***Ven Oppos Mars***

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry for no reason now. You may be tempted to act on an infatuation.

*March 22 to March 25, 2019 (3 days) weakening*

***Mars Sqr Sat***

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

*March 22 to March 25, 2019 (3 days) weakening*

***Mars Conj Asc***

You come across assertively, competitively, and energetically now, so much so that you may arouse others' animosity. You don't want to slow down or accommodate other people's needs and resent it hotly if your own desires have to take a back seat to others' will and wishes.

This is a time for positive, decisive action on your part, forging ahead, taking the initiative. Try not to do so in a completely insensitive, arrogant manner as this will almost certainly work against you.

*March 21 to March 26, 2019 (5 days) weakening*

***Merc Sqr Sun***

There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other busywork is on the agenda. A minor but rather tense confrontation is likely.

### **Influences spanning the entire week**

*March 22 to April 4, 2019 (13 days) strengthening*

***Merc Sqr Nep***

more fully than you have in the past. You will enjoy being part of a team or group effort now. Being part of a community or circle of friends and building your social network is important to you at this time.

*March 22 to May 3, 2019 (42 days) weakening*

***Mars 1st H***

You are decisive and forthright and your energy level is high. You appear rather headstrong and most people will stay out of your way, or let you take the lead. You aren't very patient or conciliatory now and won't avoid a confrontation. You may even provoke them in an unnecessarily forceful or inconsiderate manner. Now is the time to act, but try not to be foolhardy or step on too many toes.

*February 5 to March 31, 2019 (54 days) weakening*

***Nep Trine Moon***

Your emotions are sensitized now. You are more responsive to subtle changes in mood, and you are more sensitive to delicate changes in the atmosphere around you. You may suddenly feel uncomfortable with the colors in your house, noise from neighbors, or the drab decor of some room. This is an excellent time to decorate, clean up, and add an imaginative flourish to your environment. If you just sit back and dream about how nice it would be if your home and surroundings were more tastefully done, they won't change! Your imagination is keen now, so put it to work; you will enjoy the work once you get into it.

This is an excellent time to develop and expand your musical and artistic tastes. You may find yourself digging up golden oldies that you haven't heard in many years, or buying a record album of beautiful music that you have heard but hasn't yet become part of your regular musical listening.

Your compassion, intuition, and spiritual sensitivity are heightened now. You may also have unusually inspiring dreams. You may also decide to become more active in efforts to promote peace and engage in altruistic activities. Your heart stays open easily now; do things and establish habits that will help sustain these positive feelings in the future.

*March 1 to April 27, 2019 (57 days) peaking Wednesday*

***Nep Sqr Nep***

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

*March 9 to May 10, 2019 (62 days) strengthening*

***Nep Sqr Sun***

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings.

Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation,

engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

*February 19 to May 24, 2019 (94 days) weakening*

***Jup 8th H***

Fortunate developments in business or through your mate's help and support (both emotional and financial) are likely to occur now. If you are considering joining forces and pooling your resources with someone else, now is a fine time to do so.

On an inner level, this is likely to be a time of psychological and emotional rejuvenation, healing, and positive change. It is easier for you to eliminate old conditioning or negative patterns. Whatever leaves your life now is paving the way for something much better.
