February 4 to February 6, 2019 (2 days) peaking Tuesday

Sun Qucnx Moon

You are likely to feel vexed, vaguely dissatisfied, or out of touch with yourself, as if you don't know what you want but are fairly certain you don't have it. Unusual food cravings, desires and moods which are distracting or at least tangential to what you would prefer to be focused upon, and/or a strong pull toward your past which interferes with your present, all are quite likely now. You have to strike a balance between your emotional needs and yearnings and your daily life.

February 5 to February 7, 2019 (2 days) peaking Wednesday

Sun Trine Sun

Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time.

February 5 to February 7, 2019 (2 days) peaking Wednesday

Sun Sxtil Nep

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

February 7 to February 8, 2019 (1 days) peaking Thursday

Merc Oppos Sat

You are likely to distance yourself from others now, feeling the need to withdraw and reflect. Your thoughts are inclined to be heavy, critical, and pessimistic at this time, so it would be good to realize that you are only seeing part of the picture and perhaps seek the advice of an older, experienced person who has passed through some of the challenges you face. This can also be a time of leaving, separating from friends, and choosing a new way.

February 7 to February 8, 2019 (1 days) peaking Thursday

Merc Sqr Asc

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

February 8 to February 9, 2019 (1 days) peaking Friday

Merc Oppos Mars

You are very impulsive and restless now and you are likely to act or speak too quickly without sufficient forethought or concern for the consequences. You tend to be verbally aggressive, starting fights with people who don't agree with you or who simply get in your way. Positively, you are very sharp and clear mentally at this time and can attack problems and tasks with great vigor.

February 8 to February 10, 2019 (2 days) peaking Saturday

Sun Qucnx Ven

Right now, you are prone to feel vaguely dissatisfied with your personal life, especially the romantic side of it. In social situations, there is an uneasiness, clumsiness, or perhaps some sort of minor embarrassment or faux pas on your part. If you do artistic or creative work, you may be more critical of it than usual, feel that it is not well received or appreciated, or simply feel a little dry and uninspired. Without realizing it, you are probably censoring yourself. Accepting imperfection and being patient in both the creative and the romantic aspects of your life will be necessary.
