Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Influences starting this week

May 23 to June 8, 2019 (16 days) strengthening

Jup Qucnx Ven

Overly generous gifts, profuse sentimentality, cravings for beauty, luxury, or sensual delights, giving in to the temptation to overindulge, or a lack of moderation in romantic or financial affairs are all definitely indicated now. There will be tension within you over these issues, and you are apt to seesaw between immediate gratification and more long lasting benefits.

Social events and festivities may be the scene of some embarrassment or awkwardness, also.

May 24 to October 22, 2019 (151 days) peaking Friday

Jup 7th H

Harmony and increased satisfaction in your marriage and in your personal interactions in general are very likely, perhaps because you are more tolerant, generous, and unpossessive than usual. However, you are also feeling a strong need not to be restricted or possessed by others either, for you sense that many people have something of value to offer you and you do not want to limit your world to just a few. Expanding your social involvement and meeting new people appeal to you more than ever.

May 25 to May 27, 2019 (2 days) peaking Sunday

Ven Oppos Ura

You are prone to act erratically in your relationships. A sudden infatuation or an impulse to break free or make radical changes in a current relationship is likely. Also, a taste for the unusual and unconventional emerges. You may find yourself enjoying things you never thought you would like.

May 26 to May 27, 2019 (1 days) peaking Sunday

Ven Qucnx Plu

Fateful encounters which are not altogether pleasant are indicated. If you are in an established intimate relationship, it is apt to be rough sailing right now. Ultimatums, bringing up past pain and unresolved issues, jealousy, or unusual neediness or possessiveness may all be part of the scenario, and what makes all of this quite stressful is that most of it is not blatant but subtle and insidious. Indiscretion and poor judgment in matters of the heart need to be guarded against.

May 26 to May 28, 2019 (2 days) strengthening

Merc Qucnx Ura

You tend to be tense, wired, on edge, a bit nervous or jumpy, and you will need to take a little time to breathe deeply and settle yourself. The pace of the day may make this difficult, however. You are apt to be too quick to respond or respond inappropriately to questions, tests, quizzes, etc. If you consciously slow down, you will do a lot better.

Influences ending this week

May 18 to May 20, 2019 (2 days) weakening

Merc Conj Asc

Sales, teaching, public speaking, negotiating, or any endeavor that involves giving information to others is favored now. You are clear, articulate, and communicative at this time.

May 18 to May 20, 2019 (2 days) weakening

Merc Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

May 19 to May 21, 2019 (2 days) peaking Monday

Merc Sqr Mars

Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time.

You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary.

Influences spanning the entire week

May 18 to May 31, 2019 (13 days) weakening

Merc 1st H

Mahala's Astrology Report Service

At this time you are likely to speak out and let your voice be heard on matters you have been considering or mulling over for some time. You are keen and alert, and you express yourself well. This is an excellent time to initiate discussions and communication, but you may be so intent on getting your message across that you don't really listen to what anyone else has to say.

May 15 to June 12, 2019 (28 days) weakening

Sun 1st H

During this time you can make a strong statement to the world about who you are and your presence has a more noticeable effect upon the people in your environment. If you want to make an impression on others, now is a fine time to do so. People recognize you and are likely to follow your lead, or at least they stay out of your way more readily than usual. You are likely to feel more confident and vital now.

However, you may be so preoccupied with yourself and your own desires that you unintentionally ignore other people and their needs.

May 2 to June 5, 2019 (34 days) weakening

Ven 12th H

You are not likely to be very gregarious or sociable now, and you may feel that you cannot be openly affectionate with someone you care about. You may have romantic yearnings for someone that is unavailable to you, and great discretion regarding this relationship may be called for.

On the other hand, a friend or loved one may need you very much. You could be called upon to give to or care for them without getting much personal enjoyment or pleasure at the moment, except through serving them in an unselfish way.

May 1 to June 8, 2019 (38 days) weakening

Mars 2nd H

If you have been passive or nonchalant about business affairs, finances, and material security, you will begin taking a more active, positive attitude toward this area of your life. Increased ambition and enterprise are likely, but arguments over money are also more frequent than usual now.

A difficult time in love relationships is virtually unavoidable at this time. Areas which you have neglected in your relationship come back to haunt you now. For example, if you have been inconsiderate, domineering, or forgetful of the other person's needs, you may find that your mate is now completely tired of trying to coerce you into cooperating, and a feeling of distance develops in the relationship. You are likely to find that you now need to devote more time to helping the other person and giving more to the other person, rather than simply enjoying his/her company and taking him/her for granted.

During this time period you attempt to restructure your love relationship. Traits in the other person that previously were minor annoyances now seem like major obstacles. You become very picky about the other person, and you see him/her as too demanding or too independent, too domineering or too passive, lacking in romance and style, or else too mushy and corny. You are very difficult to please now because you've decided what you want in your relationship and you want it now. Your mate may be pressuring you in a similar way to act differently. You must come to grips with what you really want in a relationship and whether the relationship you are in is right for you. If you become sufficiently frustrated, a separation will occur or you will become increasingly lonely, feeling distant from others and unfulfilled in your love needs. On the other hand, if the two of you feel like you have found what you are looking for, then the relationship will become

even stronger and the commitment to support and help each other even greater.
