Chapter 1: Ceres

Ceres in Aquarius:

You may have received what others would say is unconventional nurturing, your relationship with parents may not have seemed "normal" you may seem like friends more than parent- child. This taught you to nurture by being independent not clingy or mushy but unique, by being a friend and encouraging individuality. You nurture by being friends with those you love, you may have unconventional ways of showing your love. You may feel loved by being part of the group/family unit by giving your unique talents, and contributions to the family.

Ceres in 6th house:

This placement is strong for Ceres, as this house resonates with the archetype. You are very particular about the foods you eat, and may be very sensitive to certain foods, diet is important. You love taking care of small animals, and pets and may have interest in pursuing this as a career, - veterinarian etc. Another avenue for your vocation is the health care industry.

Ceres Sextile Sun:

You are very loving and love family life, and enjoy being the caretaker, and parent to others. You may have had to take care of the family early on, cooking, and looking after your younger siblings. This made you more mature and parent like in your youth. Hospitality industries would be great for you such as hotelier, cook at a restaurant, or working with plants, and farming as you have talents in these areas. You are a natural green thumb in the garden.

Ceres Trine Saturn:

You are a very busy person with many responsibilities that you seem to handle well keeping the balance with domestic duties, such as cooking, cleaning and family obligations, to holding down a full time job. You have mastered the two worlds, and been responsible in both directions. This came from a well-balanced upbringing where you had to do your part of the household chores. Career and family life should be successful for you on both fronts. Careers in the domestic areas would also be good for you such as caretaking, food service, or hotelier would all be suitable.

Ceres Square Pluto:

There may have been many issues with power and control in your life, and may have stemmed from your relationship with your mother. She may have been a bit too controlling or killing with kindness, or literally manipulating you with emotional blackmail. Life's transitions may seem overwhelming to you life and death issues are especially challenging. Your nurturing style is very intense and deep to the core, many may have a hard time understanding your intensity, to try to lighten up in this area, realizing you need to surrender to be free. Depression can be a result of taking life too seriously.

Eating and food may be a challenge; often this aspect means anything from anorexia, to overeating, to extreme cleansing. Make sure to keep fiber in your diet, and to eat well balanced meals. You're eating habits are tied to your emotions especially when there in grief sorrow and loss in your life.

Ceres Square MC:

There may be challenges in the workplace over issues of not feeling nurtured or taken care of. There can be issues with food, not eating at work or difficult to eat because of work. Your parents food tastes were completely opposite or not what you like. You may have not felt nurtured or cared for in the way you would have liked from parents, it may be that they were too busy with work, or others to pay much attention to you.

Chapter 2: Pallas

Pallas in Capricorn:

Seeing how to manage the organization, situation or structure is a strong ability you possess. Pallas in Capricorn gives you executive ability in management, and in the process of your own life. Using creative visualization you will manifest your desires, and visions very quickly as Capricorn is an Earth element sign, in the Cardinal family. This means you are great at seeing things through to fruition, and you have the discipline needed to get it there. Trust your intuition in business and you won't go wrong. You would be good in the business, stock-market, and financial arenas.

Pallas in 6th house:

You are very good at organizing, and making systems work. You would do well with a job that is highly analytical and technical. You're a natural healer with Pallas here, and may work in the health care industry, or nutrition and food. This placement also is great for accountants and investigators. Any job that requires lots of detail and focus would be good for you. Pets and animals respond to you well as you can communicate with them on another level.

Pallas Conjunct Jupiter:

You have great social skills, using charm, and humor to get the point across is a real skill. This placement is great for teaching, mentoring and coaching on many different levels. You could even be a professor or scholar in a specialized field. You have a broad range of specialized knowledge. Career as a lawyer or politician would be good for you. You have a good relationship with your father or father figure, however you are always seeking his approval, learn to be your own support and approve of yourself.

Pallas Trine Saturn:

You have a great sense of timing in your ideas and visions that you create. You seem to be able to manifest your ideas and dreams with relative ease compared to others. You make a great manager as you can see what needs to be done and the order and strategy that needs to happen to get it done. This is a huge skill and talent that you have over many others. Push your inventions and sudden ideas to the limit and you will manifest them in reality. Skills include corporate management, risk management, and you make a great project manager.

Chapter 3: Juno

Juno in Virgo:

Your partner will be analytical and very practical, a very good organizer and down to earth. You may be a little meticulous in finding the right person to be with. Remember no one is perfect, rather we all are. Your relationship may involve you working together. Health conscious may be a thing you both enjoy, eating right, going to the gym. You are looking for a "clean", straight-laced partner. You need someone who can help organize you.

Juno in 2nd house:

Marriage may be a symbol of monetary security for you, as it has for many others over the years. Marriage is also strongly valued in the second house. You may make money as a marriage officiant, wedding planner, or by selling women's goods.

Juno Square Moon:

There may be emotional conflict between you and your other half, in marriage. Be sure to express what you need emotionally for yourself and ask directly what their needs are as well. There can be jealousy and if your ideas on commitment differ this could be very troublesome. Make sure you marry someone who has the same ideals in marriage and commitment as you do. You may resist marriage altogether with a fear of commitment being the root cause. Your Mother and your spouse may have a difficult time relating to one another.

Juno Trine Jupiter:

You will have a great married life as this placement indicates. You attract a mate that is highly compatible with you and that is very good for your well being. You get along famously with each other. You may be good friends as well as lovers. Long distance travel may be a shared goal and reality for you. Your spouse may be highly educated.

Juno Opposition Neptune:

Marriage may be disappointing for you if you don't learn who to trust and who not to. You have grand ideals about marriage which may not be realistic, but more fantasy driven which leads to disappointment. You can find your soul mate once you first discover your own true self, before looking to find happiness in another. You may have to take care of a needy person or someone who is self-medicating.

Juno Trine Chiron:

Relationships are very healing and powerful for you. Your mate may be a true mentor, and teacher to you and very therapeutic for you to be with. The trust is strong between the two of you. Relationships in general are very good.

Chapter 4: Vesta

Vesta in Leo:

Creativity, and your ambitions are what you are dedicated to fulfilling. It as if your soul's purpose is to create, with your huge vision and insight you are driven to success. When in love you are extremely devoted to that person. You are very protective and devoted to your children as they are your creations also. Sexuality is highly important as a joy to be had which keeps the creativity and life force strong in you.

Vesta in 1st house:

You're a very loyal, dutiful, and focused individual. You tend to be very serious and hard working toward anything you feel devoted to. Commitment is a strong word you live by. Perfection can be the goal with Vesta here.

Vesta Opposition Venus:

There may be problems with your values and your desires conflicting with commitments, and dedication. You may want to be free in relationships, and non-committal, or then swing back and forth between the two. You may have issues with your beliefs about sex and what you desire sexually. You may want to be celibate until married, or want to marry a virgin, however you have very lusty desires which confuse you and your values. The question you need to ask is this your value judgments or your parents? If it is your parents and your upbringing then you need to relook at your real beliefs and make some changes.

Vesta Conjunct Mars:

You have a high amount of drive and ambition when it comes to something that you are devoted to. You have a great deal of focus and drive to accomplish anything you set your desires on. This can relate to you being a hard and dedicated worker, with lots of energy and ambition. You don't feel as if your responsibilities are a burden to you, others may even see you as a fanatical worker. This placement is good for any job that requires long hours, devotion to a cause, and high amounts of concentration.

Vesta Square Saturn:

There may be some challenges in your life regarding your work life, delays in getting your career started or the promotion. Obstacles that distract you from your career or work, maybe due to your belief system or dedication to other interests that cause you to be distracted and pulled away. Be careful that you don't ignore your relationship needs due to career demands.

Vesta Trine Pluto:

You have a strong sense of self, knowing what you believe in and you have the devotion and dedication to manifest what you desire. This is a powerful aspect and when you know how to use this power, or skill you have great power to manifest what you desire. Read up on the Law of Attraction books, and Creative Visualization, with this aspect you are a powerhouse.

Vesta Trine MC:

Dedication, devotion and personal sacrifice has put you where you are in your career. You should be successful as you know how to make the difference and keep the focus to the tasks at hand. This ensures your success.

Chapter 5: Chiron

Chiron in Capricorn:

You have a deep need to feel useful to others, in other words valued and needed. This makes you work very hard assuming many responsibilities some may not have been a choice in your childhood, you were just relied on to take over and do. You are healing the wound of not feeling needed or wanted, whether from this life or a previous one. You love structure and traditional forms of healing. There may be healing to do with the father or father figures in your life.

Chiron in 6th house:

This placement is great for those who want to be healers, as it is something that comes naturally to you. You may have or had many health issues, that needed healing, and as a result you become the advocate for those issues that you had. Nutritionist, acupuncture, energy healing and exercise are all excellent for you as a lifestyle or career. Food sensitivities may lead you to specialized diets such as vegan, vegetarian, gluten free, organic etc.

Chiron Conjunct Jupiter:

There may be a great quest to seek the truth, as a result of being misled or lied to at an early age. Religion, philosophy of life and meaning may be the endless search for those with this aspect. Belief in Santa Clause and being let down may lead to a loss of faith in what is told to us, therefore not believing anything created a wound deeply needing to be healed. Healing quickly from illnesses is another manifestation of Jupiter conjunction Chiron. This aspect also makes the best out of difficult situations. Lessons always seem to be learned from the experiences and adventures in life.

Chiron Conjunct Pallas:

The key to your healing is in your subconscious mind. Many events in your past may have been buried or locked up in your subconscious mind. Meditation and your imagination are the key to unlocking the subconscious mind. Hypnosis would be good for you perhaps even as a career, utilizing that with psychology. The aspect of these two energies is a healing with the mind.. You have a keen insight into strategic planning around the healing and health areas. There may be healing issues regarding your father or dominant parent that needs to be addressed to move forward in life.

Chiron Trine Juno:

Your marriage will be with someone who may be a mentor, teacher, and healer for you as well as partner. He or she may even be a doctor, or in the health and healing profession. This aspect is favorable regarding your marriage or committed relationship.
