

The Weekly Advanced Forecast Report for

Joe Doe

*This report was generated from parsing your Advanced Forecast Report (by Ronco, Jawer, and Hajjar) in order to find the aspects of influence for the following time period. The information is grouped in four sections: Influences within the week, influences that start during the week, influences that end during the week and influences that span more than the week. Aspects that have a peak influence during the week are highlighted. Basic sorting is by aspect start date.*

Monday March 11 to Sunday March 17, 2019.

**Influences contained within the week**

*March 11 to March 13, 2019 (2 days) peaking Tuesday*

***Ven Sqr Ura***

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

*March 12 to March 14, 2019 (2 days) peaking Wednesday*

***Merc Qucnx Sat***

Your thoughts tend to be gloomy. There may be work ahead of you because of past errors of judgment. Or you may be sobering up after a honeymoon period with something or someone. You also hear a bit of information that troubles you. Try to do what you can without worrying excessively or burdening yourself with the entire load of responsibility. Even if a problem cannot be solved or eradicated, it can be managed in an intelligent way.

*March 12 to March 14, 2019 (2 days) peaking Wednesday*

***Ven Trine Plu***

You have a special magnetism and attractive power now, and you are feeling intensely loving also. Your relationships, particularly sexual or romantic ones, intensify and have a deep, compelling, urgent quality. Your inner feelings and needs for love and closeness emerge very strongly. You may also channel some of these feelings into creative or artistic work, something that evokes and expresses your deepest self.

*March 12 to March 15, 2019 (3 days) peaking Wednesday*

***Merc Sxtil Asc***

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

*March 14 to March 16, 2019 (2 days) peaking Friday*

***Ven Qucnx Moon***

You may not feel very social, but friends or social commitments pull you away from home. Alternately, you may want to go out and enjoy some time with your friends or do some light socializing, but you are needed more at home right now. There is an uneasy balance between your loyalty to your family versus your friends or other pleasurable interests. It is an either/or situation and probably something has to be sacrificed temporarily.

## Mahala's Astrology Report Service

*March 15 to March 16, 2019 (1 days) peaking Friday*

***Ven Sxtil Nep***

You are receptive to beauty at this time and want to be surrounded with harmony, beauty, and kindness. Also, you feel tender and gentle toward others, and you want to please or to be of service to them in some way. Some selfless generosity or an effort on behalf of someone in need will make you feel very happy now.

*March 15 to March 17, 2019 (2 days) peaking Saturday*

***Sun Qucnx Sat***

A disappointment or sobering realization forces you to re-evaluate your course, make adjustments, and draw upon more of your resources than you had planned to. Overwork, a feeling of pressure and unease, and the weight of responsibilities may precipitate a minor health crisis. Avoid exhausting your energies at this time; lie low and do only what is truly necessary.

*March 15 to March 17, 2019 (2 days) peaking Saturday*

***Sun Sxtil Asc***

This is a time for being with people and especially giving something of yourself and your talents to others. You want to be seen and noticed. You receive appreciation and a positive response and possibly an opportunity or personal contact which will be quite beneficial.

*March 15 to March 17, 2019 (2 days) peaking Saturday*

***Ven Trine Sun***

Relaxation, enjoyment, and pleasure are emphasized now. This is not a time to push yourself or to be involved in activities that require intense competition or a great expenditure of energy. Cooperative, harmonious personal and professional relationships are more important to you at this time. You feel like socializing and being friendly.

### **Influences starting this week**

*March 15 to March 18, 2019 (3 days) peaking Sunday*

***Mars Sxtil Ven***

Friendships and love relationships are favored as you are openly affectionate, warm, and also quite responsive to loving gestures from others. It's not enough for you to simply feel loving toward another; at this time you really want to express it and show it physically. An opportunity for a new romance or friendship is likely to surface now and work out quite nicely for you.

*March 16 to March 18, 2019 (2 days) peaking Sunday*

***Sun Qucnx Mars***

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

*March 17 to March 19, 2019 (2 days) strengthening*

***Merc Trine Ven***

You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card,

## Mahala's Astrology Report Service

write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

### Influences ending this week

*March 9 to March 11, 2019 (2 days) weakening*

*Ven Qucnx Jup*

Financial excesses and spending money you don't have on pleasure or luxury are indicated. Over-eating or partying to excess can also lead to trouble. You may actually get ill from too much rich food, sweets, or alcohol, so exercise caution. Beware, too, of anyone or anything which is presented to you now which looks too good to be true - no doubt it is.

*March 10 to March 12, 2019 (2 days) peaking Monday*

*Sun Trine Ven*

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

*March 10 to March 13, 2019 (3 days) peaking Monday*

*Mars Qucnx Nep*

You seesaw between decisive, forceful action and passive surrender. This ambivalence makes you much less effective than you would be at other times. Emotions and dreams are apt to be rather turbulent, filled with strange restlessness or discontent. Try not to demand too much of yourself at this time. You are prone to infection and, on an emotional level, to getting discouraged.

*March 8 to March 11, 2019 (3 days) weakening*

*Mars Sxtil Moon*

You easily become fired up emotionally at this time, especially about people, places, or causes you have a strong attachment to from the past, such as your alma mater or your home town. You care more passionately and respond instinctively and emotionally to whatever happens to you at this time. Also, you are energized and invigorated now and eager to be involved in projects that benefit your children, family, or home.

*March 10 to March 13, 2019 (3 days) peaking Tuesday*

*Merc Qucnx Mars*

Your mind is on accomplishment and action, and there is a competitive edge in your speech or manners. You may be brusque, even rude, especially with people who are taking up your time unnecessarily. Be careful while running errands, particularly in traffic. Your sense of timing is a bit off and combined with your impatience, you could have an unfortunate run-in.

### Influences spanning the entire week

*March 8 to April 2, 2019 (25 days) weakening*

*Ven 10th H*

Your career, social standing, or reputation is favored at this time, especially by making personal contact with superiors or by socializing and making friendly contacts at work. You may make a good friend or meet someone beautiful and charming through your work. Now is also a good time to enhance your public standing and to create good will with the public.

*February 25 to April 4, 2019 (38 days) weakening*

***Sun 11th H***

Involvement in clubs, social organizations, or any other group to which you belong is likely to be a focus at this time. You may be asked to take responsibility or even a leadership role or to contribute and participate more fully than you have in the past. You will enjoy being part of a team or group effort now. Being part of a community or circle of friends and building your social network is important to you at this time.

*February 5 to March 31, 2019 (54 days) weakening*

***Nep Trine Moon***

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up golden oldies that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.

*March 1 to April 27, 2019 (57 days) strengthening*

***Nep Sqr Nep***

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

*March 9 to May 10, 2019 (62 days) strengthening*

***Nep Sqr Sun***

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings. Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation, engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new

## Mahala's Astrology Report Service

religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

*February 14 to April 27, 2019 (72 days) weakening*

***Merc 11th H***

If you belong to any club or organization, you are likely to be involved in group discussions, planning sessions, or committees at this time. Even if you don't participate in any such group, a sense of community is important to you now, and you'll be thinking about how you can take part and contribute. You will want to socialize and talk with people you share common interests and ideals with.

*February 19 to May 24, 2019 (94 days) weakening*

***Jup 8th H***

Fortunate developments in business or through your mate's help and support (both emotional and financial) are likely to occur now. If you are considering joining forces and pooling your resources with someone else, now is a fine time to do so.

On an inner level, this is likely to be a time of psychological and emotional rejuvenation, healing, and positive change. It is easier for you to eliminate old conditioning or negative patterns. Whatever leaves your life now is paving the way for something much better.
