

The Weekly Advanced Forecast Report for

Joe Doe

*This report was generated from parsing your Advanced Forecast Report (by Ronco, Jawer, and Hajjar) in order to find the aspects of influence for the following time period. The information is grouped in four sections: Influences within the week, influences that start during the week, influences that end during the week and influences that span more than the week. Aspects that have a peak influence during the week are highlighted. Basic sorting is by aspect start date.*

Monday December 17 to Sunday December 23, 2018.

**Influences contained within the week**

*December 17 to December 19, 2018 (2 days) peaking Tuesday*

***Sun Trine Mars***

You have an abundance of physical energy and self-confidence right now and can take on new projects and challenges with ease. You feel bolder and less dependent on others' affirmation and approval.

Taking a strong stand or striking out on your own in some manner is likely to work out well for you.

*December 19 to December 21, 2018 (2 days) peaking Thursday*

***Ven Conj Ura***

You are craving emotional excitement, stimulation, and something new and alive. This is a time for music, dancing, and being joyfully spontaneous. Your social inhibitions are loosened, and you may be tempted to have a wild flirtation or to act in a rather reckless way in a relationship.

*December 20 to December 22, 2018 (2 days) peaking Friday*

***Merc Sxtil MC***

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

*December 21 to December 22, 2018 (1 days) peaking Friday*

***Merc Oppos Merc***

Exchanging information, ideas, and opinions plays an important role in your life now. A significant conversation with someone who has a very different attitude or perspective than your own is likely. Try to be receptive and learn as much as you can from others at this time. Also, mental curiosity or restlessness impels you to get out and about, perhaps take a short trip or visit.

*December 21 to December 23, 2018 (2 days) peaking Saturday*

***Merc Qucnx Jup***

Your choices and decisions may lack prudence, realism, or sound judgment right now. Be wary of overly optimistic plans which are presented to you, signing contracts without doing thorough background work or reading the fine print, or promising something which will be difficult for you to fulfill. Questions of honor, ethics, law, or morality arise in your mind at this time.

**Influences starting this week**

*December 17 to January 3, 2019 (17 days) strengthening*

***Sat Oppos Jup***

At this point in your life you come to an impasse. A dead end blocks you from reaching some of your highest goals and ideals. Although this is very frustrating, you fortunately are likely to react with a degree of detachment and mental objectivity that allows you to consider alternative solutions to the problem in a logical way.

Typical things that may happen now are receiving a letter that notifies you that you were not accepted for a new job that you were extremely hopeful of getting or having an application for entrance to a college rejected. These rejections come about simply because your qualifications are not high enough. It may be true that others with similar qualifications are sometimes accepted, but at this time you will achieve only that for which you are solidly prepared. You may also encounter increased family responsibilities or financial obligations that make it impossible for you to follow the dreams you have been harboring.

You may encounter a person that is domineering or very critical of you at this time. Because you are a little unsure of yourself and not as confident as usual, domineering individuals see you as an easy victim. Another negative possibility is that you will react to the problem by turning the tables and being bossy and domineering with others.

These obstacles, although frustrating, also help you discover a path that is appropriate for you. There is an excellent chance of discovering alternatives that are very suitable for you and actually offer a more direct route to your goals. Ingenuity and resourcefulness are needed now to turn the situation around and make these discoveries. This is a difficult time and you can easily become discouraged, less motivated, and unwilling to bounce back. This is a sobering time when your limits are shown, but you must muster the strength to accept the situation and formulate a modification of your original plans.

*December 18 to December 27, 2018 (9 days) peaking Saturday*

***Jup Oppos Merc***

You are talkative, optimistic, and philosophical during this period. You see things from a broader perspective, and you come into contact with people that you learn a great deal from. This is an excellent time for traveling, attending seminars, and exploring cultural and business functions that you usually overlook.

This is also an excellent time for public speaking and advertising. Your ideas come across well, and others respond enthusiastically. Business contracts or agreements, especially ones involving large-scale distribution or communications, are also successful.

There are some caveats however. Enthusiasm and optimism are high but you are also inclined to be a little unrealistic. Underestimating the time and effort required to implement one's plans is a common mistake under this astrological influence.

*December 22 to December 31, 2018 (9 days) strengthening*

***Jup Quconx Jup***

Challenges in the ethical, moral, or professional spheres lead you to reassess where you are investing your confidence, trust, time, and attention.

Fluctuating conditions make it difficult to feel secure. Your sense of what is worthy or true is shifting and you will have to make adjustments to accommodate a changing environment.

At this time, you cope with sudden increases and expansion, a vastly extended territory, and the demands of

## Mahala's Astrology Report Service

success in some arena of your life. You may find the transition from being a big fish in a little pond to a little fish in a big pond very trying. This can be a rewarding period if you avoid being overly optimistic or impractical and stay true to your moral standards.

*December 23 to December 25, 2018 (2 days) strengthening*

***Ven Trine Moon***

You are in a mood to relax and enjoy harmonious surroundings. Your family and friends are a source of particular pleasure and satisfaction, and you may wish to treat them or pamper them in some way. Appreciation for your home and a desire to make it more beautiful or comfortable is strong now also.

*December 23 to December 26, 2018 (3 days) strengthening*

***Mars Sxtil Asc***

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

*December 23 to December 26, 2018 (3 days) strengthening*

***Mars Qucnx Sat***

You seesaw between caution and impatience, which generates a great deal of stress and inner anguish. You may blame your feelings of oppression and barely contained hostility on an unjust situation, a corrupt society, or your childhood conditioning (any or all of which may be valid) but it is your choices and your own internal struggles which are the real issue at present. If you are feeling drained and discouraged at the end of the day, see how you can readjust your attitude. Right now, trying to do battle with the outside world will be like banging your head against a brick wall!

### **Influences ending this week**

*December 16 to December 18, 2018 (2 days) peaking Monday*

***Sun Trine Sat***

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

*December 16 to December 18, 2018 (2 days) peaking Monday*

***Sun Qucnx Asc***

At this time, you may need to acquiesce, accommodate, or make adjustments for other people for the sake of expediency. That is, it will be less strain to step aside than to tangle with the opposition. You may be humbled now, see the flaws in your course of action or your attitude towards a situation, and remedy some of your errors. If you are unwilling to do this, a general sense of static or dissonance both within and without is likely.

*December 14 to December 17, 2018 (3 days) weakening*

***Ven Sqr MC***

The desire to socialize, to be friendly, or loved may interfere with getting work done or acting in a professional manner. Scheduling time for recreation or to attend to a relationship is a good idea now.

*December 15 to December 18, 2018 (3 days) weakening*

***Ven Qucnx Merc***

You may decide to change the decor of your home, or you may attend a musical or artistic event that exposes

## Mahala's Astrology Report Service

you to new styles that are different from your customary tastes. Communications with family and friends can be strained at this time, as you try to clear up points of confusion. This is a good time to get a new perspective on your relationships and your life style, but do not force yourself to make important decisions now while you are not completely comfortable with any of the alternatives.

*December 16 to December 19, 2018 (3 days) peaking Tuesday*

***Mars Trine Ven***

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

*December 16 to December 19, 2018 (3 days) peaking Tuesday*

***Ven Trine Jup***

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

### **Influences spanning the entire week**

*December 14 to December 23, 2018 (9 days) peaking Tuesday*

***Jup Sxtil MC***

Cooperation and assistance in business relationships is high now and, consequently, significant growth and progress in your career is likely at this time. Communications and contacts in business and professional circles open up, with opportunities to expand your services and professional involvements. Take advantage of these opportunities because they will prove to be very beneficial. There is no need to take risks so avoid wild speculation; a very positive avenue for growth is available to you now. This growth and progress in career is very personally fulfilling and rewarding because the work is meaningful to you, not just a means of making money. Consequently you feel good about yourself and this spills over into a happy attitude towards your family. Improvements in your domestic life are also likely. Do not sit back and watch this influence pass you by; you may feel so comfortable that you do little to take full advantage of the opportunities.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

*December 10 to December 27, 2018 (17 days) peaking Tuesday*

***Sat Qucnx Merc***

Interrupted, delayed, or frustrated communication will make this a trying time. You may experience lost or misdirected mail, messages which are forgotten or not relayed until it is too late, or breakdowns in cars or other forms of transportation. There are numerous minor fiascos and adjustments which have to be made.

Written agreements or verbal promises go awry, negotiations are painstaking or broken off altogether, and in general it would be better to postpone such matters. Your own reflexes or mental acuity may be slowed down now too.

*December 12 to January 5, 2019 (24 days) weakening*

***Sun 8th H***

## Mahala's Astrology Report Service

Joint financial affairs and investments are likely to be an issue at this time, and it is a good time to clarify each party's expectations and to take care of legal business, insurance, wills, and so on.

On a personal level, there is a desire to intensify the level of intimacy and honesty in your closest relationships and to clear away anything which is impeding the deeper union you seek.

*November 27 to January 22, 2019 (56 days) weakening*

***Mars 11th H***

You may play a leadership role in a group or organization that you are affiliated with or take some initiative in a group situation. You are fired up about your ideals and can stir others to action. Team sports and group efforts of any kind appeal to you now.

*December 3 to February 3, 2019 (62 days) strengthening*

***Plu Oppos Ven***

*October 19 to December 30, 2018 (72 days) weakening*

***nep trine ura***

Your idealism, creative imagination, and sense of awe and wonder about life are stirred now. The child in you is strong. You are likely to encounter fascinating information on the latest scientific technologies and progressive social movements in the world that stir your imagination and idealism. This is a positive time for you, when your heart and mind are open to imaginative solutions to old problems. You may become active in some form of political activism. Your ideas are imaginative and idealistic, although perhaps a little too simplistic. You are motivated now by a desire to awaken a higher level of aspiration and idealism in yourself and others, and not so much in analyzing the technical details of problems.

Scientific studies and the latest technologies also fascinate you. Rather than seeing science as a dry, academic area, you now encounter imaginative inventions and ideas that intrigue and fascinate you. You may also develop an interest in unusual studies such as astrology or numerology. This is also an excellent time for any imaginative and original creative work in the arts or music.

*September 11 to February 2, 2019 (144 days) strengthening*

***Nep Qucnx Plu***

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
