Influences starting this week

November 16 to November 18, 2018 (2 days) peaking Saturday

Sun Oppos Asc

A significant personal encounter or confrontation occurs today. You cannot, and probably will not want to, be alone now. This is a time to reach out to people and to get others' input or counsel. Listen to your mate or a friend who can enlighten you at this time. Also, consulting a professional for health, business, or personal reasons will be very constructive and fruitful now.

November 16 to November 18, 2018 (2 days) peaking Saturday

Sun Sqr Sat

This is a time of considerable frustration and your desires or efforts appear to be thwarted or at least delayed. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much too heart.

November 16 to December 13, 2018 (27 days) peaking Saturday

Sun 7th H

Partnerships, marriage, and your close one-to-one relationships engage much of your attention now and you are called upon to cooperate and perhaps to relinquish some of your own personal interests for the sake of harmony and mutual benefit. The emphasis is on we rather than me. You will not wish to go it alone and will seek the companionship and counsel of others.

If you are having difficulties in some area of your life, now is the time to seek the advice of a counselor or consultant, someone with an objective point of view.

November 9 to November 11, 2018 (2 days) weakening

Merc Qucnx Jup

Your choices and decisions may lack prudence, realism, or sound judgment right now. Be wary of overly optimistic plans which are presented to you, signing contracts without doing thorough background work or reading the fine print, or promising something which will be difficult for you to fulfill. Questions of honor, ethics, law, or morality arise in your mind at this time.

November 9 to November 12, 2018 (3 days) weakening

Mars Oppos Mars

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

Influences spanning the entire week

November 9 to November 23, 2018 (14 days) peaking Wednesday

Ven Sxtil Sat

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

October 26 to December 30, 2018 (65 days) weakening

Merc 7th H

At this time you need and seek out the opinions, advice, and counsel of others, realizing that an objective or opposing point of view helps you clarify your own thoughts. You may find others playing devil's advocate in your discussions.

Talking with your mate, business partner, or other close associates is likely to be helpful now, and you may be able to negotiate some agreement or come to some resolution of a problem you've been having. You're likely to be more fair and detached at this time.

October 19 to December 30, 2018 (72 days) strengthening

Your idealism, creative imagination, and sense of awe and wonder about life are stirred now. The child in you is strong. You are likely to encounter fascinating information on the latest scientific technologies and progressive social movements in the world that stir your imagination and idealism. This is a positive time for you, when your heart and mind are open to imaginative solutions to old problems. You may become active in some form of political activism. Your ideas are imaginative and idealistic, although perhaps a little too simplistic. You are motivated now by a desire to awaken a higher level of aspiration and idealism in yourself and others, and not so much in analyzing the technical details of problems.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. This is also an excellent time for any imaginative and original creative work in the arts or music.

likely, perhaps because you are more tolerant, generous, and unpossessive than usual. However, you are also feeling a strong need not to be restricted or possessed by others either, for you sense that many people have something of value to offer you and you do not want to limit your world to just a few. Expanding your social involvement and meeting new people appeal to you more than ever.

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
