

The Weekly Advanced Forecast Report for

Joe Doe

*This report was generated from parsing your Advanced Forecast Report (by Ronco, Jawer, and Hajjar) in order to find the aspects of influence for the following time period. The information is grouped in four sections: Influences within the week, influences that start during the week, influences that end during the week and influences that span more than the week. Aspects that have a peak influence during the week are highlighted. Basic sorting is by aspect start date.*

Monday July 8 to Sunday July 14, 2019.

**Influences contained within the week**

*July 8 to July 10, 2019 (2 days) peaking Tuesday*

*Sun Qucnx Nep*

Vague feelings of weakness or a mysterious or unexplained illness and/or oversensitivity to chemicals, poisons, and pollutants can make this a challenging time. Your defenses are not as strong as usual which makes you susceptible to being overpowered by outside forces.

Be gentle and don't expect too much of yourself right now. Intoxicants of any sort are best avoided at this time.

*July 10 to July 11, 2019 (1 days) peaking Wednesday*

*Ven Qucnx MC*

Self-consciousness, anxiety about public images or reputation, and/or a greater concern for the packaging than the contents are some of the less positive possibilities for you at this time. You are apt to be rather attractive and appealing, particularly at the work place or in your professional role. Be careful not to take advantage of this for it could backfire. On a more pleasant note, an inviting atmosphere at work and appreciation for work well done is indicated. You could make some new contacts too, which would be good, except for the caution cited above.

*July 11 to July 13, 2019 (2 days) peaking Friday*

*Ven Conj Jup*

Happiness and a desire to share your good fortune and joy with others is the theme now. You are feeling generous and expansive and are inclined to give lavish gifts or buy something lovely for yourself that is costly or extravagant. A diet or budget is likely to go out the window right now. As long as you don't overextend yourself, this is a good time to indulge your feelings of kindness towards others and also to be kind and indulgent to yourself.

*July 12 to July 14, 2019 (2 days) peaking Saturday*

*Sun Conj Ven*

Love, relationships, beauty, and pleasure are emphasized now. You feel especially attractive or friendly, and the warmth you radiate is noticed and appreciated. A new romance or friendship may ensue. Artistic efforts are also fruitful.

**Influences starting this week**

*July 11 to August 10, 2019 (30 days) strengthening*

***Sat Oppos Moon***

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

*July 13 to July 15, 2019 (2 days) peaking Sunday*

***Ven Trine Ura***

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine and, because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

*July 14 to July 16, 2019 (2 days) strengthening*

***Ven Sqr Plu***

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

*July 14 to July 17, 2019 (3 days) strengthening*

***Mars Oppos MC***

This is a low point as far as getting ahead or achieving anything in the world is concerned. For now, your energy needs to go into your personal life, home, and family matters. Stress which has been building up both at work and in your family relationships needs to be released now. Try to work out or find ways to express yourself physically, like working in the yard or playing sports; otherwise, you are prone to becoming pugnacious with the people you are closest to.

*July 14 to August 4, 2019 (21 days) strengthening*

***Ven 3rd H***

Cooperative neighbors and agreeable relations with people in your immediate circle characterize this time period. It is an excellent time to make social visits, ameliorate old grievances, and make friendly overtures to others. Attending cultural events and taking short trips for pleasure and recreation are quite satisfying now.

*July 14 to August 30, 2019 (47 days) strengthening*

***Mars 4th H***

## Mahala's Astrology Report Service

Much productive activity in your home is likely. Do-it-yourself home improvements, working hard to get your home the way you'd like it, or tackling some ambitious projects in the house or yard may be on the agenda.

You or others in your family may also be more defensive and quick to blow up over petty annoyances. Friction with parents and other close relatives or old rivalries with your family can be a source of considerable stress at this time.

### Influences ending this week

*July 7 to July 9, 2019 (2 days) peaking Monday*

***Sun Conj Moon***

Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual.

*June 20 to July 8, 2019 (18 days) weakening*

***Jup Oppos Sun***

During this time period, you feel like it is time to go for the gold. You want to hit the jackpot, and you may find yourself walking with a little extra spring and bounce and whistling zippity-doo-dah! This is, indeed, a time of opportunity and good times. However, you also tend to harbor unrealistic hopes, exaggerate the possibilities, and lack a sense of realism.

Your need for fulfillment and success is strong, and you may splurge, run up a very high bill on your credit card, or take on a new monthly payment in order to obtain the possessions that you want. However, do not let material acquisitions be a substitute for the fulfillment derived from personal achievement and success. If you allow this to happen, you will regret your purchases and become inclined to feel depressed and empty after your buying spree.

You may also find your moods swinging from very high points of enthusiasm and optimism to low points of discontent and restlessness. This results from the increased need for success and fulfillment that you feel at this time. If you feel like you are not successful and you see no new doors opening for you, then you begin to feel emotionally depressed. However, the pep and zest of the astrological influence at work now will not keep you down for long, and you bounce back again.

This is a time to go after your dreams. Try not to feel disappointed if you do not find a pot of gold at the end of each rainbow. But keep looking because you certainly do have a little extra good luck on your side during this time period.

*June 22 to July 11, 2019 (19 days) weakening*

***Jup Conj Nep***

Your mind wanders to faraway places, and your imagination is kindled with thoughts of the exotic, mystical, and fantastic. You feel restless and bored by your daily routine. You are unable to concentrate on mundane matters and you may find yourself daydreaming. This is a good time to vacation and travel.

A new surge of religious or spiritual aspiration is also evident. You feel a need to be more in touch with spiritual forces, and this is a good time for attending religious and spiritual functions, reading inspirational literature, etc. This is the time to open your mind and imagination to a grander vision and to inspire your highest aspirations. Allow yourself the time to pursue these interests.

**Influences spanning the entire week**

*June 25 to July 15, 2019 (20 days) weakening*

***Ven 2nd H***

You may be very tempted to spend lavishly on special treats that will make your life more comfortable and pleasant, and frivolous purchases may be hard to resist. This is a fine time, however, to buy art, jewelry, or other beautiful things which will increase in value and be appreciated for a long time to come.

*June 30 to July 23, 2019 (23 days) peaking Tuesday*

***Jup Qucnx Moon***

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

*July 6 to August 1, 2019 (26 days) weakening*

***Sun 3rd H***

This is likely to be a busy, active time in which telephone calls, errands, commercial transactions, and the business of everyday living takes much of your time. You are also somewhat restless and not inclined to long quiet periods of concentrated or solitary work. You tend to fritter away your time on inconsequential social activities, but this may not be all bad. Taking time to chat with neighbors and associates may result in more positive and smoother-running relationships.

*June 25 to July 22, 2019 (27 days) peaking Tuesday*

***Sat Qucnx Sun***

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

*June 6 to July 15, 2019 (39 days) weakening*

***Mars 3rd H***

At this time, you communicate more directly and forcefully, and you are prone to be rather abrasive. Impatient with others' ambiguity, vagueness, or noncommittal stance, you may provoke arguments in an effort to get a clear answer or decision from someone. It is better to attack some intellectual problem or task, rather than your neighbors and friends.

*June 12 to August 18, 2019 (67 days) weakening*

***Merc 3rd H***

Your intellectual curiosity and mental restlessness is high now and you may flit from one activity to another or spend a lot of time chatting and socializing. Plan frequent outings and short excursions to satisfy your need to move about and to communicate.
