### Influences contained within the week

*July 22 to July 25, 2019 (3 days) peaking Tuesday*

***Mars Sxtil Plu***

You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely.

*July 23 to July 25, 2019 (2 days) peaking Wednesday*

***Ven Sxtil Asc***

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

### Influences starting this week

*July 25 to July 29, 2019 (4 days) peaking Friday*

***Merc Sxtil Asc***

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

*July 25 to August 28, 2019 (34 days) strengthening*

***jup sxtil plu***

Cooperation with businesses, government agencies, organizations, and influential individuals is highlighted now. You will find that you can gain cooperation and support from authorities and bureaucracies that previously ignored your requests or advice. Organizations and influential people are also more willing to assist you in your personal plans and interests.

You may be called upon to be a representative of an organization or to assume a leadership role at this time. If so, you will perform this function very successfully.

*July 27 to July 30, 2019 (3 days) peaking Sunday*

***Mars Trine Nep***

You do not feel very sharp, competitive, or aggressive at this time. Feelings of relaxation, receptivity, passivity, or aimlessness are likely and you tend to avoid stressful confrontations or situations that demand too

much of you. Goals and desires that normally seem so important - especially ones in which you are pushing your own interests - do not matter quite as much now. Your imagination is stimulated, and you need activities and entertainments that are colorful, out of the ordinary, and definitely not mundane.

*July 27 to July 30, 2019 (3 days) strengthening*

***Mars Sxtil Sun***

Your physical drive and energy level are high now, and you can accomplish a great deal fairly easily. You are inclined to take the initiative or to strike out on your own, and you are likely to be successful at what you attempt at this time. Because you assert yourself in a positive manner, a leadership role or an opportunity to do something you have wanted to do on your own is likely to be offered to you.

### **Influences ending this week**

*July 20 to July 24, 2019 (4 days) peaking Monday*

***Mars Sqr Ura***

Rebelliousness, recklessness, impatience, a sudden burst of anger or your need to break free from rules and restrictions may create a lot of disruption in your life right now. Also, you can't seem to settle down or focus on one task for any length of time. Though you are unusually energetic, it is hard for you to get anything done. You tend to fly off the handle and to scatter your forces. You are happiest now when you do something creative and daring, and that doesn't require cooperating or conforming to others' wishes and needs.

*June 30 to July 23, 2019 (23 days) weakening*

***Jup Qucnx Moon***

You are apt to feel overextended, coping with an increase in the family, company in your home, or even an abundance of pleasant opportunities which you are unable to resist. If your life is too quiet or predictable you will be restless, craving some fun or expansion. You also spend money freely, even extravagantly, at this time and you may later regret splurging. Or you may not choose to spend for pleasure but you find your expenses for children or for home improvement will exceed your expectations.

*June 25 to July 22, 2019 (27 days) weakening*

***Sat Qucnx Sun***

This time period is characterized by feelings of being restricted, blocked, or delayed, and great patience and endurance will be required of you. An increased concern about aging, the passage of time, and the limitations of your body make you more serious and more earnest about doing what is important and essential. You may have less energy or a health challenge at this time which forces you to choose what is really important to you. An older person, mentor, or parental authority figure may disappoint you or be particularly harsh and demanding. In your own role as parent or boss, you may well be seen as an ogre or tyrant (and for good reason)! In other ways, this is apt to be a dry spell for you, and a sense of meaninglessness or struggling oppresses you. This is a good time to reassess how you are living your life and begin to realize yourself and your true purpose and joy in life.

### **Influences spanning the entire week**

*July 14 to August 4, 2019 (21 days) weakening*

***Ven 3rd H***

Cooperative neighbors and agreeable relations with people in your immediate circle characterize this time period. It is an excellent time to make social visits, ameliorate old grievances, and make friendly overtures to others. Attending cultural events and taking short trips for pleasure and recreation are quite satisfying now.

*July 6 to August 1, 2019 (26 days) weakening*

***Sun 3rd H***

This is likely to be a busy, active time in which telephone calls, errands, commercial transactions, and the business of everyday living takes much of your time. You are also somewhat restless and not inclined to long quiet periods of concentrated or solitary work. You tend to fritter away your time on inconsequential social activities, but this may not be all bad. Taking time to chat with neighbors and associates may result in more positive and smoother-running relationships.

*July 11 to August 10, 2019 (30 days) peaking Thursday*

***Sat Oppos Moon***

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

*July 14 to August 30, 2019 (47 days) weakening*

***Mars 4th H***

Much productive activity in your home is likely. Do-it-yourself home improvements, working hard to get your home the way you'd like it, or tackling some ambitious projects in the house or yard may be on the agenda.

You or others in your family may also be more defensive and quick to blow up over petty annoyances. Friction with parents and other close relatives or old rivalries with your family can be a source of considerable stress at this time.
