**Influences contained within the week**

*January 14 to January 16, 2019 (2 days) peaking Tuesday*

***Merc Oppos Moon***

At this time you have important discussions with women and with people you are (or once were) very close to. You may wish to visit, write, or make a telephone call to someone from your past. Connecting with your roots is the theme now, with an emphasis on seeing the past objectively. Memories and old feelings surface very clearly now.

*January 14 to January 16, 2019 (2 days) peaking Tuesday*

***Sun Qucnx Sat***

A disappointment or sobering realization forces you to re-evaluate your course, make adjustments, and draw upon more of your resources than you had planned to. Overwork, a feeling of pressure and unease, and the weight of responsibilities may precipitate a minor health crisis. Avoid exhausting your energies at this time; lie low and do only what is truly necessary.

*January 14 to January 16, 2019 (2 days) peaking Tuesday*

***Sun Trine Asc***

You are in harmony with the people in your immediate environment. There is a sense of ease and of flowing with, rather than fighting against or resisting, what is going on around you. Therefore, you have more energy and more fun at this time.

Now is a good time to make a presentation, go for an interview, or meet the public in some way; the response is positive.

*January 14 to January 17, 2019 (3 days) peaking Tuesday*

***Mars Sxtil Merc***

You have a lot of mental energy and are eager to attack intellectual or conceptual problems. You are likely to come up with a clever solution or a very workable plan, especially if you brainstorm with others. You also tend to make up your mind very quickly and decisively now and to translate your ideas into action.

*January 15 to January 16, 2019 (1 days) peaking Tuesday*

***Ven Sxtil MC***

Meeting people that can benefit your career, getting together with colleagues, or getting to know your superiors on a more personal, friendly basis is quite likely at this time. Take advantage of all opportunities to socialize with the people you have professional ties with for the outcome is likely to be quite positive.

*January 15 to January 17, 2019 (2 days) peaking Wednesday*

***Merc Qucnx Sun***

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

*January 15 to January 17, 2019 (2 days) peaking Wednesday*

***Ven Oppos Merc***

You are more clear and objective about personal matters and your relationships, so this is a favorable time to iron out differences or come to a decision. Communicating openly with loved ones, taking a trip to visit friends, or going on an outing accompanied by one you love figures prominently now.

*January 15 to January 18, 2019 (3 days) peaking Wednesday*

***Mars Sqr Jup***

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

*January 16 to January 18, 2019 (2 days) peaking Thursday*

***Sun Qucnx Mars***

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

*January 16 to January 18, 2019 (2 days) peaking Thursday*

***Ven Qucnx Jup***

Financial excesses and spending money you don't have on pleasure or luxury are indicated. Over-eating or partying to excess can also lead to trouble. You may actually get ill from too much rich food, sweets, or alcohol, so exercise caution. Beware, too, of anyone or anything which is presented to you now which looks too good to be true - no doubt it is.

*January 17 to January 19, 2019 (2 days) peaking Friday*

***Merc Oppos Ven***

This is a favorable time to take a short vacation or pleasure trip, especially to visit people you really enjoy. The tone of this time is light, friendly, and easy. Positive connections are made with others, and you may meet a new friend. You may also want to call or write someone you love, simply to cheer them up or tell them you love them.

**Influences starting this week**

*January 14 to January 29, 2019 (15 days) peaking Monday*

***Merc 9th H***

This is a good time to plan or take a journey to a distant land. Travel and exposure to new ideas and ways of thinking about the world interest you now. You may meet and learn from someone from another culture or with vastly different beliefs and experiences than your own. Philosophical discussions or studies are also on the agenda. You're thinking about the big picture rather than the mundane circumstances and details of your life.

*January 14 to February 1, 2019 (18 days) strengthening*

***Sat Sqr Plu***

Your personal aims, ambitions, and interests meet with unexpected obstacles at this time. Doors that you have been hoping would open are closing instead. The frustrations and obstacles can be deep enough to make you consider abandoning a pursuit or at least make very critical changes in your approach. Finances are tight now and others express little interest and enthusiasm for your ideas, so you have to be very resourceful.

You may reach a kind of identity crisis as you question the value of your deepest ambitions. You may decide that you cannot get what you want out of life, but you would be foolish to give up completely on the things that you love! There are lessons to be learned and changes that are needed, but abandoning what you love due to obstacles alone is not a good enough reason. You must find more effective ways to reach your goals, cut out waste and excess, and more sincerely express your interests. Success in things of importance requires dedication and belief in oneself even when the going gets rough.

You might find yourself getting into power struggles with others. You may try to force your will on others in an attempt to claim what you perceive as rightfully yours. Others may try to dominate and control you. If these problems occur, you need to take some time out from activities in order to think more deeply about your situation and gain a better grip on what is really important to you, and to better evaluate the situation.

*January 17 to January 28, 2019 (11 days) strengthening*

***Jup Qucnx Moon***

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

*January 18 to January 21, 2019 (3 days) peaking Sunday*

***Mars Qucnx Ura***

You act very impulsively and may do something spontaneously that really upsets the status quo in your life. Daring and reckless, you act with fierce independence. All manner of accidents could result from this rash foolishness. You are apt to feel tense, wired, cross, or out of control. You might wish to avoid traveling at this time.

*January 19 to January 21, 2019 (2 days) peaking Sunday*

***Ven Sxtil Plu***

Your feelings for friends and your emotional responses to life in general are deeper and more intense. The need to share, to give and receive love, and to be accepted and wanted is very strong. You have an opportunity now to see what keeps you from being really close to others - perhaps a forgotten hurt or hidden resentment - and to rid yourself of it by bringing it out in the open or simply releasing it.

*January 20 to January 22, 2019 (2 days) strengthening*

***Merc Qucnx Sat***

Your thoughts tend to be gloomy. There may be work ahead of you because of past errors of judgment. Or you may be sobering up after a honeymoon period with something or someone. You also hear a bit of information that troubles you. Try to do what you can without worrying excessively or burdening yourself with the entire load of responsibility. Even if a problem cannot be solved or eradicated, it can be managed in an intelligent way.

*January 20 to January 22, 2019 (2 days) strengthening*

***Merc Trine Asc***

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

*January 20 to January 23, 2019 (3 days) strengthening*

***Mars Oppos Plu***

Your personal ambitions and drive to assert yourself and make an impact on the world meet with considerable opposition now. Other people or external forces over which you have no control seem to subtly undermine your efforts - or try to overpower you altogether. You need to stand up for yourself, perhaps in a David-and-Goliath type of situation. If you have been unscrupulous or overly egotistical and selfish in your pursuits, you are likely to get your comeuppance now.

*January 20 to August 16, 2019 (208 days) strengthening*

***Sat 9th H***

Clarifying and defining your philosophy of life is an important process in your life now. This may be a time when your faith is tested, and you come to see what you truly believe. You adopt a more skeptical show me attitude and desire proof that a philosophy, religion, or belief system is both true and workable in your life. By the time this cycle is over, you are likely to have come to some definite, firm conclusions about the big questions of life.

This is also a good time to begin a formal, disciplined course of study, and you are interested in wisdom or Truth more than mere knowledge.

*January 13 to January 15, 2019 (2 days) peaking Monday*

***Merc Sqr Plu***

It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

*January 12 to January 15, 2019 (3 days) peaking Monday*

***Mars Sxtil MC***

Working energetically with a clear objective in mind, advancing your own professional goals, and enlisting others' support for your projects by acting as a leader are key issues now. Your superiors and others in authority respond favorably to your confidence and your willingness to take a risk or attack a problem in a new way.

*January 6 to January 16, 2019 (10 days) weakening*

***Jup Sxtil Plu***

Cooperation with businesses, government agencies, organizations, and influential individuals is highlighted now. You will find that you can gain cooperation and support from authorities and bureaucracies that previously ignored your requests or advice. Organizations and influential people are also more willing to assist you in your personal plans and interests.

You may be called upon to be a representative of an organization or to assume a leadership role at this time. If so, you will perform this function very successfully.

*December 29 to January 14, 2019 (16 days) weakening*

***Merc 8th H***

Communication and negotiations regarding joint finances, shared assets and investments, and property or anything else you own in common with another person, are likely now. It is a good time to get such affairs in order. Discussions about death are also likely to arise, both over legalities (wills, inheritances, and so on), and the more emotional, personal aspects of it.

You are feeling especially open-hearted and will find that others are very receptive to your friendly overtures. *December 3 to February 3, 2019 (62 days) weakening*

***Plu Oppos Ven***

*September 11 to February 2, 2019 (144 days) weakening*

***Nep Qucnx Plu***

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined, however, this can be a distressing period during which a subtle, chronic unease or disease plagues you.
