Right now, you are apt to attract people whose helplessness evokes your pity and compassion. Your discrimination regarding others in general is less acute, and you could be taken advantage of. Ven Conj Ven

Your desire for love, companionship, and affection predominates at this time. A new friendship or romance could begin, or an established relationship can be revitalized and enhanced. You also need to be surrounded by beauty and harmony and your artistic inclinations are stimulated now.

Influences starting this week

July 20 to July 24, 2019 (4 days) strengthening

Mars Sqr Ura

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

Influences ending this week

July 13 to July 15, 2019 (2 days) weakening

Ven Trine Ura

Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine and, because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

July 14 to July 16, 2019 (2 days) peaking Monday

Ven Sqr Plu

Hidden passions, fears, jealousies, longings, desires, or needs surface in you now and can stir up trouble in your closest relationships. You are prone to be compulsive or demanding in a close relationship, to be emotionally driven and to force things to a head in some emotionally-laden situation. Positively, a relationship can be deepened and reborn now, given new life by your willingness to reveal yourself completely to your loved one.

July 14 to July 17, 2019 (3 days) peaking Monday

Mars Oppos MC

This is a low point as far as getting ahead or achieving anything in the world is concerned. For now, your energy needs to go into your personal life, home, and family matters. Stress which has been building up both at work and in your family relationships needs to be released now. Try to work out or find ways to express yourself physically, like working in the yard or playing sports; otherwise, you are prone to becoming pugnacious with the people you are closest to.

June 25 to July 15, 2019 (20 days) weakening

Ven 2nd H

You may be very tempted to spend lavishly on special treats that will make your life more comfortable and pleasant, and frivolous purchases may be hard to resist. This is a fine time, however, to buy art, jewelry, or other beautiful things which will increase in value and be appreciated for a long time to come.

Influences spanning the entire week

July 14 to August 4, 2019 (21 days) peaking Monday

Ven 3rd H

Cooperative neighbors and agreeable relations with people in your immediate circle characterize this time period. It is an excellent time to make social visits, ameliorate old grievances, and make friendly overtures to others. Attending cultural events and taking short trips for pleasure and recreation are quite satisfying now.

June 30 to July 23, 2019 (23 days) weakening

Jup Qucnx Moon

Mahala's Astrology Report Service

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

July 6 to August 1, 2019 (26 days) weakening

Sun 3rd H

This is likely to be a busy, active time in which telephone calls, errands, commercial transactions, and the business of everyday living takes much of your time. You are also somewhat restless and not inclined to long quiet periods of concentrated or solitary work. You tend to fritter away your time on inconsequential social activities, but this may not be all bad. Taking time to chat with neighbors and associates may result in more positive and smoother-running relationships.

June 25 to July 22, 2019 (27 days) weakening

Sat Quconx Sun

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

July 11 to August 10, 2019 (30 days) strengthening

Sat Oppos Moon

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

July 14 to August 30, 2019 (47 days) peaking Monday

Mars 4th H

Much productive activity in your home is likely. Do-it-yourself home improvements, working hard to get your home the way you'd like it, or tackling some ambitious projects in the house or yard may be on the agenda.

You or others in your family may also be more defensive and quick to blow up over petty annoyances. Friction with parents and other close relatives or old rivalries with your family can be a source of considerable stress at this time.
