Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Venus-Uranus-Neptune 32nd Harmonic

Your romantic relationships are likely to be unusual. You are dreamy, idealistic, and excitable, and it is difficult for you to think clearly and objectively when involved in a romantic relationship. It is best to not rush into commitments quickly, as it takes time to see if your relationship has the ingredients for long-term commitment.

Moon Conjunct Venus/Jupiter 0 deg 23 min

Your kindness and warmth radiate out to others, and bring more happiness to others than you probably realize. You can be very successful working with children or in any other area where others will reward your kindness rather than take advantage of it. Avoid developing a habit of eating high-fat foods; otherwise, you may find yourself struggling to lose pounds later.

Mars Conjunct Mercury/Uranus 0 deg 28 min

You can process information very quickly. You become impatient with classes that move too slowly, and you thrive when you can work at your own pace. Computer technology, electronics, or other demanding and fast-moving areas appeal to you. Your quick reflexes can assist you in athletics, various kinds of competitions, and any activity that requires speed and agility.

Mars Conjunct Jupiter/Pluto 0 deg 25 min

You have big plans and the dynamic energy to manifest them. Sometimes you are almost obsessed with your big plans, and although family members and friends may tire of hearing about your plans, the single-minded focus on your goals is needed to achieve your goals. Be sure to research carefully before investing time, energy, and resources on a venture.

Venus Conjunct Sun/Saturn 0 deg 34 min

You are serious and loyal in love relationships. You are not inclined to date a lot of different people; you seek a meaningful and deep relationship. You dislike ostentatiousness, pretentiousness, and glamour.

Venus Conjunct Sun/Mars 1 deg 22 min

You are creative, and you succeed in areas that allow you to make something beautiful, attractive, or entertaining. You are also romantic, and your happiness in romantic relationships is a big determinant of your overall happiness.

Moon Conjunct Mercury/Saturn 1 deg 29 min

You have good mental concentration and you can succeed in areas that require a lot of reading, writing, or detail work. You also have a good sense of form and design, and you can formulate things in a very logical and coherent manner. You explain things clearly and can be a good teacher or instructor.

Saturn Conjunct Mercury/Uranus 1 deg 09 min

You enjoy solving difficult problems. You can analyze a problem from different points of view, and you are very good at abstract reasoning. It is good for you to apply yourself to complex subjects because you quickly become bored with simple problems. For example, in the area of music, you may find that some forms of classical music appeal to you because the intricacy and sophisticated musical concepts appeal to you.

Moon-Mercury-Uranus 40th Harmonic (40=5x8)

You have quick reflexes, which gives you talent in some sports, playing a musical instrument, or any other activity that requires quickness and agility. You are very clever and have a good sense of humor. You pick up on things that other people miss. You function well in a fast-paced environment but can become nervous and high-strung from too much stress.

Mercury-Jupiter-Uranus 47th Harmonic

You have a creative and inventive mind, and you are very progressive and forward-looking. You work best in an environment that gives you lots of room to explore and be creative. Your ability to visualize new solutions inclines you to be optimistic and successful in your chosen field.
