Influences ending this week

July 11 to August 10, 2019 (30 days) weakening

Sat Oppos Moon

The responsibilities and demands of family members may seem overwhelming at this time. You may feel that others are unreasonable in their demands, and that they do not appreciate all that you do for them. This is probably true but you are also very sensitive to criticism at this time, and the extra demands that are placed on you are stressful and can cause you to easily become annoyed and despondent.

Balancing career and domestic needs is difficult now. You may decide to cut down on your working hours so you can devote more time to family, or you may make a decision to not have more children so that family demands can be kept in balance.

You are likely to feel that others do not really understand you, and that they are inflexible and uncompromising. However, the demands that they make on you arise because this is a time when you must give a little more and take care of past negligence. A large amount of sacrifice and selfless dedication to family responsibilities is needed at this time and, if you are unwilling to do it, a major crisis in your close relationships is likely to erupt. Even if you do your best, difficult adjustments in home life and close relationships are likely at this time.

You may be called upon to be a representative of an organization or to assume a leadership role at this time. If so, you will perform this function very successfully.

July 14 to August 30, 2019 (47 days) weakening

Mars 4th H

Much productive activity in your home is likely. Do-it-yourself home improvements, working hard to get your home the way you'd like it, or tackling some ambitious projects in the house or yard may be on the agenda.

You or others in your family may also be more defensive and quick to blow up over petty annoyances. Friction with parents and other close relatives or old rivalries with your family can be a source of considerable stress at this time.
