an excellent time for advertising, promotion of a product or event, and mass media communications. This is the time to get out and

meet people. You should accept most invitations to attend social events of any kind because you may be surprised to find that you form important, mutually beneficial relationships.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

*October 12 to October 22, 2018 (10 days) peaking Wednesday*

*Jup Sqr Sat*

Significant changes and opportunities face you at this time but making the correct decision about what to do is not easy. This is a period of critical decisions and transition. A major change in your life can occur now (new job, relocating, ending a long-term relationship or beginning a new one, etc.). In fact, it is not unusual for several important changes of this nature to be occurring. Unfortunately, you find it difficult to decide whether to go along with the new opportunities or even push harder to make changes occur, or whether to try to maintain the old, familiar life style, routines, and surroundings.

One side of you is impatient to make some major changes. You are tired of the same old routine and life style. You want to break free and get things really moving. You feel there is much more to life, and you are not growing and living as fully as you ought to be. The other side of you is wary of the changes; they may just be pipe dreams and simply lead to considerable stress and disappointment. Underlying all this is the nagging question of what you really value and whether the new opportunities are more worthwhile than your current involvements. Unfortunately, no one can make the decisions for you, and you have to sort things out for yourself.

Clearly, YOU MUST MAKE SOME CHANGES. Letting things remain as they are will lead to stagnation. On the other hand, you must be careful that the changes you make will bring the THINGS THAT YOU REALLY WANT. For example, if you accept a new job only because it brings more money, but you must sacrifice other benefits of your current life style, then you may find afterward that the increase in income was not worth the sacrifices. If you are not honest with yourself or if you place too much value on things that are really of secondary importance, then you will make the wrong decision.

Another problem for you now is how to meet all of your obligations while having time to do the things you want. Your responsibilities are probably similar to those of most people: to family members, to pay the bills, etc. At this critical time you can find new ways to meet these obligations while allowing yourself more time to do the things you want to do. At the least, you will find that you can rearrange your life and make some significant changes in your daily routine, which are big steps towards leading a more fulfilling life. You may also decide that a more radical change in life style is warranted (new job, relocation, etc.). It is up to you to decide what is really important and how to best balance all aspects of your life. If you are creative, honest with yourself, and willing to go through some adjustments, you will come out much better when this astrological influence is over.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

*September 29 to October 27, 2018 (28 days) weakening*

*Merc 6th H*

Thinking, reading, and learning about how to improve your work, or some aspect of it, is on the agenda now. You may learn a new technique. Discussions with co-workers, employers, and employees are likely to be fruitful, and minor but beneficial changes are likely to result.

## Mahala's Astrology Report Service

Talking about any health concerns you may have, (with someone knowledgeable) is also helpful at this time.

*October 7 to November 17, 2018 (41 days) weakening*

***Sun 6th H***

Doing your best work and taking pride in it are a focus for you now. This is a good time to examine how you use your time and energy, with an eye to improving your efficiency and productivity.

Health matters are also a concern of yours now, and you may be inspired to begin a self-improvement program, create better health habits, or begin a new diet or fitness regimen.

*October 5 to November 28, 2018 (54 days) weakening*

***Mars 10th H***

You are strongly motivated to achieve your professional goals and get personal recognition for your efforts, and competitive energies run high. Ego conflicts, especially with those in authority or who have some bearing on your career life, may arise. Try to control or temper your ambition with consideration for others.

Your urge to act and to do is so strong that you are prone to rush and to try to force your will in situations where waiting may be more appropriate.

*October 12 to February 27, 2019 (138 days) peaking Wednesday*

***Jup 7th H***

Harmony and increased satisfaction in your marriage and in your personal interactions in general are very likely, perhaps because you are more tolerant, generous, and unpossessive than usual. However, you are also feeling a strong need not to be restricted or possessed by others either, for you sense that many people have something of value to offer you and you do not want to limit your world to just a few. Expanding your social involvement and meeting new people appeal to you more than ever.

*September 11 to February 2, 2019 (144 days) strengthening*

***Nep Qucnx Plu***

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
