

The Weekly Advanced Forecast Report for

Joe Doe

*This report was generated from parsing your Advanced Forecast Report (by Ronco, Jawer, and Hajjar) in order to find the aspects of influence for the following time period. The information is grouped in four sections: Influences within the week, influences that start during the week, influences that end during the week and influences that span more than the week. Aspects that have a peak influence during the week are highlighted. Basic sorting is by aspect start date.*

Monday April 22 to Sunday April 28, 2019.

**Influences contained within the week**

*April 23 to April 24, 2019 (1 days) peaking Tuesday*

***Merc Sxtil MC***

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

*April 23 to April 25, 2019 (2 days) peaking Wednesday*

***Merc Sxtil Merc***

A nonstop flow of communication between yourself and the people in your immediate environment is likely today. You may engage in interesting and informative discussions or fritter your time away in inconsequential chatter and gossip. Mental curiosity or restlessness may also impel you to take a short trip or visit.

*April 24 to April 26, 2019 (2 days) peaking Thursday*

***Merc Sqr Jup***

Your mind is on bigger issues and long-range plans. You are optimistic and enthusiastic about your ideas, but disinclined to read the fine print or study all the facts, which can result in an error in judgment. Try not to be lax about important details.

*April 24 to April 27, 2019 (3 days) peaking Friday*

***Mars Oppos Nep***

At this time your interactions with others and with the outside world in general can be confusing, devitalizing, and discouraging. It seems that whatever you try to do goes nowhere or gets lost in a haze of misunderstanding. This is not a good time to try to toot your own horn or attempt to get personal recognition for your efforts. Taking time off, working quietly, or doing something primarily for the benefit of others without concern for personal gain is favored at this time.

*April 26 to April 27, 2019 (1 days) peaking Friday*

***Merc Qucnx Ura***

You tend to be tense, wired, on edge, a bit nervous or jumpy, and you will need to take a little time to breathe deeply and settle yourself. The pace of the day may make this difficult, however. You are apt to be too quick to respond or respond inappropriately to questions, tests, quizzes, etc. If you consciously slow down, you will do a lot better.

*April 26 to April 28, 2019 (2 days) peaking Saturday*

***Merc Oppos Plu***

## Mahala's Astrology Report Service

This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Pat answers and superficialities don't suffice now. You can be too intrusive or overbearing when stating your point of view.

### Influences starting this week

*April 27 to April 29, 2019 (2 days) peaking Sunday*

***Ven Sxtil Merc***

This is a very good time to go to the theater, an art exhibit, or social gathering. You want to see beautiful things and exchange pleasantries with others. In fact, matters of the heart are on your mind and you may want to play match-maker now.

*April 27 to April 29, 2019 (2 days) peaking Sunday*

***Ven Sxtil MC***

Meeting people that can benefit your career, getting together with colleagues, or getting to know your superiors on a more personal, friendly basis is quite likely at this time. Take advantage of all opportunities to socialize with the people you have professional ties with for the outcome is likely to be quite positive.

*April 27 to May 19, 2019 (22 days) peaking Saturday*

***Merc 12th H***

This is a good time for quiet study and inward reflection. Your intuition and sensitivity to the hidden, behind the scenes aspects of a situation are operating strongly now. However, you are less inclined to speak your mind or take a definite stand on important matters. A wait-and-see attitude is likely to characterize this time period.

*April 28 to April 29, 2019 (1 days) peaking Sunday*

***Merc Sqr Moon***

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

*April 28 to April 30, 2019 (2 days) strengthening*

***Merc Sxtil Sun***

This is a busy time; communicating and getting in touch with others is very likely. Numerous phone calls, letters, meetings, errands, or discussions bring you into contact with others. This is a good time to brainstorm with others, share ideas, and come to a group consensus.

*April 28 to April 30, 2019 (2 days) strengthening*

***Merc Trine Nep***

You are inspired creatively, artistically, or spiritually at this time. Your imagination, intuition, and psychic sensitivity are high now, and you find yourself wanting to paint or listen to music, daydream, or fantasize rather than concentrate on practical matters.

### Influences ending this week

*April 19 to April 23, 2019 (4 days) weakening*

***Mars Trine Plu***

Getting what you really want and moving toward achieving the things which are important to you may involve surrendering something or eliminating something from your life at this time. Perhaps an attitude, a situation, or an attachment that has been impeding you is now released. You feel free to concentrate on the things that are most important to you now. Major, long-term changes can be successfully begun now - a lifestyle change or a regimen of self-improvement, for instance.

*March 1 to April 27, 2019 (57 days) weakening*

***Nep Sqr Nep***

Some change in attitude towards your ideals and spiritual values occurs now. This change is very inner and gradual, so it is not likely that you will have any great concern or difficulty about these changes. A new attitude toward the religious beliefs that you were taught as a child is very likely to develop now.

### **Influences spanning the entire week**

*April 1 to May 2, 2019 (31 days) weakening*

***Ven 11th H***

Meeting with people who share common ideals or purposes, either on a professional or personal level, will be very successful now. You have a friendly, cooperative attitude that will help such gatherings flow smoothly.

You need and want to socialize now. Parties or other gala events are favored. Getting together with a group of friends to play music or sing would be very satisfying.

*March 22 to May 3, 2019 (42 days) weakening*

***Mars 1st H***

You are decisive and forthright and your energy level is high. You appear rather headstrong and most people will stay out of your way, or let you take the lead. You aren't very patient or conciliatory now and won't avoid a confrontation. You may even provoke them in an unnecessarily forceful or inconsiderate manner. Now is the time to act, but try not to be foolhardy or step on too many toes.

*April 3 to May 16, 2019 (43 days) weakening*

***Sun 12th H***

Retreating from the world for awhile and spending some quiet time alone to relax and rejuvenate appeals strongly to you now. You may feel like you are at a low ebb and as if nothing is happening or you may simply not want to be where the action is. Competitive ambitions and ego drives are on hold now.

*March 9 to May 10, 2019 (62 days) weakening*

***Nep Sqr Sun***

Your energy level is lower at this time and you are susceptible to catching colds and other illnesses. Regular exercise is excellent for you, but avoid pushing yourself too far as your body doesn't withstand stress and exertion very well now. Also, avoid making drastic changes to your diet. Improving your diet, of course, is beneficial, but your body is sensitive and unlikely to adapt well to sudden changes.

Your motivation and ambition weakens now. You are in a receptive, open-minded mood, and you do not assert yourself as aggressively as usual. You are quite impressionable, in fact, and can be easily talked into doing something that you normally would not do. You can also be deceived and manipulated by others. Do not allow yourself to be pressured into things. Be circumspect and extra careful in all of your dealings. Disappointments and inadvertent mistakes of all kinds are likely, but you can prevent many problems by being

extra careful to analyze and meticulously go over important matters.

An occasional escape from your usual routine is beneficial for you now. This is a good time to vacation, engage in art work or music, attend retreats and spiritual or religious gatherings. Reading fantasy or fairy tales and watching movies is also particularly enjoyable now. This is an excellent time to pursue spiritual, religious, or psychic areas. However, this is not a good time to join a church, change religions, or embrace a new religious philosophy because you are very gullible and easily deceived now.

If you have any tendency to drink to excess or use drugs, the temptation to do so now is very strong - but don't do it! In fact, even drugs used for medical purposes have pronounced psychological, and sometimes physical, effects now.

You may lose self-confidence now or you may swing to the opposite extreme and suffer from delusions of grandeur. In either case, your fantastic and idealistic notions of your inner potential clash with the reality of what you have made of yourself. Try not to have unreasonable expectations of yourself. Keep your ideals strong, but remember that ideals should inspire you with a vision of what is possible rather than make you feel bad about current conditions.

A difficult time in love relationships is virtually unavoidable at this time. Areas which you have neglected in your relationship come back to haunt you now. For example, if you have been inconsiderate, domineering, or forgetful of the other person's needs, you may find that your mate is now completely tired of trying to coerce you into cooperating, and a feeling of distance develops in the relationship. You are likely to find that you now need to devote more time to helping the other person and giving more to the other person, rather than simply enjoying his/her company and taking him/her for granted.

During this time period you attempt to restructure your love relationship. Traits in the other person that previously were minor annoyances now seem like major obstacles. You become very picky about the other person, and you see him/her as too demanding or too independent, too domineering or too passive, lacking in romance and style, or else too mushy and corny. You are very difficult to please now because you've decided what you want in your relationship and you want it now. Your mate may be pressuring you in a similar way to act differently. You must come to grips with what you really want in a relationship and whether the relationship you are in is right for you. If you become sufficiently frustrated, a separation will occur or you will become increasingly lonely, feeling distant from others and unfulfilled in your love needs. On the other hand, if the two of you feel like you have found what you are looking for, then the relationship will become even stronger and the commitment to support and help each other even greater.
