**Influences contained within the week**

*July 1 to July 3, 2019 (2 days) peaking Tuesday*

*Sun Conj Jup*

You feel expansive, enthusiastic, and optimistic now. You want to reach out, do more and experience more. You benefit greatly from the opportunities that present themselves at this time, and a person who will be very influential and helpful to you may come into your life.

*July 4 to July 6, 2019 (2 days) peaking Friday*

*Sun Trine Ura*

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little crazy without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

*July 5 to July 7, 2019 (2 days) peaking Saturday*

*Sun Sqr Plu*

Underlying or previously hidden aspects of a situation come to light now.

The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people.

Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude.

**Influences starting this week**

*July 6 to August 1, 2019 (26 days) peaking Sunday*

*Sun 3rd H*

This is likely to be a busy, active time in which telephone calls, errands, commercial transactions, and the business of everyday living takes much of your time. You are also somewhat restless and not inclined to long quiet periods of concentrated or solitary work. You tend to fritter away your time on inconsequential social activities, but this may not be all bad. Taking time to chat with neighbors and associates may result in more positive and smoother-running relationships.

*Sun Conj Moon*

Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual.

### Influences ending this week

*June 30 to July 2, 2019 (2 days) peaking Monday*

*Ven Sxtil Mars*

Romance and flirtations are likely now. You are feeling warm, expressive, and lively. Loving feelings flow between you and the people you meet, especially those of the opposite sex. Friendships are also strengthened at this time. Also, your creativity and desire to make something beautiful is stimulated now.

*June 29 to July 2, 2019 (3 days) peaking Monday*

*Sun Qucnx MC*

A minor social disgrace or embarrassment is likely now, especially if you are in the public eye. You may be upstaged or challenged in a particularly disconcerting way. However, how you handle any humiliation or adverse situation which occurs at this time may well be crucial to future success. Influential men in your life are implicated.

### Influences spanning the entire week

*June 20 to July 8, 2019 (18 days) weakening*

*Jup Oppos Sun*

During this time period, you feel like it is time to go for the gold. You want to hit the jackpot, and you may find yourself walking with a little extra spring and bounce and whistling zippity-doo-dah! This is, indeed, a time of opportunity and good times. However, you also tend to harbor unrealistic hopes, exaggerate the possibilities, and lack a sense of realism.

Your need for fulfillment and success is strong, and you may splurge, run up a very high bill on your credit card, or take on a new monthly payment in order to obtain the possessions that you want. However, do not let material acquisitions be a substitute for the fulfillment derived from personal achievement and success. If you allow this to happen, you will regret your purchases and become inclined to feel depressed and empty after your buying spree.

You may also find your moods swinging from very high points of enthusiasm and optimism to low points of discontent and restlessness. This results from the increased need for success and fulfillment that you feel at this time. If you feel like you are not successful and you see no new doors opening for you, then you begin to feel emotionally depressed. However, the pep and zest of the astrological influence at work now will not keep you down for long, and you bounce back again.

This is a time to go after your dreams. Try not to feel disappointed if you do not find a pot of gold at the end of each rainbow. But keep looking because you certainly do have a little extra good luck on your side during this time period.

*June 22 to July 11, 2019 (19 days) peaking Monday*

*Jup Conj Nep*

## Mahala's Astrology Report Service

Your mind wanders to faraway places, and your imagination is kindled with thoughts of the exotic, mystical, and fantastic. You feel restless and bored by your daily routine. You are unable to concentrate on mundane matters and you may find yourself daydreaming. This is a good time to vacation and travel.

A new surge of religious or spiritual aspiration is also evident. You feel a need to be more in touch with spiritual forces, and this is a good time for attending religious and spiritual functions, reading inspirational literature, etc. This is the time to open your mind and imagination to a grander vision and to inspire your highest aspirations. Allow yourself the time to pursue these interests.

*June 25 to July 15, 2019 (20 days) weakening*

***Ven 2nd H***

You may be very tempted to spend lavishly on special treats that will make your life more comfortable and pleasant, and frivolous purchases may be hard to resist. This is a fine time, however, to buy art, jewelry, or other beautiful things which will increase in value and be appreciated for a long time to come.

*June 30 to July 23, 2019 (23 days) strengthening*

***Jup Qucnx Moon***

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

*June 11 to July 7, 2019 (26 days) weakening*

***Sun 2nd H***

Money, possessions, financial security, and practical matters are a focus for you now. If you tend to be generous or extravagant with your resources, you are prone to be even more so now, and if you have been struggling financially, you may begin to see the light at the end of the tunnel. At the least, it should become clear to you what your next steps should be regarding your finances.

*June 25 to July 22, 2019 (27 days) strengthening*

***Sat Qucnx Sun***

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

*June 6 to July 15, 2019 (39 days) weakening*

***Mars 3rd H***

At this time, you communicate more directly and forcefully, and you are prone to be rather abrasive. Impatient with others' ambiguity, vagueness, or noncommittal stance, you may provoke arguments in an effort to get a clear answer or decision from someone. It is better to attack some intellectual problem or task, rather than your neighbors and friends.

*June 12 to August 18, 2019 (67 days) weakening*

***Merc 3rd H***

Your intellectual curiosity and mental restlessness is high now and you may flit from one activity to another or spend a lot of time chatting and socializing. Plan frequent outings and short excursions to satisfy your need to move about and to communicate.

This is a good time to take a field trip or to travel for business purposes.
