Alternately, you may want to go out and enjoy some time with your friends or do some light socializing, but you are needed more at home right now. It is an either/or situation and probably something has to be sacrificed temporarily.

At this time you are prone to irritability, temper tantrums, and flying off the handle for slim reasons. You are

also impatient and inclined to rush unnecessarily, which can cause accidents or bruised feelings on the part of the people you live with or work closely with. You are in a fighting mood and stand up for your rights more readily than usual, but beware of the tendency to be abrasive and insensitive.

*January 24 to January 27, 2019 (3 days) peaking Saturday*

***Mars Trine Nep***

Your mind wanders to faraway places, and your imagination is kindled with thoughts of the exotic, mystical, and fantastic. You feel restless and bored by your daily routine. You are unable to concentrate on mundane matters and you may find yourself daydreaming. This is a good time to vacation and travel.

A new surge of religious or spiritual aspiration is also evident. You feel a need to be more in touch with spiritual forces, and this is a good time for attending religious and spiritual functions, reading inspirational literature, etc. This is the time to open your mind and imagination to a grander vision and to inspire your highest aspirations. Allow yourself the time to pursue these interests.

However, you also tend to harbor unrealistic hopes, exaggerate the possibilities, and lack a sense of realism.

## Mahala's Astrology Report Service

Your need for fulfillment and success is strong, and you may splurge, run up a very high bill on your credit card, or take on a new monthly payment in order to obtain the possessions that you want. However, do not let material acquisitions be a substitute for the fulfillment derived from personal achievement and success. If you allow this to happen, you will regret your purchases and become inclined to feel depressed and empty after your buying spree.

You may also find your moods swinging from very high points of enthusiasm and optimism to low points of discontent and restlessness. This results from the increased need for success and fulfillment that you feel at this time. If you feel like you are not successful and you see no new doors opening for you, then you begin to feel emotionally depressed. However, the pep and zest of the astrological influence at work now will not keep you down for long, and you bounce back again.

This is a time to go after your dreams. Try not to feel disappointed if you do not find a pot of gold at the end of each rainbow. But keep looking because you certainly do have a little extra good luck on your side during this time period.

*January 26 to February 16, 2019 (21 days) peaking Sunday*

***Ven 8th H***

This is a good time to plan or take a journey to a distant land. Travel and exposure to new ideas and ways of thinking about the world interest you now. You may meet and learn from someone from another culture or with vastly different beliefs and experiences than your own. Philosophical discussions or studies are also on the agenda. You're thinking about the big picture rather than the mundane circumstances and details of your life.

*January 14 to February 1, 2019 (18 days) peaking Wednesday*

***Sat Sqr Plu***

Your personal aims, ambitions, and interests meet with unexpected obstacles at this time. Doors that you have been hoping would open are closing instead. The frustrations and obstacles can be deep enough to make you consider abandoning a pursuit or at least make very critical changes in your approach. Finances are tight now and others express little interest and enthusiasm for your ideas, so you have to be very resourceful.

You may reach a kind of identity crisis as you question the value of your deepest ambitions. You may decide that you cannot get what you want out of life, but you would be foolish to give up completely on the things that you love! There are lessons to be learned and changes that are needed, but abandoning what you love due to obstacles alone is not a good enough reason. You must find more effective ways to reach your goals, cut out waste and excess, and more sincerely express your interests. Success in things of importance requires dedication and belief in oneself even when the going gets rough.

You might find yourself getting into power struggles with others. You may try to force your will on others in an attempt to claim what you perceive as rightfully yours. Others may try to dominate and control you. If these problems occur, you need to take some time out from activities in order to think more deeply about your situation and gain a better grip on what is really important to you, and to better evaluate the situation.

***Nep Qucnx Plu***

Deep forces in the collective are at work, which you may experience as a subtle dissolution or disintegration of beliefs, attitudes, and attachments. These changes are profound, yet rather gradual. Nevertheless, adjustments and resistance to relinquishing the old can be stressful. Spiritual renewal through inner exploration, service, and a concern for external values is the most positive possibility at this time. If you are not so inclined,

By the time this cycle is over, you are likely to have come to some definite, firm conclusions about the big questions of life.

This is also a good time to begin a formal, disciplined course of study, and you are interested in wisdom or Truth more than mere knowledge.
