Chapter 1: Ceres

Ceres in Aries:

You nurture by giving independence to others, and allowing them to show their strength. This was learned as it was how you were nurtured from your parents. When someone is down or weak you show you care by helping them become self-sufficient, and feeling better about themselves. You may tend to eat fast as Ceres has much to do with food and eating. You tend to be demonstrative to those you nurture by doing things for them. Career with this placement can be nurses, caretakers, first responders,

Ceres in 1st house:

You are the personification of Ceres; caretaker, nurturer, parental, responsible. You have interest in subjects related to Ceres; agriculture, gardening, caretaking, food and nutrition. You may be the one to nurture yourself, as well as others. You love helping and providing for others, you may be seen as the "parent" or responsible one.

Ceres Opposition Moon:

You have a difficult time trusting your feelings when someone tries to take care of you, or shows you affection. Relationships can be difficult as your nurturing style and their emotional needs are not matching up. You have strong feelings of rejection, or conditional love, based on what you learned from mother. She may have been too busy to nurture you properly, thus you did not learn how to nurture others. This is something you need to work on to integrate emotional fulfillment with your nurturing and caretaking style.

Ceres Square Mercury:

Communication was not encouraged while growing up. This may make you feel inadequate in your speaking and writing skills. There may have been conditioning with hard words etc. There may have been circumstances that prevented much communication from mother, and the nurturing that brings. Learn to communicate with words that are healing, and encouraging. Your self-esteem is wrapped up in communications, and what "people will say". Don't be harsh on yourself. A sibling may have taken time away from you from mother, work on healing this, and integrating it into your life.

Ceres Conjunct Pluto:

You have a very deep connection with those you care about, intense is a good word. Be careful to not be too controlling or over protective which this aspect can imply. You feel on a soul level which many might not understand or relate to. When others are having a tough time or in heavy grief you are there to help and face the situation head on, where others might have left. You have had to deal with many endings in relationships in life from an early age, you would be an excellent grief counselor, therapist, or psychologist. Abandonment issues may be an issue you have to learn to cope with, stemming from your mother as she was very emotional as well. There may be issues with endings in relationships leading to obsession. Food and eating can be an obsession whether too much or too little.

Chapter 2: Pallas

Pallas in Pisces:

Your perception is highly psychic, and creative. You have a dreamy and mystical side to you, as your imagination is very strong and active. You may dismiss things as coincidence or synchronicity, but you really are aware on another level. You learn and perceive through osmosis; learning by absorbing everything around you, which is so hard to tell where things begin and end. You are very interested in spirituality, spirit guides past lives etc. and you do have insight into them. Music, acting, poetry are all good expressions for you to follow.

Pallas in 12th house:

You have a very strong and active subconscious mind. Pallas here gives you psychic insight into people and situations. You may remember past lives vividly. You will be sought after for advice, and guidance, the "plan of attack". You may be reluctant at first to show this side of yourself, preferring to stay behind the scenes. Other jobs include trouble shooters from call centers, data processors, computer techs, and detectives, psychology, counselors, hypnotherapists.

Pallas Trine Jupiter:

You have excellent talents for teaching, training and coaching others. As a mentor you give positive advice and acknowledgment. You see the big picture strategy for improving social systems or how to teach others to expand on what you taught them. You help others keep an open mind and to explore the possibilities that even you haven't yet thought of. An Uncle may be a positive influence on your life.

Pallas Conjunct Asc.:

This aspect gives you strong abilities in strategic planning, and your foresight is highly accurate. You are very intuitive and most likely even psychic. Your ability to see the big picture helps you out in every circumstance and people seek you out for your guidance. Areas of expertise may include, detective skills, political awareness and interest, intellectual -abilities and healing.

Chapter 3: Juno

Juno in Libra:

This is an excellent placement for Juno. Relationships are very important to you. You need fairness, and equality in your relationship. Your partner will be very sociable, cooperative and refined. You really want someone to share with, to be the other half. Art, music, and performing arts may appeal to you as a couple. Juno does not like being without a partner in Libra.

Juno in 7th house:

Marriage or a committed relationship is highly important to you. You love having a significant other. Equality and fairness is very important. Your life is very intertwined with your partner more so than in most relationships. Relationships are vital to you.

Juno Trine Venus:

You get along exceptionally well with your spouse or other half, marriage should work out well for you. Marriage will work out well for you, as you attract a highly compatible person. You share many of the same tastes in music, the arts, style and clothing. Decor in the house will also be mutually appealing. This is a very harmonious aspect for long term committed relationships.

Chapter 4: Vesta

Vesta in Gemini:

You're dedicated to keeping your word, and preserving the teachings by re-telling the stories of the past. Mental focus is very strong in this sign placement. Service may involve two different areas or concepts that you have committed too. Teaching is a role very well suited for this sign, especially in the language, reading and writing departments. There may be a strong devotion to your siblings. A sibling may be in the clergy.

Vesta in 4th house:

You may be the one who has to take care of the whole family. You are devoted to your family whether it is biological or an extended family. Spirituality is strong in the home, and it is a divine place, your retreat from the world, a sanctuary. Meditation is important and focuses on spiritual matters. Having a fireplace, or some sort of altar is important as Vesta is keeper of the flame.

Vesta Opposition MC:

Family is highly important to you and where your commitment and dedication lies. Be sure to balance your time between career and family; don't neglect the career for the family as it will backfire in the long run. A fireplace in the home is good for this placement. You sacrifice a lot for your family.

Chapter 5: Chiron

Chiron in Aries:

Your quest is to be the hero or heroine in your own life according to your own ideals of what a hero is. You have to establish your own rules in life being brave enough to go against the social norms and be the pioneer and maverick, you've got to be you. Getting over shyness, and being overly cordial without regard for yourself is the lesson you must master.

Chiron in 2nd house:

You may make your money through a healing modality, or as a teacher, mentor or astrologer. You value healing, and education and mentoring others, and leaving them an ideal to strive for in their lives. Spiritual values are important to you. You may have lessons to learn around the value of money, and this can be a major wound you need to heal. Many took a vow of poverty in previous lives, if this sounds like you, then it is time to renounce that vow and recommit to a vow of prosperity, as that is a highly spiritual vibration.

Chiron Square Uranus:

You may feel like a square peg in a round hole, as you don't fit in too easily with the public at large. Embrace this as it can be the thing that brings you notoriety and gives you your uniqueness. Relationships can be challenging given you need your freedom and don't like being restrained in any way. Find someone who is as unconventional as you and who isn't clingy. There is someone like you out there, for you. Don't set your relationship standards by societies, yours are unique and you are the only one who controls your standards.
