Influences contained within the week

October 22 to October 26, 2018 (4 days) peaking Wednesday

Mars Sxtil Nep

This is not a period when you feel like pushing your own interests or one in which you are especially energetic. Other people's concerns and needs receive more attention from you now, and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

October 23 to October 25, 2018 (2 days) peaking Wednesday

Merc Trine Ven

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card, write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

October 23 to October 26, 2018 (3 days) peaking Wednesday

Mars Trine Sun

Your vitality and self-confidence are high, and you can achieve your goals with much more ease than usual. You enjoy vigorous physical activities, competitive work or sports, and meeting challenges. You are inclined to strike out on your own and to assert your own will, but not in a way that creates resistance in others.

Influences starting this week

October 26 to October 28, 2018 (2 days) peaking Saturday

Merc Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

October 26 to October 28, 2018 (2 days) peaking Saturday

Merc Oppos Asc

Conversations with your partners and friends are critical now. This is a time for you to really listen and learn from others. If there is some matter you are concerned with, now is an excellent time to consult a professional or even a good friend that can give helpful feedback. You need other people's ideas and opinions now.

October 26 to December 30, 2018 (65 days) peaking Saturday

Merc 7th H

At this time you need and seek out the opinions, advice, and counsel of others, realizing that an objective or opposing point of view helps you clarify your own thoughts. You may find others playing devil's advocate in your discussions.

Talking with your mate, business partner, or other close associates is likely to be helpful now, and you may be able to negotiate some agreement or come to some resolution of a problem you've been having. You're likely to be more fair and detached at this time.

October 27 to October 29, 2018 (2 days) strengthening

Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

Influences ending this week

October 20 to October 21, 2018 (1 days) weakening

Merc Trine Moon

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

October 19 to October 21, 2018 (2 days) weakening

Sun Sxtil Mars

Your vitality and courage are strong now and you are eager to meet challenges. You can accomplish a great deal of work, especially if it involves physical effort. If you are active in sports, you will be especially competitive and vigorous now. Self-confidence is high.

October 20 to October 22, 2018 (2 days) peaking Sunday

Merc Qucnx Sun

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

October 20 to October 24, 2018 (4 days) peaking Monday

Mars Qucnx Moon

Domestic disputes caused by interference from outside agents are indicated. For example, you may be bringing work home with you and then unconsciously venting your hidden resentments and frustrations on innocent people.

You are subject to fevers or infections now, fueled in part by emotional irritability. Letting off steam in

whatever nondestructive ways you know would be very beneficial.

October 12 to October 21, 2018 (9 days) weakening

Jup Oppos Asc

You come into contact with a wider circle of people at this time. You may become friends or develop an association with an influential person or someone that can help you a great deal. This is an excellent time for advertising, promotion of a product or event, and mass media communications. This is the time to get out and meet people. You should accept most invitations to attend social events of any kind because you may be surprised to find that you form important, mutually beneficial relationships.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

October 12 to October 22, 2018 (10 days) weakening

Jup Sqr Sat

Significant changes and opportunities face you at this time but making the correct decision about what to do is not easy. This is a period of critical decisions and transition. A major change in your life can occur now (new job, relocating, ending a long-term relationship or beginning a new one, etc.). In fact, it is not unusual for several important changes of this nature to be occurring. Unfortunately, you find it difficult to decide whether to go along with the new opportunities or even push harder to make changes occur, or whether to try to maintain the old, familiar life style, routines, and surroundings.

One side of you is impatient to make some major changes. You are tired of the same old routine and life style. You want to break free and get things really moving. You feel there is much more to life, and you are not growing and living as fully as you ought to be. The other side of you is wary of the changes; they may just be pipe dreams and simply lead to considerable stress and disappointment. Underlying all this is the nagging question of what you really value and whether the new opportunities are more worthwhile than your current involvements. Unfortunately, no one can make the decisions for you, and you have to sort things out for yourself.

Clearly, YOU MUST MAKE SOME CHANGES. Letting things remain as they are will lead to stagnation. On the other hand, you must be careful that the changes you make will bring the THINGS THAT YOU REALLY WANT. For example, if you accept a new job only because it brings more money, but you must sacrifice other benefits of your current life style, then you may find afterward that the increase in income was not worth the sacrifices. If you are not honest with yourself or if you place too much value on things that are really of secondary importance, then you will make the wrong decision.

Another problem for you now is how to meet all of your obligations while having time to do the things you want. Your responsibilities are probably similar to those of most people: to family members, to pay the bills, etc. At this critical time you can find new ways to meet these obligations while allowing yourself more time to do the things you want to do. At the least, you will find that you can rearrange your life and make some significant changes in your daily routine, which are big steps towards leading a more fulfilling life. You may also decide that a more radical change in life style is warranted (new job, relocation, etc.). It is up to you to decide what is really important and how to best balance all aspects of your life. If you are creative, honest with yourself, and willing to go through some adjustments, you will come out much better when this astrological influence is over.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater

meaningfulness in your life.

Influences spanning the entire week

October 20 to October 29, 2018 (9 days) peaking Thursday

Jup Sqr Mars

You are bold, daring, and enterprising during this time. You feel hemmed in by present circumstances and feel an uncontrollable urge to enlarge your vistas. Your restless need to accomplish more and break free of present limitations may inspire you to seek a new job, look at new places to live that offer more opportunities, increase advertising of products that you market, or peruse business opportunities in your local area.

Because you feel restless and impatient, you may make an important decision too hastily, only to regret it afterward. You should not dampen your enthusiasm or restrain your search for new vistas, but do make sure you slow down enough to investigate the details in a sober and realistic manner before committing yourself to a new venture.

Physical energy is very high now, and you enjoy vigorous activities at this time. However, be careful not to go overboard, particularly if you have a health problem or your body is not in good enough shape to handle the exertion.

September 29 to October 27, 2018 (28 days) weakening

Merc 6th H

Thinking, reading, and learning about how to improve your work, or some aspect of it, is on the agenda now. You may learn a new technique. Discussions with co-workers, employers, and employees are likely to be fruitful, and minor but beneficial changes are likely to result.

Talking about any health concerns you may have, (with someone knowledgeable) is also helpful at this time.

October 7 to November 17, 2018 (41 days) weakening

Sun 6th H

Doing your best work and taking pride in it are a focus for you now. This is a good time to examine how you use your time and energy, with an eye to improving your efficiency and productivity.

Health matters are also a concern of yours now, and you may be inspired to begin a self-improvement program, create better health habits, or begin a new diet or fitness regimen.

October 5 to November 28, 2018 (54 days) weakening

Mars 10th H

You are strongly motivated to achieve your professional goals and get personal recognition for your efforts, and competitive energies run high. Ego conflicts, especially with those in authority or who have some bearing on your career life, may arise. Try to control or temper your ambition with consideration for others.

Your urge to act and to do is so strong that you are prone to rush and to try to force your will in situations where waiting may be more appropriate.

October 12 to February 27, 2019 (138 days) weakening

Jup 7th H

Harmony and increased satisfaction in your marriage and in your personal interactions in general are very likely, perhaps because you are more tolerant, generous, and unpossessive than usual. However, you are also

feeling a strong need not to be restricted or possessed by others either, for you sense that many people have something of value to offer you and you do not want to limit your world to just a few. Expanding your social involvement and meeting new people appeal to you more than ever.

September 11 to February 2, 2019 (144 days) peaking Wednesday

Nep Qucnx Plu

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
