### Chapter 1

#### A Comparison of Temperaments and Life Styles

#### that Affect Your Ability to Harmonize with Each Other

*Jane Doe's Sun in Scorpio and Joe's Sun in Leo:*

Both of you are very proud, stubborn, strong-willed individuals and you are attracted to the strength of character that you sense in each other. There is a feeling of conquest between you that may serve to intensify the excitement of your attraction to each other. However, your strong wills may also prove to be a problem in a long-term relationship. You face the possibility that your combined inflexibility will make it difficult for the two of you to reach mutually satisfying decisions and both of you tend to stubbornly resist compromising when your preferences are different. A battle of wills is likely to ensue!

Another potential problem is jealousy or lop-sided bonding. Jane Doe bonds very intensely in romantic relationships and is inclined towards monogamy. Joe is also very loyal, but not nearly as intense, emotional, or obsessive as Jane Doe is.

*Jane Doe's Moon in Pisces and Joe's Moon in Taurus:*

Though you have very different emotional natures, you complement and harmonize with one another very well.

Jane Doe is sensitive, imaginative, sympathetic and emotional, and is often somewhat ungrounded and impractical. Joe is also a nurturing, sympathetic person, but very well-grounded, solid and reliable - a rock for Jane Doe to lean on many times. Both of you have a very peace-loving, easygoing, somewhat passive side, and you both seek a tranquil home atmosphere, free from competition and conflict.

You also share a love of the natural world; gardening, plants, and animals. Music is also a shared love or interest of yours.

The two of you are likely to fare best if Joe takes care of the mundane organization and practical affairs of your household.

*Venus & Mars hard for Jane Doe, soft or conj for Joe:*

Both of you are highly romantic, passionate, warmly loving and decidedly sexual creatures, but Jane Doe tends to come on too strong at times and may need or demand too much from a partner. Joe has achieved a better balance between giving to a partner and taking pleasure and time for self, and this is something Jane Doe could learn to do also.

*Venus & Pluto hard or conj for Jane Doe, soft for Joe:*

For both of you, love is a highly-charged, intense matter that is a potentially life-changing, transformative experience. Intimacy and relationship make up the arena where you encounter your deepest selves, including those aspects of your character that you might prefer to remain hidden. However, for Joe, this deep bonding and self-revelation are apt to be profoundly satisfying and easier to surrender to, while Jane Doe is apt to struggle with issues of power and control, fear of loss, lack of trust, jealousy, and other deep feelings which can prevent these relationships from proceeding smoothly. Together the two of you could have a very deep sharing, if each of you is willing to enter deeply into it. This won't be a casual or superficial relationship.

*Mars & Neptune hard or conj for Joe, soft for Jane Doe:*

You share a tendency to be discontent with yourselves and your efforts, particularly if there is no imaginative, spiritual, creative, or humanitarian element to your activities. Joe, in particular, is prone to feelings of aimlessness and discouragement unless surrounded with others who also have creative aspirations or higher ideals. Jane Doe, however, is apt to be supportive and encouraging, and at your finest, the two of you can share your dreams with one another.

## Chapter 2

### Major Themes in the Relationship: What Brought You Together

*Moon Mutually Aspects Saturn:*

As mentioned below several times, the feeling of responsibility, dedication, and commitment to each other is very strong. However, this relationship may take on the quality of a training session rather than a romance! You both must strive to refrain from making too many demands on each other, and be more sensitive to emotional appeals and needs. Learn to handle the difficult responsibilities that arise (family, financial, social, etc.) with grace and humor, rather than letting them become heavy and burdensome. Both of you tend to take your relationship, and consequently life in general, too seriously. This is a relationship that may be difficult to leave, both because it is very safe and because there are numerous obligations and duties involved. Take time out to play!

*Jane Doe's Moon Trine Joe's Saturn:*

There is a mature, stable, responsible tone to your relationship that makes you feel secure with each other. There is a great deal of trust and respect for each other. As you spend more time together, you will find that your tastes, priorities, and sense of what is really important in life becomes very compatible. If you marry and have children, you will work together well as parents, especially when difficulties and "minor crises" arise.

*Joe's Moon Square Jane Doe's Saturn:*

This relationship is not an easy one! There is a sense of responsibility towards each other that may incline you to marry or form some kind of long-lasting commitment to each other. But although the union is likely to be long-lasting, it is also likely to have more than its fair share of frustrations and difficulties. At times you both feel emotionally constrained and inhibited by being together, and this relationship may feel like a form of imprisonment! Joe, in particular, may feel disheartened by Jane Doe's criticisms, worries, fears, or need to dominate Joe's life. Joe's emotional needs and feelings are ignored and neglected at times, leaving Joe feeling alone in this relationship. Most likely there is too much emphasis on responsibilities and obligations and not enough attention given to the needs for acceptance and tenderness. The serious tone of the relationship also stifles play and light-hearted fun-loving activities. This relationship may endure even when your feelings towards one another have cooled because there is a great deal of security in it, even if there is little satisfaction over time.

*Joe's Moon Opposition Jane Doe's Mercury:*

Lively, insightful conversations are frequent in this relationship. You love confiding in each other, pouring out your deepest concerns, fears, and hopes to each other. You also enjoy discussing and analyzing issues at length. In general, these conversations are enjoyable and enlightening, but occasionally they may degrade into gossip and Jane Doe may sometimes take an overly intellectual, cool, detached approach to Joe's feelings.

*Joe's Venus Conjunct Jane Doe's Neptune:*

Your feelings for each other reach into levels of sensitivity and subtlety that is unusual for both of you. You become very dreamy around each other and if there is a romantic attraction between you, then you go through periods of dreamy romantic reverie together. You also evoke feelings of sympathy and compassion in each other, and you may inspire each other to write poetry or even evoke religious or spiritual feelings. You tend to let your feelings for each other cloud your perceptions and often you have an unrealistic view of each other. Your relationship exemplifies the old adage "love is blind".

*Jane Doe's Mars Conjunct Joe's Pluto:*

You draw out of each other your deepest drives and desires. The two of you arouse a zeal and sense of mission in each other that makes it possible for you to jointly accomplish extraordinary tasks. However, your fears and anxieties are brought to the surface too, and there is no guarantee that your zealousness will produce positive, constructive results. You may become fanatical in an extreme and unbalanced manner. Also, sexual passion, jealousy, and competition can be very volatile, disruptive, obsessive, and intense in this relationship.

*Jane Doe's Sun Square Joe's Saturn:*

Joe must be very careful not to harshly criticize or judge Jane Doe. There is a strong tendency for Jane Doe to feel blocked, frustrated, and discouraged by Joe. Typically, Joe will feel surprised by Jane Doe's feelings of frustration and anger, and feel that Jane Doe is just being overly sensitive to criticism. There is an element of truth to both viewpoints: Joe tends to be too critical of Jane Doe and Jane Doe tends to be too sensitive to the criticism; the combination can be disastrous! Jane Doe may try to ignore the problem, but ignoring the problem will not cause the problem to disappear. This is a relationship that can help both of you mature a great deal; you are able to build a secure, stable life together and face many challenges and responsibilities together that you have been trying to avoid. However, the tendency to become overly concerned with your responsibilities and be too conservative, cautious, and restrictive towards each other must not get out of hand, or you will both feel severely confined and restricted by being together.

*Joe's Sun Sextile Jane Doe's Uranus:*

There is a light-hearted, buoyant quality to your relationship that makes you really enjoy each other's company. You spark each other's sense of humor and you enjoy joking and "horsing around" with each other. You also appreciate each other's creative interests and encourage each other to pursue original, creative activities. Joe especially feels freer and less inhibited by being with Jane Doe.

### **Chapter 3**

#### **Destiny and Final Outcome of Your Relationship**

### *Composite Sun Conjunct Mercury:*

Yours is an intellectual relationship, among other things. Exchanging thoughts, studying together, sharing information, talking and bantering, turning one another on to new books or ideas, sparking one another's curiosity and interest in the world - all of these are important aspects of your relationship. A certain detachment and the ability to think about and talk about what is going on between you are also highlighted. Put simply, becoming more conscious or more informed and educated is a significant reason the two of you are drawn together.

### *Composite Moon Sextile Uranus:*

As a couple, you will have many unusual experiences, and a lot of friends who are unique, interesting, creative, and quite different from one another. You could gather a "family" around you that is quite unlike a traditional or "normal" family, including adopted relatives and close friends. A certain openness, acceptance of deviance from the norm, and willingness to learn from unexpected sources will be essential in this relationship. Being able to flow with change and live in the present moment will be necessary too, as there is a certain, ongoing movement in your relationship that precludes settling down into any established routine for very long.

### *Composite Jupiter Square Saturn:*

In your relationship there will be a tension between optimism and hope on the one hand, and pessimism, doubt, and caution on the other. One of you may continually hold the other down, acting as an anchor (or a stick in the mud) in the name of stability. One may be liberal and eager to take risks, the other conservative and more concerned with maintaining the status quo. You two may even switch roles from time to time, but almost never are you in sync. One moment you are feeling very positive about the way your relationship is going, but at that time your partner is apt to be feeling grim about it. Perhaps you take turns cheering and encouraging one another - or perhaps you blame your partner for being negative and "the heavy". In either case, it will require a lot of patience for you two to find a balance with this partner.

### *Composite Moon Opposition Venus:*

Tenderness, caring, and love are the essence of your bond. The feeling that the two of you were meant for one another, and a sense of reuniting and coming together again after having been separated, is a strong undertone between you. There is a lot of sweetness and affection here, and at least one part of your purpose together is simply to share that! In many ways you are complements to one another (rather than similar or the same as each other), and you can blend your different abilities and qualities to form a rich and harmonious whole. You need one another, and allowing yourselves to be taken care of and depending on each other in certain ways are part of what this relationship is about.

### *Composite Mars Sextile Jupiter:*

Together you will be able to do much more than you could hope to do as individuals, and your successes will come to you without tremendous effort or strain. In ways that seem coincidental, the two of you will get the "lucky breaks", so that you will come to expect and take for granted your good fortune.

In contests and competitions of all kinds, you two will be a winning combo. If the two of you join a team or group effort, your energies will really make it go. Pleasure in sports or competitions will be a theme in this relationship.

*Composite Jupiter Square Pluto:*

Even if both of you are relatively modest individuals, together your ambitions for success are amplified and magnified greatly. At its worst this implies that both of you want to be "bigger", more important, more influential, or more successful than the other. However, if you combine energies you will be a very potent force for change, betterment, and transformation in one another's (and others') lives.

There is a zealous, enthusiastic, somewhat grandiose quality to your ambitions. Beware of becoming fanatical or overstepping your bounds, for legal problems will inevitably result. Questions of ethics, personal convictions, and personal faith will be important issues in this relationship.

*Composite Saturn Conjunct Pluto:*

Clearly it is not the destiny of this partnership to have only ease and plenty, sweetness and light. In fact, periods of extreme hardship, difficulty, scarcity, and great stress will be endured by the two of you, especially if your relationship is a long one. At times you'll both feel that "it's you and me against the cruel world", and outside sources of support will be inadequate or nonexistent. However, you two will forge a deep bond through meeting the loss or deprivation. Furthermore, having been through the worst and confronted some of your greatest fears, both of you will discover an inner resiliency and strength which will add to the closeness you share.

## **Chapter 4**

### **Other Themes in Your Relationship**

*Jane Doe's Sun in Joe's 1st house:*

Jane Doe embodies many of the qualities and attributes to which Joe aspires, and consequently Jane Doe is a very interesting and attractive person to Joe.

*Joe's Sun in Jane Doe's 3rd house:*

Joe openly shares thoughts and ideas with Jane Doe, and the two of you love to share

ideas, perhaps even gossip together.

*Jane Doe's Moon in Joe's 6th house:*

Jane Doe enjoys assisting Joe in any way possible, and is willing to perform tasks and chores for Joe with little complaint. Jane Doe may, however, at times be overly concerned with Joe's welfare, and worry unnecessarily about Joe's well-being and health.

*Joe's Moon in Jane Doe's 11th house:*

You share a light-hearted, outgoing, friendly relationship. Even if your relationship becomes very close and intimate, you maintain a reasonable degree of objectivity about each other. The friendly feeling of camaraderie that you share makes your relationship enjoyable and fun, although Jane Doe may feel that you don't take enough time to share inner feelings and deeper concerns.

*Jane Doe's Mercury in Joe's 2nd house,  
Joe's Mercury in Jane Doe's 2nd house:*

You enjoy planning financial strategies together, and together you work on strategies to develop financial security and prosperity. Note that this is true even if your relationship is a casual one. If your relationship is a long-term one, you will work closely in business ventures or on investments and long-term financial planning.

*Jane Doe's Venus in Joe's 2nd house:*

Jane Doe loves to shower gifts upon Joe. Unless Jane Doe is very careful with money, Jane Doe is inclined to spend more money than is practical on Joe.

*Joe's Venus in Jane Doe's 5th house:*

Dancing, moonlit nights, and other romantic activities are likely to be a very important part of this relationship. There is a fresh, joyous quality to the love you share.

*Jane Doe's Mars in Joe's 11th house:*

The two of you are likely to collaborate on community affairs, political activities, or intellectual endeavors. Jane Doe encourages Joe to participate in social groups and contribute to society in greater measure. It is likely that the two of you will collaborate on committees or in some kind of business. Whether your endeavors are successfully depends largely on whether you can work together harmoniously; if you arouse anger in each other, you will end up being adversaries or competitors instead of partners in a team.

*Joe's Mars in Jane Doe's 4th house:*

For better or worse, Joe gets under Jane Doe's skin. Joe may infuriate, excite, inspire, and

sexually arouse Jane Doe, perhaps even all of these at the same time! If you live together, Joe will do much to maintain the home, but both of you must be careful to accommodate your partner's tastes and concerns and try not to overpower your partner, especially when domestic issues are involved.

*Jane Doe's Jupiter in Joe's 2nd house:*

Jane Doe helps Joe in very practical, tangible ways. Even if Jane Doe is not particularly wealthy or generous, circumstances are likely to arise where Jane Doe is able to provide Joe with material benefits and practical assistance.

*Joe's Jupiter in Jane Doe's 5th house:*

The two of you enjoy playing games together, engaging in creative activities, hobbies, and you generally have lots of fun together. Also, Joe encourages Jane Doe's creative talents and interests and enjoys promoting and assisting Jane Doe's creativity, whether it be as simple as baking a cake or a major undertaking.

*Jane Doe's Saturn in Joe's 11th house:*

Involvement with community, colleagues and organizations can become a critical issue in your relationship. Jane Doe, in particular, is likely to question and criticize Joe for involvement (or the lack of it) in various clubs, groups, or organizations. Also, you may both join an organization together, because of sharing a mutual enthusiasm, and both go through a period of disillusionment and sobering-up when the organization does not live up to expectations. Fortunately, these experiences are not likely to be extremely disconcerting to either of you, and, in fact, you will feel that you have both matured a great deal through the experiences.

*Joe's Saturn in Jane Doe's 2nd house:*

Handling of finances is a major issue in your relationship, especially if your relationship is a permanent one. Deciding how to increase income, how to wisely spend money, and how to develop financial security becomes a big issue, and major problems can arise if either of you ignores or overlooks your partner's point of view in these matters. You will learn a lot about handling money and resources and how to develop material security in this relationship, and hopefully any difficult lessons will not cause serious regrets. Joe, in particular, should be wary of the tendency to be overly critical of the way that Jane Doe handles finances and should try not to interfere too much with Jane Doe's decisions in this regard. Jane Doe should try not to be overly sensitive to Joe's suggestions and should try to extract the useful, valuable suggestions and ignore the rest.

*Jane Doe's Uranus in Joe's 9th house:*

Joe's philosophical, political, and religious beliefs will undergo some major changes as a result of this relationship, particularly if the relationship is a long-term, serious one. In

trying to adapt to Jane Doe's views, Joe discovers the value in new perspectives and ideas that previously were not considered.

*Joe's Uranus in Jane Doe's 12th house:*

Joe, directly or indirectly, makes Jane Doe reconsider many basic assumptions about life. A fresh perspective on issues of religious faith and ethics is often discovered, and Jane Doe may be able to break free from the limitations of current attitudes and beliefs that work primarily in a subconscious manner to make Jane Doe harbor secret feelings of guilt or inadequacy. Much of this change is likely to occur simply via the very different perspectives and attitudes that Joe has on certain issues, which encourages Jane Doe to take a fresh look at issues of an innermost nature.

*Jane Doe's Neptune in Joe's 1st house:*

Jane Doe brings out Joe's more idealistic, imaginative, intuitive, or "spacey" side. Jane Doe enjoys sharing ideals and fantasies with Joe, even if these dreams seem childish or unrealistic. Jane Doe may also tend to exaggerate a bit with Joe and needs to try to be as honest as possible with Joe.

*Joe's Neptune in Jane Doe's 4th house:*

There is a good deal of fantasy, imagination, and playfulness in your relationship. Joe, in particular, sparks Jane Doe's imagination and intuition. One way this quality is likely to express itself is in the style of your home, which is likely to be decorated and arranged in a very imaginative way.

*Jane Doe's Pluto in Joe's 11th house:*

The two of you inspire each other to become excited and even zealous about ideologies and social causes. Jane Doe challenges Joe's theories and any memberships with organizations, and motivates Joe to strive to reform and improve these organizations. You may become active together in politics or social issues.

*Joe's Pluto in Jane Doe's 3rd house:*

Joe sometimes expresses ideas and opinions in a very forceful manner to Jane Doe, who inspires Joe to take a strong stand on issues, but Jane Doe may feel that Joe is too narrow-minded at times. The two of you can work well together in areas that require concentration or bold presentations such as research, marketing, etc.

*Joe's Sun Conjunct Jane Doe's Saturn:*

One strong factor that attracted you to each other (perhaps unconsciously) is the feeling that you can have a deep, stable, permanent relationship and settle down together, facing life's responsibilities in a mature way, tackling challenges together such as raising

children, becoming financially secure, etc. These concerns can gradually cause your relationship to become too absorbed with "serious" matters, causing both of you to feel limited and stifled by the relationship. Jane Doe has a strong tendency to criticize and judge Joe's actions, sometimes accurately and sometimes unjustly. Jane Doe should guard against this tendency to dampen Joe's enthusiasm, and Joe needs to avoid being overly sensitive to Jane Doe's suggestions and criticisms. Jane Doe's tendency to dominate, control, or even repress Joe makes Joe feel resentful at times, and Joe may feel lowered vitality and self-confidence after being with Jane Doe for a long time. You must make room for lightness and play, or you both will feel burdened by the tone that is set between you.

*Jane Doe's Sun Square Joe's Mercury:*

The two of you do not always see eye-to-eye on issues, and it is very easy for Joe to become critical of Jane Doe. Compounding the problem is Jane Doe's tendency to be very sensitive to criticism from Joe and consequently react defensively to this criticism. This need not be a serious problem however; a little tolerance for each other's right to disagree and respect for individual differences is all it takes to make personal differences stimulating rather than annoying.

*Joe's Sun Square Jane Doe's Jupiter:*

Enthusiasm, optimism, and good will are very strong in your relationship. Jane Doe is able to see ways that Joe can grow, expand, and develop in material and concrete ways as well as in attitude and inner ways. Jane Doe, however, may try to push Joe too hastily and be deceived by unrealistic expectations, resulting in foolish joint speculations and unsuccessful ventures. Try not to let your shared enthusiasm and optimism spawn unrealistic hopes and expectations.

*Joe's Moon Opposition Jane Doe's Venus:*

The love you feel for each other has a particularly sweet, romantic quality that draws the two of you together. You evoke the tender side of each other, and you simply love doing things for each other and giving gifts to one another. Your love for each other is very strong. Because you care for each other so much, you can also hurt each other's feelings rather easily.

*Jane Doe's Venus Square Joe's Pluto:*

Although sexual magnetism between you is very intense, you both may be somewhat uncomfortable by the overwhelming feelings or obsessive quality that you engender in one another. Even if you are repulsed or disinclined to become close to one another, there seems to be an irresistible attraction bringing you together. Power struggles, emotional or sexual manipulation, and disruptive jealousy may be problems you encounter in this relationship. Whatever develops, this relationship will touch your depths and change you profoundly.

*Jane Doe's Jupiter Trine Joe's Saturn:*

You work well together on the level of practical, mundane affairs and could function very well as business partners. When you blend your energies, financial matters, investments, and plans for future security tend to work out quite well. Because you are able to cooperate to be faithful to your shared aims and goals, you make a successful team.

*Joe's Jupiter Trine Jane Doe's Uranus:*

This is a relationship in which you both can feel free to change, explore, invent, try creative or unusual ideas, and express your more adventurous or unconventional sides. Together, you have an expanded sense of what is possible, and the confidence and enthusiasm you feel with one another enables you to "go for it"! You help bring out one another's originality and creative impulses.

*Jane Doe's Saturn Sextile Joe's Uranus:*

Jane Doe stabilizes and helps Joe give concrete form to Joe's original ideas and impulses. Working as a team, Jane Doe provides the practical experience and caution, and Joe inspires and generates new ideas, often with very successful results. The two of you strike a good balance between order and chaos, the tried-and-true and the wild-and-crazy.

*Jane Doe's Neptune Sextile Joe's Pluto:*

Your spiritual values and strengths harmonize with one another and this is a subtle but positive force in your relationship.
