Mahala's Astrology Report Service

January 29 to January 31, 2019 (2 days) peaking Wednesday

Ven Qucnx Asc

You are disinclined to stir up trouble or cause unpleasantness of any kind at the moment. Relationships are thus apt to be smooth, but this may well come at a cost to you. You may be at peace with others and at war with yourself; you may go along with something now that you will kick yourself for later. Choose your company carefully. Spending time with those you truly trust and enjoy should be no problem.

January 29 to January 31, 2019 (2 days) peaking Wednesday

Merc Trine Merc

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

January 29 to January 31, 2019 (2 days) peaking Wednesday

Ven Trine Sat

This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things which are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending quality time with an old and trusted friend or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

January 30 to February 2, 2019 (3 days) peaking Thursday

Mars Sqr Ven

Your amorous feelings and passions are strong and compelling at this time, and you tend to be very demanding of a lover's energy and affection. Tensions may erupt in close relationships because one of you feels that you have been giving more and not receiving enough in return, or one of you is more amorous than the other. Frustrated love desire can easily turn to anger or irritability at this time.

January 31 to February 1, 2019 (1 days) peaking Thursday

Merc Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

January 31 to February 2, 2019 (2 days) peaking Friday

Merc Trine Plu

There is great depth to your conversations. You find yourself revealing secrets or very private matters, and also asking very penetrating questions of others. Superficial answers don't satisfy you now. This is an excellent time to investigate a complex problem or mystery, look for something that has been lost or hidden, and also to learn more about your own inner depths.

January 31 to February 2, 2019 (2 days) peaking Friday

Ven Trine Mars

You feel quite amorous and affectionate now and will very much want to share this time with someone you love or at least with congenial company. Your creative or artistic inclinations are also stimulated, and your work in these areas will be especially satisfying and successful at this time.

February 1 to February 3, 2019 (2 days) peaking Saturday

Sun Sqr Ura

Your usual routine is likely to be disrupted now, either by freak accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

February 2 to February 3, 2019 (1 days) peaking Saturday

Merc Qucnx Moon

Your sense of perspective and proportion is a bit skewed at the moment. Small problems loom large and details and other minor matters consume a lot of attention and focus. You are apt to be mentally restless, scattered, unable to concentrate on the immediate task at hand, absorbed in something related to the past. A somewhat disconcerting, but only too familiar, interaction with a parent, child, or other family member is likely. Be aware that you may be too stuck in your own point of view or self protectiveness to really hear what they are trying to convey.

Influences starting this week

January 28 to February 14, 2019 (17 days) peaking Tuesday

Merc 10th H

Career planning strategies or thinking of concrete ways to make your dreams into realities as well as sharing your thoughts on these matters with a few significant others should be very fruitful now. It is a good time to communicate with someone in a position to help you achieve your aspirations.

January 28 to February 26, 2019 (29 days) peaking Tuesday

Sun 10th H

Your career, reputation, role in the community, and contribution to the world are very important to you at this time, and you can make significant gains regarding your ambitions. Recognition for your efforts and receiving credit for your accomplishments are likely now, if you've done your homework. This is an excellent time to ask for a promotion, or to engage the support of those in positions of higher authority.

February 2 to February 4, 2019 (2 days) peaking Sunday

Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

February 2 to February 4, 2019 (2 days) peaking Sunday

Merc Sxtil Nep

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. Go to a movie with a friend (or write your own!). Also, your psychic sensitivity and intuition are heightened at this time. You are more impressionable and open, but somewhat less precise and clear mentally.

February 2 to February 4, 2019 (2 days) peaking Sunday

Merc Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

February 2 to February 21, 2019 (19 days) strengthening

Sat Oppos Moon

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

Influences ending this week

January 25 to January 28, 2019 (3 days) weakening

Mars Sxtil Sun

Your physical drive and energy level are high now, and you can accomplish a great deal fairly easily. You are inclined to take the initiative or to strike out on your own, and you are likely to be successful at what you attempt at this time. Because you assert yourself in a positive manner, a leadership role or an opportunity to do something you have wanted to do on your own is likely to be offered to you.

January 21 to February 1, 2019 (11 days) weakening

Jup Conj Nep

Your mind wanders to faraway places, and your imagination is kindled with thoughts of the exotic, mystical, and fantastic. You feel restless and bored by your daily routine. You are unable to concentrate on mundane matters and you may find yourself daydreaming. This is a good time to vacation and travel.

A new surge of religious or spiritual aspiration is also evident. You feel a need to be more in touch with spiritual forces, and this is a good time for attending religious and spiritual functions, reading inspirational literature, etc. This is the time to open your mind and imagination to a grander vision and to inspire your highest aspirations. Allow yourself the time to pursue these interests.

January 17 to January 28, 2019 (11 days) weakening

Jup Qucnx Moon

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you

will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

January 14 to January 29, 2019 (15 days) weakening

Merc 9th H

This is a good time to plan or take a journey to a distant land. Travel and exposure to new ideas and ways of thinking about the world interest you now. You may meet and learn from someone from another culture or with vastly different beliefs and experiences than your own. Philosophical discussions or studies are also on the agenda. You're thinking about the big picture rather than the mundane circumstances and details of your life.

January 14 to February 1, 2019 (18 days) weakening

Sat Sqr Plu

Your personal aims, ambitions, and interests meet with unexpected obstacles at this time. Doors that you have been hoping would open are closing instead. The frustrations and obstacles can be deep enough to make you consider abandoning a pursuit or at least make very critical changes in your approach. Finances are tight now and others express little interest and enthusiasm for your ideas, so you have to be very resourceful.

You may reach a kind of identity crisis as you question the value of your deepest ambitions. You may decide that you cannot get what you want out of life, but you would be foolish to give up completely on the things that you love! There are lessons to be learned and changes that are needed, but abandoning what you love due to obstacles alone is not a good enough reason. You must find more effective ways to reach your goals, cut out waste and excess, and more sincerely express your interests. Success in things of importance requires dedication and belief in oneself even when the going gets rough.

You might find yourself getting into power struggles with others. You may try to force your will on others in an attempt to claim what you perceive as rightfully yours. Others may try to dominate and control you. If these problems occur, you need to take some time out from activities in order to think more deeply about your situation and gain a better grip on what is really important to you, and to better evaluate the situation.

January 4 to January 29, 2019 (25 days) weakening

Sun 9th H

This is a time to lift yourself out of your usual mundane concerns in order to get a larger perspective on your life. You seek new vistas and broader horizons through traveling, studying, or reading about foreign cultures or by seeking out people with greater experience, insight, and knowledge than your own. A teacher or mentor may be particularly important to you now.

Influences spanning the entire week

January 23 to February 3, 2019 (11 days) peaking Tuesday

Jup Oppos Sun

During this time period, you feel like it is time to go for the gold. You want to hit the jackpot, and you may find yourself walking with a little extra spring and bounce and whistling zippity-doo-dah! This is, indeed, a time of opportunity and good times. However, you also tend to harbor unrealistic hopes, exaggerate the possibilities, and lack a sense of realism.

Your need for fulfillment and success is strong, and you may splurge, run up a very high bill on your credit card, or take on a new monthly payment in order to obtain the possessions that you want. However, do not let

Mahala's Astrology Report Service

material acquisitions be a substitute for the fulfillment derived from personal achievement and success. If you allow this to happen, you will regret your purchases and become inclined to feel depressed and empty after your buying spree.

You may also find your moods swinging from very high points of enthusiasm and optimism to low points of discontent and restlessness. This results from the increased need for success and fulfillment that you feel at this time. If you feel like you are not successful and you see no new doors opening for you, then you begin to feel emotionally depressed. However, the pep and zest of the astrological influence at work now will not keep you down for long, and you bounce back again.

This is a time to go after your dreams. Try not to feel disappointed if you do not find a pot of gold at the end of each rainbow. But keep looking because you certainly do have a little extra good luck on your side during this time period.

January 26 to February 16, 2019 (21 days) weakening

Ven 8th H

Financial or business affairs are favored at this time and you may meet a benefactor through friends or in a social atmosphere. You are likely to get both the financial backing and the emotional support you need to succeed.

On a personal level, intimate relationships are intensified. Either you or your partner want a deeper union.

December 3 to February 3, 2019 (62 days) weakening

Plu Oppos Ven

January 21 to March 24, 2019 (62 days) weakening

Mars 12th H

At this time, you're likely to feel that you cannot make your desires or influence felt, and that things go awry when you try to assert yourself, make an impact, or get things done in a forthright way. Retreating from confrontation and allowing matters to take their own course may well be the best path now. Though not the most auspicious time to act on your own behalf, this is a good time to do things that benefit others. Selfless work is likely to be the most satisfying avenue for you now.

January 20 to August 16, 2019 (208 days) peaking Tuesday

Sat 9th H

Clarifying and defining your philosophy of life is an important process in your life now. This may be a time when your faith is tested, and you come to see what you truly believe. You adopt a more skeptical show me attitude and desire proof that a philosophy, religion, or belief system is both true and workable in your life. By the time this cycle is over, you are likely to have come to some definite, firm conclusions about the big questions of life.

This is also a good time to begin a formal, disciplined course of study, and you are interested in wisdom or Truth more than mere knowledge.
