Chapter 1: General Personality Characteristics

Sun in Scorpio:

Quiet, deep, emotionally complex and intensely private, you are not a person who is easy to get to know and understand. You are extremely sensitive but disinclined to show it, and you allow only a special few into your inner world. Like a wary animal, you are cautious and mistrustful of those you do not know until you "sniff them out". You are very, very instinctive and intuitive. You usually have a strong, immediate gut reaction to people, even though you may be unable to clearly articulate why you feel as you do. Your feelings and perceptions go deeper than words.

You also have a powerful need for deep emotional involvement and you form very intense love bonds and attachments. You are possessive and often jealous of anyone or anything that you perceive as a threat to your bond with someone you love. When you commit yourself to someone or something, you are wholeheartedly devoted and expect complete loyalty in return. You merge with or "marry" the person you love at a very deep level and therefore separations are extremely painful for you, and often stormy and nasty. When you have been wounded, you are not inclined to turn the other cheek and will retaliate if at all possible. Certainly you will never forget the injury and often you harbor grievances and resentments for a long, long time. Forgiveness doesn't come easily to you.

Whatever you do, you do with passion and fervor, and you often go to extremes. You are either hot or cold, never lukewarm about anything. You can also be very narrow: either you are 100% involved in something or else it doesn't exist for you at all. Rarely are you emotionally detached and objective. You definitely have a fanatical streak. You are also immensely strong-willed and your tenacity in pursuing your objectives often borders on being obsessive. Fierce pride, courage, and emotional strength are yours in abundance.

You love mysteries and are deeply attracted to the hidden, dark, secret side of life. You never take things at face value and are always probing beneath the surface of people and situations to discover what is REALLY going on. You tend to be more of a cynic than an idealist.

Sun Trine Neptune:

You are imaginative and sensitive to anything colorful, beautiful, or magical. You are attracted to artistic and creative pursuits, music, and mysticism. Your spiritual values color your whole perspective and approach to life. You are idealistic and perhaps impractical.

Chapter 2: Mental Interests and Abilities

Mercury in Sagittarius:

You possess vision and foresight, and your mind is often occupied with big ideas, plans, and goals for the future. You are interested in what is possible and what is on the horizon, rather than what has already been done. The study of philosophy, religion, politics, or education is of interest to you, and you are more concerned with theories and concepts than with specific applications. You are not inclined to focus on any one practical, concrete area; you find it irksome to deal with details and particulars. You have a gambling instinct and enjoy speculative enterprises and new ventures. Business, advertising, and promotion would be good areas for you

also.

Chapter 3: Emotions: Moods, Feelings, Romance

Moon in Scorpio:

Secretive and inclined to brooding silences, it is difficult for others to really know your inner core, for you trust and open yourself to very few. Allowing yourself to be vulnerable and to relinquish control in relationships is not easy for you.

You have intense, passionate loves and hates and are a jealously loyal and protective friend - or a fearsome foe. You have a nasty habit of holding on to past hurts, resentments, and guilt - and to keep such feelings to yourself. It is important for you to learn to forgive and let go, as well as to express your feelings openly and directly, rather than hiding or repressing them.

You are not content with superficial appearances and are always probing beneath the surface of things for hidden motives. You have a great deal of emotional depth.

Moon Sextile Saturn:

You have an inner poise and balance that enables you to act in a cool, efficient manner during emotional traumas and stress. You keep perspective and objectivity about highly charged emotional issues - sometimes to the chagrin of others who might wish that you would react more intensely. You are quietly supportive and faithful to your friends and loved ones.

Venus in Libra:

You possess the gifts of tact, courtesy, consideration, and a strong desire to please and understand your love partner. Because you value harmony so much, you will compromise a great deal to avoid any discord or conflict. You do not like to dwell on controversial or emotionally difficult subjects, and often try to "smooth things over" or "sweep them under the rug".

In love, you want an intellectual peer, an equal, and a friend. You are attracted to people who have a certain finesse, delicacy, and subtlety. You appreciate good manners and refinement and are not happy with a coarse, blunt type of person.

Venus Opposition Uranus:

Your love feelings are easily aroused and your romantic relationships begin with a sudden electric attraction, but they often end abruptly, and you may be in and out of love frequently - especially in your younger years. You crave emotional excitement and need to feel spontaneous and free, so you may avoid making firm personal commitments. Unusual or nontraditional forms of love and relationships appeal to you, and you are attracted to unique, creative, or unstable people.

Venus Trine Mars:

You are warmly romantic and openly express your appreciation and love of the opposite sex, though rarely in a crude or insensitive manner. You enjoy playing match-maker and bringing people together romantically. Fulfillment and harmony in love is likely for you because you know what you want and need in a romantic sense and express those desires honestly.

Chapter 4: Drive and Ambition: How You Achieve Your Goals

Mars in Aquarius:

You are very socially oriented and work well in cooperation with others. You may be active in community affairs or unite with others of similar ideals and intentions to work toward a common goal. Progressive and democratic, you are not concerned with hoarding personal power or having authority over others. You are a team player.

New, unconventional methods appeal to you, especially ideas that involve bringing people together or creating fairer working conditions - such as networking, profit-sharing, job-sharing, etc. New technologies also interest you.

Your energy level is high but somewhat erratic. You can be impatient, rebellious, and inconstant in pursuing your aims.

Chapter 5: Other Influences

Jupiter in Scorpio:

Your strength lies in your unwillingness to settle for superficiality or shallowness in any area of your life. You are unafraid of going to extremes and experiencing the depths. The mysterious and the unknown are very attractive to you. Your intuitive understanding of others' inner drives and motivations is highly developed also.

Saturn in Capricorn:

You have a great capacity for self-denial in the pursuit of a long-range goal. You are capable of hard work and persistent labor, but you may lack joyfulness and the ability to play. You often feel burdened by life's demands and responsibilities, and may envy those who seem to attract what they want in life without a great deal of personal effort.

There is a very judgmental, stern, and uncompromising side of yourself which may inhibit you a great deal. You must avoid becoming heavy and cynical, or becoming a rather callous, sophisticated adult whose practicality and realism squeeze out the playful, imaginative side of life.

Uranus in Aries:

You are part of a 7 year group of people who are highly independent, self-reliant, self-willed, and rebellious. You are a rowdy bunch and your generation broke many time-honored traditions and customs. Your age group pioneered many new ideas that remained fashionable for many years; for example, rock 'n' roll was introduced by people of your age group.

Neptune in Pisces:

You are part of a 14 year group of people that are very intuitive, receptive, and imaginative. The arts and music are very important to your age group, and they flourish with your support, talent, and contributions. There is a rich and varied abundance of artistic and musical productivity from your age group.

All manner of religions and psychic investigations grow as well. There is a great interest in ultimate questions and answers and also in phenomena that do not seem to be explicable by scientific concepts. Mysticism is on the rise with your age group. The spiritual qualities of compassion and sacrifice are also highly valued and are more openly honored and respected than by other age groups. Spiritual and emotional sensitivity are so strong that there is a problem of escapism through alcohol and drugs, which is likely to increase during your generation.

Pluto in Capricorn:

You are part of a 15 year group of people who have a very strong practical and realistic attitude towards life. You are an ambitious group also and you work hard to improve business, commerce, and other practical affairs. There always seems to be lots of hard work that needs to be done when your generation comes around, and your generation is ready and willing to do it.

Your age group is marked by its precociousness and seriousness. However, it is also as if you were somehow cut off from many of your inner feelings. There is very little of the "child" in most members of your age group, and you have a much cooler, more detached attitude to life than other age groups. You are mature, but also rather aloof. You are ethical but tend to lack empathy and heart. For many members of your age group, it is as if they were cut off from their deeper, emotional side. Naturally, it is important not to let this tendency become too unbalanced, as it can lead to a harsh, insensitive attitude, and a tendency to become involved in corrupt and unethical practices.
