Influences contained within the week

November 4 to November 6, 2018 (2 days) peaking Monday

Sun Conj Ura

You are excitable and restless today and may do something quite unexpected and out of character. Impatience with dreary routine and the desire for freedom and change may spur you to do something you normally consider adolescent or irresponsible. You are very insistent on your own rights, needs and preferences at this time. An event that disrupts your accustomed schedule could also happen now.

November 4 to November 10, 2018 (6 days) peaking Wednesday

Ven Sxtil Mars

Romance and flirtations are likely now. You are feeling warm, expressive, and lively. Loving feelings flow between you and the people you meet, especially those of the opposite sex. Friendships are also strengthened at this time. Also, your creativity and desire to make something beautiful is stimulated now.

November 6 to November 9, 2018 (3 days) peaking Thursday

Mars Oppos Sat

A sense of failure, self-doubt, or inability to effectively compete and assert your own will may typify this time period. Stifled anger and resentment over the frustrations and obstacles you confront now may further complicate matters. This is not a good time to begin a new venture, ask for a promotion, or try to expand your activities in any way. Patience and perseverance are required of you now. Be willing to wait. Your problems and inadequacies seem more real and insurmountable than they actually are, so try not to become too discouraged.

November 6 to November 9, 2018 (3 days) peaking Thursday

Mars Sqr Asc

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

November 7 to November 9, 2018 (2 days) peaking Thursday

Sun Trine Moon

At this time you enjoy emotional satisfaction and harmony in your home life. Relationships with women run smoothly. If you have a solid emotional base in your life, you will receive the benefits of that. If not, this is a good time to begin making connections with people and also to discover what gives real emotional nourishment and fulfillment.

November 7 to November 9, 2018 (2 days) peaking Thursday

Merc Sxtil MC

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

November 8 to November 10, 2018 (2 days) peaking Friday

Sun Qucnx Sun

At this time you may feel out of your element or out of sync with yourself or your surroundings. Interference from others requires adjustment and perhaps sacrifice on your part. What you have to offer or want to do doesn't mesh well with what seems to be necessary. While not a full blown crisis, it is a time of strain and tension, which can be somewhat debilitating to your health. A partial retreat in order not to deplete yourself and your strength is beneficial right now. You may be upstaged by other people or events which occur now.

November 8 to November 10, 2018 (2 days) peaking Friday

Merc Oppos Merc

Exchanging information, ideas, and opinions plays an important role in your life now. A significant conversation with someone who has a very different attitude or perspective than your own is likely. Try to be receptive and learn as much as you can from others at this time. Also, mental curiosity or restlessness impels you to get out and about, perhaps take a short trip or visit.

Influences starting this week

November 9 to November 11, 2018 (2 days) peaking Saturday

Merc Qucnx Jup

Your choices and decisions may lack prudence, realism, or sound judgment right now. Be wary of overly optimistic plans which are presented to you, signing contracts without doing thorough background work or reading the fine print, or promising something which will be difficult for you to fulfill. Questions of honor, ethics, law, or morality arise in your mind at this time.

November 9 to November 12, 2018 (3 days) peaking Saturday

Mars Oppos Mars

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

November 9 to November 23, 2018 (14 days) strengthening

Ven Sxtil Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Talking with your mate, business partner, or other close associates is likely to be helpful now, and you may be able to negotiate some agreement or come to some resolution of a problem you've been having. You're likely to be more fair and detached at this time.

October 19 to December 30, 2018 (72 days) strengthening

nep trine ura

Your idealism, creative imagination, and sense of awe and wonder about life are stirred now. The child in you is strong. You are likely to encounter fascinating information on the latest scientific technologies and progressive social movements in the world that stir your imagination and idealism. This is a positive time for you, when your heart and mind are open to imaginative solutions to old problems. You may become active in some form of political activism. Your ideas are imaginative and idealistic, although perhaps a little too simplistic. You are motivated now by a desire to awaken a higher level of aspiration and idealism in yourself and others, and not so much in analyzing the technical details of problems.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. This is also an excellent time for any imaginative and original creative work in the arts or music.

likely, perhaps because you are more tolerant, generous, and unpossessive than usual. Expanding your social involvement and meeting new people appeal to you more than ever.

September 11 to February 2, 2019 (144 days) weakening

Nep Qucnx Plu

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
