In either case, loneliness and feelings of desolation may arise. Perhaps you are sacrificing pleasure and love for the sake of achievements or to meet responsibilities. However, if you find yourself really unhappy right now, you probably need to reassess the balance in your life between work and play, between emotional needs and practical concerns.

April 15 to April 17, 2019 (2 days) peaking Tuesday

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Sun Trine Mars

You have an abundance of physical energy and self-confidence right now and can take on new projects and challenges with ease. You feel bolder and less dependent on others' affirmation and approval.

April 17 to April 19, 2019 (2 days) peaking Thursday

Ven Qucnx Mars

Tensions in an intimate relationship make themselves felt now. You may feel out of sync with your partner, dissatisfied in a way that may be difficult to pinpoint and resolve. Most likely, you are pulled between pleasing your partner and expressing your own desires and needs. Your love rhythms are a bit off. This affects all your relationships but particularly those that are sexual in nature.

In social settings, some awkwardness, inappropriate or excessive affection, or unwanted sexual advances are likely.

April 18 to April 21, 2019 (3 days) peaking Saturday

Mars Qucnx Ura

You act very impulsively and may do something spontaneously that really upsets the status quo in your life. Daring and reckless, you act with fierce independence. All manner of accidents could result from this rash

foolishness. You are apt to feel tense, wired, cross, or out of control. You might wish to avoid traveling at this time.

April 19 to April 23, 2019 (4 days) peaking Sunday

Mars Trine Plu

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

Influences ending this week

April 14 to April 16, 2019 (2 days) peaking Monday

Sun Trine Sat

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

April 13 to April 15, 2019 (2 days) weakening

Merc Quconx Mars

Your mind is on accomplishment and action, and there is a competitive edge in your speech or manners. You may be brusque, even rude, especially with people who are taking up your time unnecessarily. Be careful while running errands, particularly in traffic. Your sense of timing is a bit off and combined with your impatience, you could have an unfortunate run-in.

April 12 to April 15, 2019 (3 days) weakening

Mars Trine MC

You can make your influence felt at this time and any efforts you make to advance your career or other important long-range goals will be very effective. Independent action, self-reliance, or taking on more of a leadership position are favored now. You have the green light!

April 13 to April 16, 2019 (3 days) peaking Monday

Mars Conj Merc

This is not the best time to schedule any activity that calls for tact, diplomacy, or caution, as you are inclined to be extremely straightforward, direct, and to the point in all of your interactions. You say exactly what you think, and in fact are even inclined to be verbally aggressive, pushy, or perhaps sarcastic. Your mind is very sharp now, so this is a good time to attack intellectual or mental work.

April 4 to April 16, 2019 (12 days) weakening

Jup trine Sat

You feel the desire to make several minor, but significant, adjustments in your work. For example, if you are engaged in a business activity, you may discontinue some advertising, use new sources for various services that you use, assign new tasks to employees, change advertising to appeal to a new market, make changes in the product line, etc. The worst mistake you can make at this time is to procrastinate and not act on your ideas! At this time you have an excellent sense of balance and proportion and how to efficiently meet goals and

objectives, and you should utilize this sensitivity to improve upon existing situations.

These qualities are evident in your personal life as well. You are likely to clean out your closets, reorganize, and also discover new opportunities for growth and enrichment. You may find a business or agency that is interested in a hobby of yours, or a group of people may express interest in an area that you have a lot of experience with. Do not let opportunities pass you by. This is a harmonious and pleasant time for you and one which can also bring some especially nice opportunities to you.

You may decide to further your education or receive additional training at this time. This training will prove to be a valuable asset for you so take advantage of this opportunity.

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater meaningfulness in your life.

April 1 to April 19, 2019 (18 days) weakening

Jup qucnx asc

Unexpected increases or overexpansion creates inconvenience and stress at this time. Too many opportunities for social, professional, or community involvements can leave you feeling overwhelmed and stretched to the breaking point. This need not be troublesome if you are willing to decline some of the invitations and potential for growth which are offered now. Undue restlessness, insatiability, or a desire for something out of your present grasp is also likely.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Influences spanning the entire week

April 1 to May 2, 2019 (31 days) weakening

Ven 11th H

Meeting with people who share common ideals or purposes, either on a professional or personal level, will be very successful now. You have a friendly, cooperative attitude that will help such gatherings flow smoothly.

You need and want to socialize now. Parties or other gala events are favored. Getting together with a group of friends to play music or sing would be very satisfying.

March 22 to May 3, 2019 (42 days) weakening

Mars 1st H

You are decisive and forthright and your energy level is high. You appear rather headstrong and most people will stay out of your way, or let you take the lead. You aren't very patient or conciliatory now and won't avoid a confrontation. You may even provoke them in an unnecessarily forceful or inconsiderate manner. Now is the time to act, but try not to be foolhardy or step on too many toes.

April 3 to May 16, 2019 (43 days) weakening

Sun 12th H

Retreating from the world for awhile and spending some quiet time alone to relax and rejuvenate appeals strongly to you now. You may feel like you are at a low ebb and as if nothing is happening or you may simply not want to be where the action is. Competitive ambitions and ego drives are on hold now.

March 1 to April 27, 2019 (57 days) weakening

Nep Sqr Nep

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

March 9 to May 10, 2019 (62 days) weakening

Nep Sqr Sun

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings. Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation, engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

A difficult time in love relationships is virtually unavoidable at this time. Areas which you have neglected in your relationship come back to haunt you now. For example, if you have been inconsiderate, domineering, or forgetful of the other person's needs, you may find that your mate is now completely tired of trying to coerce you into cooperating, and a feeling of distance develops in the relationship. You are likely to find that you now need to devote more time to helping the other person and giving more to the other person, rather than simply enjoying his/her company and taking him/her for granted.

During this time period you attempt to restructure your love relationship. Traits in the other person that previously were minor annoyances now seem like major obstacles. You become very picky about the other person, and you see him/her as too demanding or too independent, too domineering or too passive, lacking in romance and style, or else too mushy and corny. You are very difficult to please now because you've decided

what you want in your relationship and you want it now. Your mate may be pressuring you in a similar way to act differently. You must come to grips with what you really want in a relationship and whether the relationship you are in is right for you. If you become sufficiently frustrated, a separation will occur or you will become increasingly lonely, feeling distant from others and unfulfilled in your love needs. On the other hand, if the two of you feel like you have found what you are looking for, then the relationship will become even stronger and the commitment to support and help each other even greater.
